

**COMMODITY FUTURES TRADING COMMISSION  
ENERGY MARKETS ENFORCEMENT RESULTS**

**September 4, 2008**

**I. Summary**

This memorandum provides an overview of the Commodity Futures Trading Commission's ("CFTC") recent efforts to address alleged wrongdoing in the energy markets. From December 2002 to date, the CFTC has filed a total of 43 enforcement actions charging a total of 73 respondents/defendants (42 companies<sup>1</sup> and 31 individuals). The CFTC has obtained \$445,465,000 in civil monetary penalties (see Section II, below) in settlement of these enforcement actions.<sup>2</sup> Four CFTC energy market-related enforcement actions remain pending (see Section III, below). Complementing the effect of its direct enforcement action, the CFTC has also achieved great success in this program area by working cooperatively with the Department of Justice on criminal actions (see Section IV, below).
