MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Army Natural Resource Injury Guidance for Active and Base Realignment and Closure (BRAC) Installations

1. Reference: United States Army Natural Resource Injury Guidance, September 2005 (encl).

2. The reference provides supplemental guidance to AR 200-1 and the Army Interim Policy for Integrating Natural Resource Injury Responsibilities and Environmental Response Activities. This guidance will assist the Army in carrying out its lead agent responsibilities in accordance with the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA) and the National Contingency Plan.

3. This guidance should be widely distributed to those providing program management of activity Army and BRAC environmental programs. Additionally, the electronics files will be available at the US Army Environmental Center web site at <http://aec.army.mil>.
