

# ENERGY STAR® Quantity Quotes

[WWW.ENERGYSTAR.GOV/QUANTITYQUOTES](http://WWW.ENERGYSTAR.GOV/QUANTITYQUOTES): CONNECTING BUYERS WITH SUPPLIERS OF ENERGY-EFFICIENT PRODUCTS

Do you want to buy ENERGY STAR® qualified products in bulk at competitive prices? Do you know of others who do? Then check out [energystar.gov/quantityquotes](http://energystar.gov/quantityquotes), an online marketplace created by the U.S. Department of Energy to connect large quantity buyers with suppliers of energy-efficient products.

## With this new service, large quantity buyers can:

- Submit purchase requests for ENERGY STAR qualified products
- Receive quotes from suppliers
- Make contact with suppliers
- Negotiate discounted prices

- Room air conditioners
- Clothes washers
- Dehumidifiers
- Refrigerators
- Dishwashers
- Light fixtures
- Light bulbs

## Benefits to purchasers:

- **Save time.**  
Stop searching for suppliers of energy-efficient products; let them come to you.
- **Save money.**  
Suppliers compete against one another for your business.
- **Get the right product.**  
Our customized forms guide you through the process of formulating your purchase request.
- **Keep your contact info private.**  
Communicate anonymously with suppliers through the Web site and choose when and to whom to reveal your identity.

## Benefits to suppliers:

- **Increase contract sales.**  
Qualified prospects who buy in bulk will come to you.
- **Access institutional markets.**  
Respond to bid requests from affordable and multifamily housing providers, colleges and universities, governments, aging services providers, and others.
- **Expand your customer base.**  
Potential to convert new customers that you meet at [energystar.gov/quantityquotes](http://energystar.gov/quantityquotes) into repeat customers.

**Registration is free to purchasers and to suppliers.**
