#### FUNCTIONAL STATEMENT AND PURPOSE

The Office of the Inspector General (OIG) of the Tennessee Valley Authority (TVA) is seeking a qualified Special Agent with experience in white collar crime investigations involving alleged or suspected violations of criminal laws, ethics standards, and policies and practices of the agency.

For the incumbent to be successful, they will have to be proactive, self-motivated, have the ability to work independently, as well as in teams, and to manage multiple cases.

#### MINIMUM QUALIFICATIONS

Bachelor's Degree from a four-year course of study at an accredited college or university.

Must have a minimum of 7 years of federal law enforcement experience.

Must have completed a basic criminal investigations training course at a federal criminal investigators academy.

Employment is subject to successful completion of a physical, drug screening, and background investigation.

Must be able to meet the medical standards and training qualifications prescribed for the Special Agent position.

Position requires nationwide travel and a valid driver's license.

Must meet applicable standards for law enforcement authority.

#### DESIRED QUALIFICATIONS

- Experience as an 1811 Criminal Investigator or an equivalent position with experience with complex financial and white collar crime investigations. Established record of successful prosecutions.
- Law degree would be beneficial.

#### DESIRED SKILLS/KNOWLEDGE

- Knowledge of investigative techniques and the rules of evidence and criminal procedure, and precedential court decisions concerning admissibility of evidence, constitutional rights, search and seizure, and other issues relating to investigations.
- Ability to recognize, develop new issues for investigation, and present evidence that reconstructs events, sequences, and time elements, and establishes relationships, responsibilities, legal liabilities, and conflicts of interest, in a manner that meets requirements for presentation in various administrative hearings and court proceedings.
- Ability to analyze facts, communicate orally and in written form.
- Knowledge of office automation and products and computer-assisted investigative techniques.
- Ability to provide support, guidance, and mentoring to other OIG special agents and analysts.
- Experience as a Defensive Tactics Instructor.
- Knowledgeable in computer forensics techniques.
- Ability to develop confidential sources.
