

## Inspector General Criminal Investigator Academy

### Get Involved and Support Your Academy – Be a Facilitator

The IG Academy routinely utilizes facilitators who act as mentors during training programs and assist students in the overall learning process. These individuals are experienced criminal investigators from the OIG community whose agency has agreed to support the IG Academy's training programs. The experience is beneficial to the facilitator, the students and the IG Academy staff. Some agencies use this opportunity as a developmental supervisory assignment.

The Academy would like to recognize the following OIGs for providing facilitators during FY07 to support the 3-week IG Investigator Training Program and the 2-week Basic Non-Criminal Investigator Training Program:

US Dept. of Agriculture  
Dept. of Education  
Dept. of Energy  
Federal Deposit Insurance Corp.  
General Services Administration  
Health & Human Services  
Dept. of Labor  
National Science Foundation  
Dept. of Transportation  
Small Business Administration

The IG Academy funds the facilitators' travel costs. Facilitators should have 7 or more years of criminal investigator experience and at least five years in an OIG. If your agency is interested in supporting the IG Academy by providing facilitators, please contact SA Nancy Kennedy at 912-280-5122 or at [nancy.b.kennedy@ssa.gov](mailto:nancy.b.kennedy@ssa.gov).
