

**CORPORATE INTEGRITY AGREEMENT  
BETWEEN THE  
OFFICE OF INSPECTOR GENERAL  
OF THE  
DEPARTMENT OF HEALTH AND HUMAN SERVICES  
AND  
KIDSPeACE CORPORATION**

**I. PREAMBLE**

KidsPeace Corporation (KidsPeace), on behalf of its subsidiaries KidsPeace National Centers, Inc. and KidsPeace Hospital, Inc., except to the extent otherwise specifically provided herein, hereby enters into this Corporate Integrity Agreement (CIA) with the Office of Inspector General (OIG) of the United States Department of Health and Human Services (HHS) to promote compliance by its officers, directors, employees, contractors, and agents with the statutes, regulations, and written directives of Medicare, Medicaid, and all other Federal health care programs (as defined in 42 U.S.C. § 1320a-7b(f)) (Federal health care program requirements). Contemporaneously with this CIA, KidsPeace is entering into a Settlement Agreement with the United States, and this CIA is incorporated by reference into the Settlement Agreement.

**II. TERM AND SCOPE OF THE CIA**

A. The period of the compliance obligations assumed by KidsPeace under this CIA shall be 5 years from the effective date of this CIA, unless otherwise specified. The effective date shall be the date on which the final signatory of this CIA executes this CIA (Effective Date). Each one-year period, beginning with the one-year period following the Effective Date, shall be referred to as a “Reporting Period.”

B. Sections VII, VIII, IX, X, and XI shall expire no later than 120 days after OIG’s receipt of: (1) KidsPeace’s final annual report; or (2) any additional materials submitted by KidsPeace pursuant to OIG’s request, whichever is later.

C. The scope of this CIA shall be governed by the following definitions:

1. “Covered Persons” means:

a. all owners, officers, directors, and employees of KidsPeace National Centers, Inc. or KidsPeace Hospital, Inc., and all owners, officers, directors, and employees of KidsPeace who have direct or indirect responsibility for the provision of patient care or billing services (including, without limitation, billing and coding services and the development of policies and procedures relating to the delivery of patient care) on behalf of or to either of the two aforementioned KidsPeace subsidiaries; and

b. all contractors, subcontractors, agents, and other persons who provide patient care items or services or who perform billing or coding functions on behalf of KidsPeace National Centers, Inc. or KidsPeace Hospital, Inc.

Notwithstanding the above, this term does not include part-time or per diem employees, contractors, subcontractors, agents, and other persons who are not reasonably expected to work more than 160 hours per year, except that any such individuals shall become “Covered Persons” at the point when they work more than 160 hours during the calendar year.

2. “Relevant Covered Persons” means Covered Persons involved in the delivery of patient care items or services and/or in the preparation or submission of claims for reimbursement from any Federal health care program.

### **III. CORPORATE INTEGRITY OBLIGATIONS**

KidsPeace represents that effective in September 2000, it formally commenced a Corporate Compliance Program to ensure that it provides high quality human services to its clients in an ethical and respectful manner. Pursuant to and, at a minimum, for the duration of the CIA, KidsPeace agrees to maintain its Compliance Program in full operation and to amend it as necessary to ensure that includes the following elements:

#### **A. Compliance Officer and Committee.**

1. *Compliance Officer.* KidsPeace has designated, and shall continue for the term of this CIA to designate, an individual to serve as its Compliance Officer. The Compliance Officer shall be responsible for developing and implementing policies, procedures, and practices designed to ensure compliance with the requirements set forth

in this CIA and with Federal health care program requirements. The Compliance Officer is and shall remain a member of senior management of KidsPeace, shall make periodic (at least quarterly) reports regarding compliance matters directly to the CEO or COO and, at the Compliance Officer's discretion, to the Board of Directors of KidsPeace and/or the Program and Services Committee of the Board of Directors. The Compliance Officer shall be authorized to report on such matters to the Board of Directors at any time. The Compliance Officer shall not be subordinate to the General Counsel or Chief Financial Officer. The Compliance Officer shall be responsible for monitoring the day-to-day compliance activities engaged in by KidsPeace as well as for any reporting obligations created under this CIA.

KidsPeace shall report to OIG, in writing, any changes in the identity or position description of the Compliance Officer, or any actions or changes that would affect the Compliance Officer's ability to perform the duties necessary to meet the obligations in this CIA, within 15 days after such a change.

2. *Compliance Committee.* KidsPeace represents that it has established, and shall continue for the term of this CIA to maintain a Compliance Committee (separate and apart from any committees of the Board of Directors that may receive compliance reports and/or undertake audits in the ordinary course of business). The Compliance Committee includes, and shall continue to include, at a minimum, the Compliance Officer and other members of senior management necessary to meet the requirements of this CIA (e.g., senior executives of relevant departments, such as billing, clinical, human resources, audit, and operations). The Compliance Officer chairs the Compliance Committee, which supports the Compliance Officer in fulfilling his/her responsibilities (e.g., shall assist in the analysis of the organization's risk areas and shall oversee monitoring of internal and external audits and investigations).

KidsPeace shall report to OIG, in writing, any changes in the composition of the Compliance Committee, or any actions or changes that would affect the Compliance Committee's ability to perform the duties necessary to meet the obligations in this CIA, within 15 days after such a change.

B. Written Standards.

1. *Code of Conduct.* KidsPeace represents that it has established a written Code of Conduct and shall continue to maintain its Code of Conduct for the duration of the CIA. The Code of Conduct may periodically be updated in the ordinary course of

business. Within 90 days after the Effective Date, KidsPeace shall, to the extent necessary, amend the Code of Conduct to ensure that it meets any additional requirements listed below and shall distribute it to at least all Covered Persons. KidsPeace shall make the promotion of, and adherence to, the Code of Conduct an element in evaluating the performance of all employees. The Code of Conduct shall, at a minimum, set forth:

- a. KidsPeace's commitment to full compliance with all Federal health care program requirements, including its commitment to prepare and submit accurate claims consistent with such requirements;
- b. KidsPeace's requirement that all of its Covered Persons shall be expected to comply with all Federal health care program requirements and with KidsPeace's own Policies and Procedures as implemented pursuant to this Section III.B (including the requirements of this CIA);
- c. the requirement that all of KidsPeace's Covered Persons shall be expected to report to the Compliance Officer or other appropriate individual designated by KidsPeace suspected violations of any Federal health care program requirements or of KidsPeace's own Policies and Procedures;
- d. the possible consequences to both KidsPeace and Covered Persons of failure to comply with Federal health care program requirements and with KidsPeace's own Policies and Procedures and the failure to report such noncompliance; and
- e. the right of all individuals to use the Disclosure Program described in Section III.E, and KidsPeace's commitment to nonretaliation and to maintain, as appropriate, confidentiality and anonymity with respect to such disclosures.

Within 90 days after the Effective Date, each Covered Person shall certify, in writing, that he or she has received, read, understood, and shall abide by KidsPeace's Code of Conduct. New Covered Persons shall receive the Code of Conduct and shall

complete the required certification within 30 days after becoming a Covered Person or within 90 days after the Effective Date, whichever is later.

KidsPeace shall periodically review the Code of Conduct to determine if revisions are appropriate and shall make any necessary revisions based on such review. Any revised Code of Conduct shall be distributed within 30 days after any revisions are finalized. Each Covered Person shall certify, in writing, that he or she has received, read, understood, and shall abide by the revised Code of Conduct within 30 days after the distribution of the revised Code of Conduct.

2. *Policies and Procedures.* Within 120 days after the Effective Date, KidsPeace shall implement written Policies and Procedures regarding the operation of KidsPeace's compliance program and its compliance with Federal health care program requirements. At a minimum, the Policies and Procedures shall address:

- a. the subjects relating to the Code of Conduct identified in Section III.B.1;
- b. measures designed to ensure that KidsPeace fully complies with all Medicaid and other Federal Health care programs/ statutes, regulations, and guidelines applicable to KidsPeace.

3. *Physical Restraint Policies and Procedures.* In addition to its general compliance Policies and Procedures, KidsPeace represents that in the year 2000, it began using the Professional Crisis Management (PCM) restraint system in all its operations except for New York and Georgia, where state law requires alternative systems. For at least the duration of the CIA, KidsPeace shall maintain restraint policies and procedures that meet professional recognized standards of care, including but not limited to, policies and practices designed to ensure that:

- a. physical restraints are used only pursuant to accepted professional standards when less restrictive alternatives are not effective;
- b. physical restraints are not used as punishment or for the convenience of staff;

- c. appropriate orders, from a physician or a Licensed Independent Practitioner, are obtained and followed before physical restraints are used;
- d. physical restraints are implemented and applied pursuant to professionally recognized standards of care.

Within 120 days after the Effective Date, the relevant portions of the Policies and Procedures shall be made available to all individuals whose job functions relate to those Policies and Procedures. Appropriate and knowledgeable staff shall be available to explain the Policies and Procedures.

At least annually (and more frequently, if appropriate), KidsPeace shall assess and update as necessary the Policies and Procedures. Within 30 days after the effective date of any revisions, the relevant portions of any such revised Policies and Procedures shall be made available to all individuals whose job functions relate to those Policies and Procedures.

### C. Training and Education.

1. *General Training.* KidsPeace represents that as of March 2003, it has required and provided at least 30 minutes of compliance training to each of its employees. Within 90 days after the Effective Date, KidsPeace shall provide at least one hour of General Training to each Covered Person. This training, at a minimum, shall explain KidsPeace's:

- a. CIA requirements; and
- b. KidsPeace's Compliance Program (including the Code of Conduct and the Policies and Procedures as they pertain to general compliance issues).

New Covered Persons shall receive the General Training described above within 60 days after becoming a Covered Person or within 90 days after the Effective Date, whichever is later. After receiving the initial General Training described above, each Covered Person shall receive at least one hour of General Training annually.

2. *Specific Training.* Within 120 days after the Effective Date, each Relevant Covered Person shall receive at least 2 hours of Specific Training in addition to

the General Training required above. This Specific Training shall include a discussion of:

- a. the Federal health care program requirements regarding the accurate coding and submission of claims;
- b. policies, procedures, and other requirements applicable to the documentation of medical records;
- c. the personal obligation of each individual involved in the claims submission process to ensure that such claims are accurate;
- d. applicable reimbursement statutes, regulations, and program requirements and directives;
- e. the legal sanctions for violations of the Federal health care program requirements; and
- f. examples of proper and improper claims submission practices.

Relevant Covered Persons shall receive this training within 60 days after the beginning of their employment or becoming Relevant Covered Persons, or within 120 days after the Effective Date, whichever is later. A KidsPeace employee who has completed the Specific Training shall review or supervise a new Relevant Covered Person's work, to the extent that the work relates to the delivery of patient care items or services and/or the preparation or submission of claims for reimbursement from any Federal health care program, until such time as the new Relevant Covered Person completes his or her Specific Training.

After receiving the initial Specific Training described in this Section, each Relevant Covered Person shall receive at least 1 hour of Specific Training annually.

3. *Certification.* Each individual who is required to attend training shall certify, in writing, or in electronic form, if applicable, that he or she has received the required training. The certification shall specify the type of training received and the date received. The Compliance Officer (or designee) shall retain the certifications, along with all course materials. These shall be made available to OIG, upon request.

4. *Qualifications of Trainer.* Persons providing the training shall be knowledgeable about the subject area.

5. *Update of Training.* KidsPeace shall annually review the training, and, where appropriate, update the training to reflect changes in Federal health care program requirements, any issues discovered during internal audits or the IRO Claims Review, Unallowable Cost Review, and any other relevant information.

6. *Computer-based Training.* KidsPeace may provide the training required under this CIA through appropriate computer-based training approaches. If KidsPeace chooses to provide computer-based training, it shall make available appropriately qualified and knowledgeable staff or trainers to answer questions or provide additional information to the individuals receiving such training.

D. Review Procedures.

1. *General Description.*

a. *Engagement of Independent Review Organization.* Within 90 days after the Effective Date, KidsPeace shall engage an entity (or entities), such as an accounting, auditing, or consulting firm (hereinafter “Independent Review Organization” or “IRO”), to perform reviews to assist KidsPeace in assessing and evaluating its billing and coding practices and certain other obligations pursuant to this Agreement and the Settlement Agreement.

Each IRO engaged by KidsPeace shall have expertise in the billing, coding, reporting, and other requirements of the particular section of the health care industry pertaining to this CIA and in the general requirements of the Federal health care program(s) from which KidsPeace seeks reimbursement. Each IRO shall assess, along with KidsPeace, whether it can perform the IRO review in a professionally independent and/or objective fashion, as appropriate to the nature of the engagement, taking into account any other business relationships or other engagements that may exist.

The IRO(s) review shall evaluate and analyze KidsPeace’s coding, billing, and claims submission to the Federal health care programs in

connection with services provided by KidsPeace National Centers, Inc. and KidsPeace Hospital, Inc. and the reimbursement received therefor (Claims Review), and shall analyze whether KidsPeace sought payment for certain unallowable costs in connection with such services (Unallowable Cost Review). The applicable requirements relating to the IRO are outlined in Appendix A to this Agreement, which is incorporated by reference.

b. *Frequency of Claims Review.* The Claims Review shall be performed annually and shall cover each of the Reporting Periods. The IRO(s) shall perform all components of each annual Claims Review.

c. *Frequency of Unallowable Cost Review.* If applicable, the IRO shall perform the Unallowable Cost Review for the first Reporting Period.

d. *Retention of Records.* The IRO and KidsPeace shall retain and make available to OIG, upon request, all work papers, supporting documentation, correspondence, and draft reports (those exchanged between the IRO and KidsPeace) related to the reviews.

2. Claims Review. The Claims Review shall include a Discovery Sample and, if necessary, a Full Sample. The applicable definitions, procedures, and reporting requirements are outlined in Appendix B to this Agreement, which is incorporated by reference.

a. *Discovery Sample.* The IRO shall randomly select and review a sample of 50 Paid Claims submitted by or on behalf of KidsPeace in connection with services provided by KidsPeace National Centers, Inc. and KidsPeace Hospital, Inc. (Discovery Sample).

The Paid Claims shall be reviewed based on the supporting documentation available at KidsPeace's office or under KidsPeace's control and applicable billing and coding regulations and guidance to determine whether the claim was correctly coded, submitted, and reimbursed.

i. If the Error Rate (as defined in Appendix B) for the Discovery Sample is less than 5%, no additional sampling is required, nor is the Systems Review required. (Note: The guidelines listed above do not imply that this is an acceptable error rate. Accordingly, KidsPeace should, as appropriate, further analyze any errors identified in the Discovery Sample. KidsPeace recognizes that OIG or another HHS component, in its discretion and as authorized by statute, regulation, or other appropriate authority, may also analyze or review Paid Claims included, or errors identified, in the Discovery Sample or any other segment of the universe.)

ii. If the Discovery Sample indicates that the Error Rate is 5% or greater, the IRO shall perform a Full Sample and a Systems Review, as described below.

b. *Full Sample.* If necessary, as determined by procedures set forth in Section III.D.2.a, the IRO shall perform an additional sample of Paid Claims using commonly accepted sampling methods and in accordance with Appendix B. The Full Sample shall be designed to: (i) estimate the actual Overpayment in the population with a 90% confidence level and with a maximum relative precision of 25% of the point estimate; and (ii) conform with the Centers for Medicare and Medicaid Services' statistical sampling for overpayment estimation guidelines. The Paid Claims shall be reviewed based on supporting documentation available at KidsPeace's office or under KidsPeace's control and applicable billing and coding regulations and guidance to determine whether the claim was correctly coded, submitted, and reimbursed. For purposes of calculating the size of the Full Sample, the Discovery Sample may serve as the probe sample, if statistically appropriate. Additionally, KidsPeace may use the Items sampled as part of the Discovery Sample, and the corresponding findings for those 50 Items, as part of its Full Sample, if: (i) statistically appropriate and (ii) KidsPeace selects the Full Sample Items using the seed number generated by the Discovery Sample. OIG, in its sole discretion, may refer the findings of the Full Sample (and any related workpapers) received from KidsPeace to the appropriate Federal health care program payor, including the

Medicare contractor (e.g., carrier, fiscal intermediary, or DMERC), for appropriate follow-up by that payor.

c. *Systems Review.* If KidsPeace's Discovery Sample identifies an Error Rate of 5% or greater, KidsPeace's IRO shall also conduct a Systems Review. Specifically, for each claim in the Discovery Sample and Full Sample that resulted in an Overpayment, the IRO shall perform a "walk through" of the system(s) and process(es) that generated the claim to identify any problems or weaknesses that may have resulted in the identified Overpayments. The IRO shall provide to KidsPeace its observations and recommendations on suggested improvements to the system(s) and the process(es) that generated the claim.

d. *Repayment of Identified Overpayments.* In accordance with Section III.H.1 of this Agreement, KidsPeace shall repay within 30 days (or such additional time as may be agreed to by the payor) any Overpayment(s) identified in the Discovery Sample or the Full Sample (if applicable), regardless of the Error Rate, to the appropriate payor and in accordance with payor refund policies (except to the extent such policies are inconsistent with this CIA). KidsPeace shall make available to OIG any and all documentation and the associated documentation that reflects the refund of the Overpayment(s) to the payor. To the extent that KidsPeace identifies any Underpayment in the Discovery Sample or Full Sample (if applicable), KidsPeace will seek payment for such Underpayment directly from the relevant payor and separately from the repayment for the Overpayment.

3. Claims Review Report. The IRO shall prepare a report based upon the Claims Review performed (Claims Review Report). Information to be included in the Claims Review Report is described in Appendix B.

4. Unallowable Cost Review. The IRO shall conduct a review of KidsPeace's compliance with the unallowable cost provisions of the Settlement Agreement. The IRO shall determine whether KidsPeace has complied with its obligations not to charge to, or otherwise seek payment from, Federal or State payors for unallowable costs (as defined in the Settlement Agreement) in connection with services

provided by KidsPeace National Centers, Inc. and KidsPeace Hospital, Inc., and its obligation to identify to applicable Federal or State payors any unallowable costs included in payments previously sought from the United States, or any State Medicaid program for such services. This unallowable cost analysis shall include, but not be limited to, payments sought in any cost reports, cost statements, information reports, or payment requests already submitted by KidsPeace National Centers, Inc., KidsPeace Hospital, or KidsPeace (on behalf either of these two subsidiaries), subject to the terms of KidsPeace's contemporaneous settlement with the Department of Justice on behalf of United States and HHS (the Contemporaneous Settlement). To the extent that such cost reports, cost statements, information reports, or payment requests, even if already settled, have been adjusted to account for the effect of the inclusion of the unallowable costs, the IRO shall determine if such adjustments were proper, subject to applicable rules governing reopenings and the terms of the Contemporaneous Settlement. In making this determination, the IRO may need to review cost reports and/or financial statements from the year in which the Settlement Agreement was executed, as well as from previous years.

5. Unallowable Cost Review Report. The IRO shall prepare a report based upon the Unallowable Cost Review performed. The Unallowable Cost Review Report shall include the IRO's findings and supporting rationale regarding the Unallowable Cost Review and whether KidsPeace has complied with its obligation not to charge to, or otherwise seek payment from, Federal or State payors for unallowable costs (as defined in the Settlement Agreement) in connection with services provided by KidsPeace National Centers, Inc. and KidsPeace Hospital, Inc., and its obligation to identify to applicable Federal or State payors any unallowable costs included in payments previously sought from such payor for such services.

6. Validation Review. In the event OIG has reason to believe that: (a) KidsPeace's Claims Review or Unallowable Cost Review fails to conform to the requirements of this Agreement; or (b) the IRO's findings or Claims Review results or Unallowable Cost Review results are inaccurate, OIG may, at its sole discretion, conduct its own review to determine whether the Claims Review or Unallowable Cost Review complied with the requirements of the Agreement and/or the findings or Claims Review results or Unallowable Cost Review results are inaccurate (Validation Review). KidsPeace shall pay for the reasonable cost of any such review performed by OIG or any of its designated agents. Any Validation Review of Reports submitted as part of KidsPeace's final Annual Report must be initiated no later than one year after KidsPeace's final submission (as described in Section II) is received by OIG.

Prior to initiating a Validation Review, OIG shall notify KidsPeace of its intent to do so and provide a written explanation of why OIG believes such a review is necessary. To resolve any concerns raised by OIG, KidsPeace may request a meeting with OIG to: (a) discuss the results of any Claims Review or Unallowable Cost Review submissions or findings; (b) present any additional information to clarify the results of the Claims Review or Unallowable Cost Review or to correct the inaccuracy of the Claims Review or Unallowable Cost Review; and/or (c) propose alternatives to the proposed Validation Review. KidsPeace agrees to provide any additional information as may be requested by OIG under this Section in an expedited manner. OIG will attempt in good faith to resolve any Claims Review or Unallowable Cost Review issues with KidsPeace prior to conducting a Validation Review. However, the final determination as to whether or not to proceed with a Validation Review shall be made at the sole discretion of OIG.

7. Independence/Objectivity Certification. The IRO shall include in its report(s) to KidsPeace a certification or sworn affidavit that it has evaluated its professional independence and/or objectivity, as appropriate to the nature of the engagement, with regard to the Claims Review or Unallowable Cost Review and that it has concluded that it is, in fact, independent and/or objective.

E. Disclosure Program.

KidsPeace represents that it has established and shall maintain for the term of the CIA a Disclosure Program that includes a mechanism (e.g., a toll-free compliance telephone line) to enable individuals to disclose, to the Compliance Officer or some other person who is not in the disclosing individual's chain of command, any identified issues or questions associated with KidsPeace's policies, conduct, practices, or procedures with respect to a Federal health care program believed by the individual to be a potential violation of criminal, civil, or administrative law. KidsPeace shall appropriately publicize the existence of the disclosure mechanism (e.g., via periodic e-mails to employees or by posting the information in prominent common areas).

The Disclosure Program shall continue to emphasize a nonretribution, nonretaliation policy, and shall include a reporting mechanism for anonymous communications for which appropriate confidentiality shall be maintained. Upon receipt of a disclosure, the Compliance Officer (or designee) shall gather all relevant information from the disclosing individual. The Compliance Officer (or designee) shall make a preliminary, good faith inquiry into the allegations set forth in every disclosure to ensure that he or she has obtained all of the information necessary to determine whether a further review should be conducted. For any disclosure that is sufficiently specific so that it reasonably: (1) permits a determination of the appropriateness of the alleged improper practice; and (2) provides an opportunity for taking corrective action, KidsPeace shall conduct an internal review of the allegations set forth in the disclosure and ensure that proper follow-up is conducted.

The Compliance Officer (or designee) shall maintain a disclosure log, which shall include a record and summary of each disclosure received (whether anonymous or not), the status of the respective internal reviews, and any corrective action taken in response to the internal reviews. The disclosure log shall be made available to OIG, upon request.

#### F. Ineligible Persons.

##### 1. *Definitions.* For purposes of this CIA:

- a. an “Ineligible Person” shall include an individual or entity who:
  - i. is currently excluded, debarred, suspended, or otherwise ineligible to participate in the Federal health care programs or in Federal procurement or nonprocurement programs; or
  - ii. has been convicted of a criminal offense that falls within the ambit of 42 U.S.C. § 1320a-7(a), but has not yet been excluded, debarred, suspended, or otherwise declared ineligible.
- b. “Exclusion Lists” shall include:
  - i. the HHS/OIG List of Excluded Individuals/Entities (available through the Internet at <http://oig.hhs.gov>); and

- ii. the General Services Administration's List of Parties Excluded from Federal Programs (available through the Internet at <http://epls.arnet.gov>).

2. *Screening Requirements.* KidsPeace shall ensure that all prospective and current owners, officers, directors, employees, contractors, and agents of KidsPeace are not Ineligible Persons, by implementing the following screening requirements.

- a. For all prospective owners, officers, directors, employees, contractors, and agents, KidsPeace shall screen such persons against the Exclusion Lists prior to engaging their services and, as part of the hiring or contracting process, shall require such persons to disclose whether they are an Ineligible Person.

- b. For all current owners, officers, directors, employees, contractors, and agents, KidsPeace shall screen all such persons against the Exclusion Lists within 90 days after the Effective Date and on an annual basis thereafter.

- c. KidsPeace shall implement a policy requiring all owners, officers, directors, employees, contractors, and agents of KidsPeace to disclose immediately any debarment, exclusion, suspension, or other event that makes that person an Ineligible Person.

Nothing in this Section affects the responsibility of (or liability for) KidsPeace to refrain from billing Federal health care programs for items or services furnished, ordered, or prescribed by an Ineligible Person.

3. *Removal Requirement.* If KidsPeace has actual notice that an owner, officer, director, employee, contractor, or agent has become an Ineligible Person, KidsPeace shall remove such person from responsibility for, or involvement with, KidsPeace's business operations related to the Federal health care programs and shall remove such person from any position for which the person's compensation or the items or services furnished, ordered, or prescribed by the person are paid in whole or part, directly or indirectly, by Federal health care programs or otherwise with Federal funds at least until such time as the person is reinstated into participation in the Federal health care programs.

4. *Pending Charges and Proposed Exclusions.* If KidsPeace has actual notice that a person identified in Section III.F.2 is charged with a criminal offense that falls within the ambit of 42 U.S.C. §§ 1320a-7(a), 1320a-7(b)(1)-(3), or is proposed for exclusion during his or her employment or contract term, KidsPeace shall take all appropriate actions to ensure that the responsibilities of that person have not and shall not adversely affect the quality of care rendered to any beneficiary, patient, or resident, or the accuracy of any claims submitted to any Federal health care program.

G. Notification of Government Investigation or Legal Proceedings.

Within 30 days after discovery, KidsPeace shall notify OIG, in writing, of any ongoing investigation or legal proceeding known to KidsPeace conducted or brought by a governmental entity or its agents involving an allegation that KidsPeace has committed a crime or has engaged in fraudulent activities. Pursuant to this obligation, KidsPeace is required to notify OIG of allegations of “abuse” that it routinely reports to appropriate State authorities only if KidsPeace discovers that a governmental law enforcement entity has undertaken a formal, criminal investigation of the allegations in question. Notifications to OIG shall include a description of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding. KidsPeace shall also provide written notice to OIG within 30 days after the resolution of the matter, and shall provide OIG with a description of the findings and/or results of the investigation or proceedings, if any.

In addition, within 15 days after notification, KidsPeace shall notify OIG, in writing, of any adverse final action taken by a Federal, State, or local Government agency or accrediting or certifying agency regarding quality of care issues. For the purposes of this section, an “adverse final action” by a licensing agency means a notice of non-licensure or of provisional licensure and by an accrediting agency (*e.g.*, JCAHO) means a revocation of accreditation or report of tentative non-accreditation; it does not include a suggestion concerning policies or procedures, or a request for a corrective action.

H. Reporting.

1. *Overpayments.*

a. Definition of Overpayments. For purposes of this CIA, an “Overpayment” shall mean the amount of money KidsPeace has

received in excess of the amount due and payable under any Federal health care program requirements for services provided by KidsPeace National Centers, Inc. or KidsPeace Hospital, Inc. For purposes of this CIA, an “Underpayment” shall mean the amount of money that would have been due and payable to KidsPeace under any Federal health care program requirements, but that KidsPeace did not receive, for services provided by KidsPeace National Centers, Inc. or KidsPeace Hospital, Inc.

b. Reporting of Overpayments. If, at any time, KidsPeace identifies or learns of any Overpayment, KidsPeace shall notify the payor (e.g., Medicare fiscal intermediary or carrier) within 30 days after identification of the Overpayment and take remedial steps within 60 days after identification (or such additional time as may be agreed to by the payor) to correct the problem, including preventing the underlying problem and the Overpayment from recurring. Also, within 30 days after identification of the Overpayment (or such additional time as may be agreed to by the payor), KidsPeace shall repay the Overpayment to the appropriate payor to the extent such Overpayment has been quantified. If not yet quantified, within 30 days after identification, KidsPeace shall notify the payor of its efforts to quantify the Overpayment amount along with a schedule of when such work is expected to be completed. Notification and repayment to the payor shall be done in accordance with the payor’s policies, and, for Medicare contractors, shall include the information contained on the Overpayment Refund Form, provided as Appendix C to this CIA. Notwithstanding the above, notification and repayment of any Overpayment amount that routinely is reconciled or adjusted pursuant to policies and procedures established by the payor should be handled in accordance with such policies and procedures.

## 2. *Reportable Events*.

a. Definition of Reportable Event. For purposes of this CIA, a “Reportable Event” means anything that involves:

- i. a substantial Overpayment; or

ii. a matter that a reasonable person would consider a probable violation of criminal, civil, or administrative laws applicable to any Federal health care program for which penalties or exclusion may be authorized; or

iii. a violation of the obligation to provide items or services of a quality that meets professionally recognized standards of health care where such violation has occurred in one or more instances and presents an imminent danger to the health, safety, or well-being of a Federal health care program beneficiary or places the beneficiary unnecessarily in high-risk situations.

A Reportable Event may be the result of an isolated event or a series of occurrences.

b. Reporting of Reportable Events. If KidsPeace determines (after a reasonable opportunity to conduct an appropriate review or investigation of the allegations) through any means that there is a Reportable Event, KidsPeace shall notify OIG, in writing, within 30 days after making the determination that the Reportable Event exists. The report to OIG shall include the following information:

i. If the Reportable Event results in an Overpayment, the report to OIG shall be made at the same time as the notification to the payor required in Section III.H.1, and shall include all of the information on the Overpayment Refund Form, as well as:

(A) the payor's name, address, and contact person to whom the Overpayment was sent; and

(B) the date of the check and identification number (or electronic transaction number) by which the Overpayment was repaid/refunded;

- ii. a complete description of the Reportable Event, including the relevant facts, persons involved, and legal and Federal health care program authorities implicated;
- iii. a description of KidsPeace's actions taken to correct the Reportable Event; and
- iv. any further steps KidsPeace plans to take to address the Reportable Event and prevent it from recurring.

#### **IV. NEW BUSINESS UNITS OR LOCATIONS**

In the event that, after the Effective Date, KidsPeace changes locations or sells, closes, purchases, transfers or establishes a new business unit or location related to the furnishing of items or services that may be reimbursed by Federal health care programs and are currently provided by KidsPeace National Centers, Inc. or KidsPeace Hospital, Inc., KidsPeace shall notify OIG of this fact as soon as possible, but no later than within 30 days after the date of change of location, sale, closure, purchase, transfer, or establishment. This provision shall include any situations where services currently provided by KidsPeace National Centers, Inc. or KidsPeace Hospital, Inc. are, during the term of the CIA, transferred to another subsidiary of KidsPeace. In the event of such a transfer, the CIA will remain applicable to the transferred services, wherever provided. This notification shall include the address of the new business unit or location, phone number, fax number, Medicare Provider number (if any), provider identification number and/or supplier number, and the corresponding contractor's name and address that has issued each Medicare number (if any). Each such new business unit or location shall be subject to all the requirements of this CIA.

#### **V. IMPLEMENTATION AND ANNUAL REPORTS**

A. Implementation Report. Within 120 days after the Effective Date, KidsPeace shall submit a written report to OIG summarizing the status of its implementation of the requirements of this CIA (Implementation Report). The Implementation Report shall, at a minimum, include:

C. Certifications. The Implementation Report and Annual Reports shall include a certification by the Compliance Officer that:

1. to the best of his or her knowledge, except as otherwise described in the applicable report, KidsPeace is in compliance with all of the requirements of this CIA;

2. he or she has reviewed the Report and has made reasonable inquiry regarding its content and believes that the information in the Report is accurate and truthful; and

D. Designation of Information. KidsPeace shall clearly identify any portions of its submissions that it believes are trade secrets, or information that is commercial or financial and privileged or confidential, and therefore potentially exempt from disclosure under the Freedom of Information Act (FOIA), 5 U.S.C. § 552. The parties agree that KidsPeace's obligation to identify "trade secrets and commercial or financial information obtained from a person and privileged and confidential," pursuant to 5 U.S.C. § 552(b)(4), does not waive or preclude the application of other appropriate exemptions from disclosure under FOIA or the assertion by KidsPeace of privilege or confidentiality under any other applicable laws. KidsPeace shall refrain from identifying any information as exempt from disclosure if that information does not meet the criteria for exemption from disclosure under FOIA.

KidsPeace hereby provides notice that it will designate its compliance disclosure log, as well as any similar document listing and describing internal compliance matters identified and or investigated by KidsPeace, as constituting a trade secret. KidsPeace provides further notice that it will designate any document, or portion of any document, in KidsPeace's possession, custody, or control that includes client-specific information confidential and thus exempt from disclosure under FOIA. KidsPeace recognizes that the OIG reserves any judgment as to whether KidsPeace's compliance log or any other document maintained by KidsPeace constitutes a trade secret or is otherwise exempt from disclosure under FOIA.

## **VII. OIG INSPECTION, AUDIT, AND REVIEW RIGHTS**

In addition to any other rights OIG may have by statute, regulation, or contract, OIG or its duly authorized representative(s) may examine or request copies of KidsPeace's books, records, and other documents and supporting materials and/or conduct on-site reviews of any of KidsPeace's locations for the purpose of verifying and evaluating: (a) KidsPeace's compliance with the terms of this CIA; and (b) KidsPeace's compliance with the requirements of the Federal health care programs in which it participates. The documentation described above shall be made available by KidsPeace to OIG or its duly authorized representative(s) at all reasonable times for inspection, audit, or reproduction. Furthermore, for purposes of this provision, OIG or its duly authorized representative(s) may interview any of KidsPeace's employees, contractors, or agents who consent to be interviewed at the individual's place of business during normal business hours or at such other place and time as may be mutually agreed upon between the individual and OIG. KidsPeace shall assist OIG or its duly authorized representative(s) in contacting and arranging interviews with such individuals upon OIG's request. KidsPeace's employees may elect to be interviewed with or without a representative of KidsPeace present.

## **VIII. DOCUMENT AND RECORD RETENTION**

KidsPeace shall maintain for inspection all documents and records relating to reimbursement from the Federal health care programs, or to compliance with this CIA, for six years (or longer if otherwise required by law).

## **IX. DISCLOSURES**

Consistent with HHS's FOIA procedures, set forth in 45 C.F.R. Part 5, OIG shall make a reasonable effort to notify KidsPeace prior to any release by OIG of information submitted by KidsPeace pursuant to its obligations under this CIA and identified upon submission by KidsPeace as trade secrets, or information that is commercial or financial and privileged or confidential, under the FOIA rules. With respect to such releases, KidsPeace shall have the rights set forth at 45 C.F.R. § 5.65(d).

**X. BREACH AND DEFAULT PROVISIONS**

KidsPeace is expected to fully and timely comply with all of its CIA obligations.

A. Stipulated Penalties for Failure to Comply with Certain Obligations. As a contractual remedy, KidsPeace and OIG hereby agree that failure to comply with certain obligations as set forth in this CIA may lead to the imposition of the following monetary penalties (hereinafter referred to as “Stipulated Penalties”) in accordance with the following provisions.

1. A Stipulated Penalty of \$2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day KidsPeace fails to establish and implement any of the following obligations as described in Section III:

- a. a Compliance Officer;
- b. a Compliance Committee;
- c. a written Code of Conduct;
- d. written Policies and Procedures;
- e. the training of Covered Persons;
- f. a Disclosure Program;
- g. Ineligible Persons screening and removal requirements; and
- h. Notification of Government investigations or legal proceedings.

2. A Stipulated Penalty of \$2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day KidsPeace fails to engage an IRO, as required in Section III.D and Appendix A.

3. A Stipulated Penalty of \$2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day KidsPeace fails to submit the

Implementation Report or the Annual Reports to OIG in accordance with the requirements of Section V by the deadlines for submission.

4. A Stipulated Penalty of \$2,500 (which shall begin to accrue on the day after the date the obligation became due) for each day KidsPeace fails to submit the annual Claims Review Report in accordance with the requirements of Section III.D and Appendix B.

5. A Stipulated Penalty of \$1,500 for each day KidsPeace fails to grant access to the information or documentation as required in Section VII. (This Stipulated Penalty shall begin to accrue on the date KidsPeace fails to grant access.)

6. A Stipulated Penalty of \$5,000 for each false certification submitted by or on behalf of KidsPeace as part of its Implementation Report, Annual Report, additional documentation to a report (as requested by the OIG), or otherwise required by this CIA.

7. A Stipulated Penalty of \$1,000 for each day KidsPeace fails to comply fully and adequately with any obligation of this CIA. OIG shall provide notice to KidsPeace, stating the specific grounds for its determination that KidsPeace has failed to comply fully and adequately with the CIA obligation(s) at issue and steps KidsPeace shall take to comply with the CIA. (This Stipulated Penalty shall begin to accrue 10 days after KidsPeace receives this notice from OIG of the failure to comply.) A Stipulated Penalty as described in this Subsection shall not be demanded for any violation for which OIG has sought a Stipulated Penalty under Subsections 1-6 of this Section.

B. Timely Written Requests for Extensions. KidsPeace may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or report required by this CIA. Notwithstanding any other provision in this Section, if OIG grants the timely written request with respect to an act, notification, or report, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until one day after KidsPeace fails to meet the revised deadline set by OIG. Notwithstanding any other provision in this Section, if OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or report shall not begin to accrue until three business days after KidsPeace receives OIG's written denial of such request or the original due date, whichever is later. A "timely written request" is defined as a request in writing received

by OIG at least five business days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. Payment of Stipulated Penalties.

1. *Demand Letter.* Upon a finding that KidsPeace has failed to comply with any of the obligations described in Section X.A and after determining that Stipulated Penalties are appropriate, OIG shall notify KidsPeace of: (a) KidsPeace's failure to comply; and (b) OIG's exercise of its contractual right to demand payment of the Stipulated Penalties (this notification is referred to as the "Demand Letter").

2. *Response to Demand Letter.* Within 10 days after the receipt of the Demand Letter, KidsPeace shall either: (a) cure the breach to OIG's satisfaction and pay the applicable Stipulated Penalties; or (b) request a hearing before an HHS administrative law judge (ALJ) to dispute OIG's determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E. In the event KidsPeace elects to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until KidsPeace cures, to OIG's satisfaction, the alleged breach in dispute. Failure to respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this CIA and shall be grounds for exclusion under Section X.D.

3. *Form of Payment.* Payment of the Stipulated Penalties shall be made by certified or cashier's check, payable to: "Secretary of the Department of Health and Human Services," and submitted to OIG at the address set forth in Section VI.

4. *Independence from Material Breach Determination.* Except as set forth in Section X.D.1.c, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for OIG's decision that KidsPeace has materially breached this CIA, which decision shall be made at OIG's discretion and shall be governed by the provisions in Section X.D, below.

D. Exclusion for Material Breach of this CIA.

1. *Definition of Material Breach.* A material breach of this CIA means:

- a. a failure by KidsPeace to report a Reportable Event, take corrective action, and make the appropriate refunds, as required in Section III.H;
- b. a repeated or flagrant violation of the obligations under this CIA, including, but not limited to, the obligations addressed in Section X.A;
- c. a failure to respond to a Demand Letter concerning the payment of Stipulated Penalties in accordance with Section X.C; or
- d. a failure to engage and use an IRO in accordance with Section III.D.

2. *Notice of Material Breach and Intent to Exclude.* The parties agree that a material breach of this CIA by KidsPeace constitutes an independent basis for the exclusion of KidsPeace National Centers, Inc. and/or KidsPeace Hospital, Inc. (or a Successor Entity under Section IV) from participation in the Federal health care programs. Upon a determination by OIG that KidsPeace has materially breached this CIA and that exclusion is the appropriate remedy, OIG shall notify KidsPeace of: (a) KidsPeace's material breach; and (b) OIG's intent to exercise its contractual right to exclude KidsPeace National Centers, Inc. and/or KidsPeace Hospital, Inc. (or a Successor Entity) (this notification is hereinafter referred to as the "Notice of Material Breach and Intent to Exclude").

3. *Opportunity to Cure.* KidsPeace shall have 30 days from the date of receipt of the Notice of Material Breach and Intent to Exclude to demonstrate to OIG's satisfaction that:

- a. KidsPeace is in compliance with the obligations of the CIA cited by OIG as being the basis for the material breach;
- b. the alleged material breach has been cured; or
- c. the alleged material breach cannot be cured within the 30-day period, but that: (i) KidsPeace has begun to take action to cure the material breach; (ii) KidsPeace is pursuing such action with due

diligence; and (iii) KidsPeace has provided to OIG a reasonable timetable for curing the material breach.

4. *Exclusion Letter.* If, at the conclusion of the 30-day period, KidsPeace fails to satisfy the requirements of Section X.D.3, OIG may exclude KidsPeace National Centers, Inc. and/or KidsPeace Hospital, Inc. (or a Successor Entity) from participation in the Federal health care programs. OIG shall notify KidsPeace in writing of its determination to exclude either or both of these subsidiaries (or a Successor Entity) (this letter shall be referred to hereinafter as the “Exclusion Letter”). Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of KidsPeace’s receipt of the Exclusion Letter. The excluded entity or entities shall also be excluded from all other Federal procurement and nonprocurement programs. Reinstatement to program participation is not automatic. After the end of the period of exclusion, KidsPeace may apply for reinstatement of the excluded entity or entities by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-3004.

#### E. Dispute Resolution

1. *Review Rights.* Upon OIG’s delivery to KidsPeace of its Demand Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under this CIA, KidsPeace shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. §1320a-7(f) and 42 C.F.R. 1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to this CIA. Specifically, OIG’s determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the HHS Departmental Appeals Board (DAB), in a manner consistent with the provisions in 42 C.F.R. §§ 1005.2-1005.21. Notwithstanding the language in 42 C.F.R. § 1005.2(c), and as shall be set forth explicitly in the text of the Demand Letter, the request for a hearing involving Stipulated Penalties shall be made within 10 days after receipt of the Demand Letter. Notwithstanding the language in 42 C.F.R. § 1005.2(c), and as shall be set forth explicitly in the text of the Exclusion Letter, the request for a hearing involving exclusion shall be made within 25 days after receipt of the Exclusion Letter.

2. *Stipulated Penalties Review.* Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this CIA shall be: (a) whether KidsPeace was in full and timely compliance with the obligations of this CIA for which OIG

demands payment; and (b) the period of noncompliance. KidsPeace shall have the burden of proving its full and timely compliance and the steps taken to cure the noncompliance, if any. OIG shall not have the right to appeal to the DAB an adverse ALJ decision related to Stipulated Penalties. If the ALJ agrees with OIG with regard to a finding of a breach of this CIA and orders KidsPeace to pay Stipulated Penalties, such Stipulated Penalties shall become due and payable 20 days after the ALJ issues such a decision unless KidsPeace requests review of the ALJ decision by the DAB. If the ALJ decision is properly appealed to the DAB and the DAB upholds the determination of OIG, the Stipulated Penalties shall become due and payable 20 days after the DAB issues its decision.

3. *Exclusion Review.* Notwithstanding any provision of Title 42 of the United States Code or Title 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this CIA shall be:

- a. whether KidsPeace was in material breach of this CIA;
- b. whether such breach was continuing on the date of the Exclusion Letter; and
- c. whether the alleged material breach could not have been cured within the 30-day period, but that: (i) KidsPeace had begun to take action to cure the material breach within that period; (ii) KidsPeace has pursued and is pursuing such action with due diligence; and (iii) KidsPeace provided to OIG within that period a reasonable timetable for curing the material breach and KidsPeace has followed the timetable.

For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to OIG, or, if the ALJ rules for KidsPeace, only after a DAB decision in favor of OIG. KidsPeace's election of its contractual right to appeal to the DAB shall not abrogate OIG's authority to exclude KidsPeace upon the issuance of an ALJ's decision in favor of OIG. If the ALJ sustains the determination of OIG and determines that exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that KidsPeace may request review of the ALJ decision by the DAB. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. KidsPeace shall waive its right to any notice of such an exclusion if a decision upholding the exclusion is rendered

by the ALJ or DAB. If the DAB finds in favor of KidsPeace, any KidsPeace entity that the ALJ has excluded shall be reinstated effective on the date of the original exclusion.

4. *Finality of Decision.* The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. Consequently, the parties to this CIA agree that the DAB's decision (or the ALJ's decision if not appealed) shall be considered final for all purposes under this CIA.

## **XI. EFFECTIVE AND BINDING AGREEMENT**

Consistent with the provisions in the Settlement Agreement pursuant to which this CIA is entered, and into which this CIA is incorporated, KidsPeace and OIG agree as follows:

- A. This CIA shall be binding on the successors, assigns, and transferees of KidsPeace (including those set forth in Section IV);
- B. This CIA shall become final and binding on the date the final signature is obtained on the CIA;
- C. Any modifications to this CIA shall be made with the prior written consent of the parties to this CIA;
- D. OIG may agree to a suspension of KidsPeace's obligations under the CIA in the event that KidsPeace National Centers, Inc. and KidsPeace Hospital, Inc. (and any applicable Successor Entity) cease participating in Federal health care programs. If KidsPeace withdraws both subsidiaries (and any applicable Successor Entity) from participation in Federal health care programs and is relieved of its CIA obligations by OIG, KidsPeace shall notify OIG at least 30 days in advance of KidsPeace's intent to reapply as a participating provider, with respect to either subsidiary (or any applicable Successor Entity), with any Federal health care program. Upon receipt of such notification, OIG shall evaluate whether the CIA should be reactivated or modified.
- E. The undersigned KidsPeace signatories represent and warrant that they are authorized to execute this CIA. The undersigned OIG signatory represents that he is signing this CIA in his official capacity and that he is authorized to execute this CIA.
