DEPARTMENT OF EDUCATION

Office of Safe and Drug-Free Schools; Overview Information; Readiness and Emergency Management for Schools; Notice Inviting Applications for New Awards for Fiscal Year (FY) 2008

Catalog of Federal Domestic Assistance (CFDA) Number: 84.184E.

Dates: Applications Available: January 8, 2008.

Deadline for Transmittal of Applications: February 19, 2008.

Deadline for Intergovernmental Review: April 18, 2008. Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: Readiness and Emergency Management for Schools (REMS) grants support efforts by local educational agencies (LEAs) to improve and strengthen their school emergency management plans, including by training school personnel and students in emergency management procedures; communicating with parents about emergency plans and procedures; and coordinating with local law enforcement, public safety, public health, and mental health agencies.

Note: The REMS program was formerly known as the "Emergency Response and Crisis Management" grant program. As indicated elsewhere in this notice, the priorities and other application requirements used for this competition are from notices that were published in the **Federal Register** when the program operated under the name "Emergency Response and Crisis Management." While the substance of those priorities and requirements remain the same, some references in the priorities and requirements have been changed in order to be consistent with the new name of the program and the terminology used in the emergency management field.

Priorities: This competition includes one absolute priority and two competitive preference priorities. The absolute priority is from (1) the notice of final priority and other application requirements for this program, published in the **Federal Register** on June 21, 2005 (70 FR 35652), and the competitive preference priorities and application requirements are from (2)

the notice of final priorities published in the **Federal Register** on May 11, 2006 (71 FR 27576).

Absolute Priority: For FY 2008 and any subsequent year in which we make awards from the list of unfunded applicants from this competition, this priority is an absolute priority. Under 34 CFR 75.105(c)(3) we consider only applications that meet this priority.

This priority is:

Improvement and Strengthening of School Emergency Management Plans.

This priority supports LEA projects to improve and strengthen emergency management plans, at the district and school-building level, addressing the four phases of emergency management: Prevention-Mitigation, Preparedness, Response, and Recovery. Plans must include: (1) Training for school personnel and students in emergency management procedures; (2) Coordination with local law enforcement, public safety, public health, and mental health agencies; and (3) A method for communicating school emergency management policies and reunification procedures to parents and guardians.

Competitive Preference Priorities: For FY 2008 and any subsequent year in which we make awards from the list of unfunded applicants from this competition, these priorities are competitive preference priorities. Under 34 CFR 75.105(c)(2)(i) we award an additional 10 points to an application that meets Priority 1 and we award an additional 5 points to an application that meets Priority 2. Applications that qualify for both Priorities 1 and 2 will receive points only under Priority 1.

These priorities are:

Priority 1—Competitive Preference Priority for LEAs That Have Not Previously Received a Grant Under the REMS Program (CFDA 84.184E) and Are Located in an Urban Areas Security Initiative Jurisdiction.

Under this priority, we give a competitive preference to applications from LEAs that (1) have not yet received a grant under this program (CFDA 84.184E) and (2) are located in whole or in part within Urban Areas Security Initiative (UASI) jurisdictions, as determined by the U.S. Department of Homeland Security (DHS). An applicant must meet both of these criteria in order to receive the competitive preference. Under a consortium application, all members of the LEA consortium need to meet both criteria to be eligible for the preference. Applications submitted by educational service agencies (ESAs) are eligible under this priority if each LEA to be served by the grant is located within a UASI jurisdiction and has not
