

Authors, Titles, Subjects in *Marine Fisheries Review*, Vol. 42, No. 1-12, 1980

Indexed here by author, title, and subject are the papers which appeared in *Marine Fisheries Review* in 1980. A list of these papers, in the order printed, appears at the end of the Index. Entries are indexed by number and page (i.e., 7:12 indicates the July number, page 12).

Anonymous notes, news articles, and regular departments are not indexed.
