I. APPLICATION INSTRUCTIONS FOR FPCA

The Federal Post Card Application (FPCA) is the primary form for requesting registration and/or an absentee ballot from your local election official. **Read all instructions printed below and on the FPCA before completing and signing your application.** Circled letters correspond to the circled letters on the sample form on the preceding page.

- A Block 2.a: If you have a suffix, you must provide it.
- Block 2.d: You are asked to fill out this box. The Department of Justice requests this information in its enforcement of the Voting Rights Act and the National Voter Registration Act. Enter the choice that best describes you from the following list. AI=American Indian or Alaskan native; AP=Asian or Pacific Islander not Native Hawaiian; B=Black, not of Hispanic Origin; H=Hispanic; M=Multi-racial; NH=Native Hawaiian; W=White, not of Hispanic Origin; O=Other.
- **Block 2.f and 2.g**: If you have a current Florida driver's license or Florida identification card you must provide the number. If you do not have a current Florida driver's license or identification card, you must provide the last four digits of your Social Security number. If you have not been issued a current driver's license or identification card number or a Social Security number, write "NONE" on the form.
- Block 3.a through 3.e: Provide the complete street address of your Florida voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. For example: "on Highway ______, 2 miles past Highway ______, across the street from the ______ gas station." This address must be different from the one provided in Block 4 and must be within the county where you claim legal voting residence.
- Block 4.a: Print the complete address where you want your absentee ballot sent usually your current mailing address. It must be different from the address you provided in Block 3.
- **Block 4.c:** See Section II.D. or III.D.
- Block 5: If you do not designate a party affiliation on Block 5 on the FPCA, you will be registered without party affiliation. Since Florida is a closed primary state this means that for primary elections a voter who registers without party affiliation is unable to vote in that election for party candidates. Only voters who are registered members of a political party may vote for their respective party's candidates in a primary election. The exception is if all candidates for an office have the same party affiliation and the winner will have no opposition in the general election, then all qualified voters, regardless of party affiliation or without party affiliation may vote in the primary election for that office. However, all qualified voters may vote for candidates in nonpartisan judicial and school board offices, nonpartisan special districts, and for local referendum issues included on a ballot in a primary election.

For a general election, all qualified voters may vote for any candidate or question that appears on their respective ballot.

If you want to change your political party affiliation, submit the

completed FPCA to the Supervisor of Elections for the county of legal residence no later than 29 days before the election.

Block 6: If you are using the FPCA to register and you have never voted, write "I have never voted". If you are using the FPCA to register and you have previously voted, provide complete information on where you last registered and voted.

Submission of this form serves as a request to receive ballots for all Federal elections held through the next two regularly scheduled general elections. If you do not wish to receive ballots for that length of time, you may request a ballot for each election for Federal office held in the next election year OR a ballot for only the next scheduled election for Federal office by noting your choice here.

Block 7: You must sign and date the FPCA. If you are using the FPCA to register, read the following oath before signing, "I do solemnly swear (or affirm) that I will protect and defend the Constitution of the United States and the Constitution of the State of Florida, that I am qualified to register as an elector under the Constitution and laws of the State of Florida, and that all information provided in this application is true." Any person who willfully swears or affirms falsely to any oath or affirmation commits a felony under s. 104.011, Florida Statutes.

II. UNIFORMED SERVICES

These procedures apply to persons who are U.S. citizens, residents of Florida and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

A. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter Two).

To register and request an absentee ballot, your completed registration must be received by the Supervisor of Elections not later than 29 days before the election.

If you are already registered and only wish to request an absentee ballot, send a completed FPCA or other written correspondence with your date of birth to the Supervisor of Elections so that it arrives not later than 5 p.m. on the sixth day before the election. Alternatively, you may request ballots for the primary and general elections from the county supervisor by telephone, facsimile, or email.

B. Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive by **7 p.m. on election day.** If you are voting from outside the U.S., the Federal portion of your general election or presidential preference primary ballot will be counted if voted by the day of the election and received within **10**

days following the election. There is a presumption that the ballot was mailed on the date stated on the outside of the return envelope, regardless of the absence of a postmark or the existence of a postmark date that is later than election day.

If you reside in the U.S., local election officials will mail you your ballot as soon as the ballots are available.

If you are outside the U.S., local election officials will mail your absentee ballot to you approximately 35 days before the Presidential Preference Primary and the Primary Election, and 45 days before the General Election. Always vote and return each ballot regardless of when you receive it.

If you have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot.** See instructions in Chapter Two.

C. Notary/Witness Requirements

FPCA: If you are applying for registration in Florida, you must read the oath under Application Instructions, Section I.I before signing. No notary or witness to your signature on the FPCA is required.

Returning a Ballot: No notary or witness required.

D. Electronic Transmission of FPCAs and Ballots

- Florida allows overseas Uniformed Services members to send the FPCA for ballot request by fax. You may not submit the FPCA for registration by fax.
- Florida allows overseas Uniformed Services members to receive the blank ballot by fax or email.
- Florida allows overseas Uniformed Services members to return the voted ballot to the fax number provided by the local Supervisor of Elections.

Please refer to Appendix B for specific instructions when transmitting election materials electronically. **Use the following numbers:**

DSN 223-5527 (703) 693-5527

1-800-368-8683

(from U.S., Canada, Guam, Puerto Rico, Virgin Islands only)

International toll-free fax numbers (See inside back cover)

E. State Write-In Absentee Ballot

An overseas voter may request a state write-in ballot not earlier than 180 days before a general election from the Supervisor of Elections in the county of registration. The voter will need to state that due to military or other contingencies that preclude normal mail delivery, the voter cannot vote an absentee ballot during the normal absentee voting period. State write-in absentee ballots shall be available 90 to 180 days prior to a general election.

The FPCA may be used to request this state special write-in ballot. Write in **Block 6 of the FPCA:** "Due to military or other contingencies that preclude normal mail delivery, I cannot vote an absentee ballot during the normal voting period. I request a special write-in absentee ballot."

F. In-Person Voting

You may vote in-person even after requesting an absentee ballot if you have not returned a voted ballot.

G. Bars to Registration and Voting

Persons convicted of a felony and whose civil rights have not been restored or persons adjudicated as mentally incapacitated with respect to voting and who have not had their right to vote restored may not register or vote.

H. Cancellation of Registration

Periodically, supervisors of elections will send address confirmation notices to voters where the post office has indicated that these voters have moved outside the supervisor's county or left no forwarding address. All voters who have been mailed an address confirmation notice and who do not return the form within 30 days will be placed on the inactive voter registration list. Voters on the inactive list can be reinstated by updating their voter registration, appearing to vote, or requesting an absentee ballot. However, after two general elections for Federal office from the date the notice was sent, all inactive voters who show no activity will be removed from the registration records and must reregister to regain their voting privilege.

I. Action on Registration Requests

Registered voters are sent a voter information card.

J. Action Upon Denial of Registration or Absentee Ballot Request

If your voter registration application or absentee ballot request is denied, Florida shall provide you with the reason(s) for the rejection. Persons denied registration should consult a legal assistance officer or civilian counsel.

K. Late Registration

If an individual or accompanying family member is discharged or separated from the Uniformed Services, merchant marine, or from employment outside the territorial limits of the United States any time after the books are closed for an election, such person may still register in the office of the Supervisor of Elections up until 5 p.m. on the Friday before that election day. Sufficient documentation showing evidence of qualifying for late registration must be shown.

III. CIVILIANS OUTSIDE U.S.

These procedures apply to persons who are U.S. citizens, residents of Florida and overseas citizens. The term "overseas citizen" means a U.S. citizen who resides outside the U.S. and (but for such residence) would be qualified to vote in Florida.

A. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter Two).

To register and request an absentee ballot, your completed registration must be received by the Supervisor of Elections no later than 29 days before the election.

If you are already registered and only wish to request an absentee ballot, send a completed FPCA or other written correspondence with your date of birth to the Supervisor of Elections so that it arrives not later than 5 p.m. on the sixth day before the election.
