I. APPLICATION INSTRUCTIONS FOR FPCA

The Federal Post Card Application (FPCA) is the primary form for requesting registration and/or an absentee ballot from your local election official. **Read all instructions printed below and on the FPCA before completing and signing your application.** Circled letters correspond to the circled letters on the sample form on the preceding page.

Block 2.f and 2.g: Your South Dakota Driver's License number is required for voter registration. If you do not have a South Dakota driver's license number then you must give the last four digits of your Social Security number. If you do not possess either of these identifications, the voter may only register at the County Auditor's office and shall sign a statement of such fact.

Block 3.a through 3.e: Provide the complete street address of your South Dakota voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. For example: "on Highway _____, 2 miles past Highway _____, across the street from the _____ gas station." This address must be different from the one provided in Block 4 and must be within the county where you claim legal voting residence.

Block 4.a: Print the complete address where you want your ballot sent — usually your current mailing address. It must be different from the address you provided in Block 3.

D Block 4.c: This form acts as a request for a mailed absentee ballot only. South Dakota does not allow you to receive or return the absentee ballot electronically. See Section II.D. or III.D.

Block 5: If you do not list a party affiliation, you cannot vote in primary elections. You must indicate your political party affiliation when applying for a primary ballot (Example: Democrat, Republican) or write "none" in Block 5 of the FPCA. Political party choice is not required if only requesting absentee ballots for general elections. If you are currently registered and want to change your political party affiliation or you have previously declined to indicate a political party and you now want to vote in a primary election, you must submit a completed FPCA which includes your new political party choice to the local County Auditor.

Block 6: Submission of this form serves as a request to receive ballots for all Federal elections held through the next two regularly scheduled general elections. If you do not wish to receive ballots for that length of time, you may request a ballot for each election for Federal office held in the next election year OR a ballot for only the next scheduled election for Federal office by noting your choice here

Block 7: Absentee ballot applications must be notarized by a notary public or other person authorized to

administer oath. Instead of a notarized signature, you may provide a photo copy of your valid ID. An acceptable ID is: A South Dakota Drivers License or non-driver ID card; a passport or other picture ID issued by the U.S. government; a tribal photo ID; a current student photo ID issued by a South Dakota high school or postsecondary education institution. If the absentee ballot request is from an overseas citizen, it does not need to be notarized or submitted with a copy of an ID.

II. UNIFORMED SERVICES

These procedures apply to persons who are U.S. citizens, residents of South Dakota and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

A. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter Two). However, a separate FPCA is needed for school or municipal elections.

To register and request an absentee ballot, send a completed FPCA to the local County Auditor so that it arrives not later than 15 days before the election.

If you are already registered and only wish to request an absentee ballot, send a completed FPCA to the local County Auditor anytime before the election.

B. Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive at the local elections office in time to be delivered to the Superintendent of Elections of the voter's home precinct prior to the close of the polls.

Local election officials mail ballots within 48 hours after receiving your request, or as soon as ballots are available (six weeks before any primary or general election).

If you have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot.** See instruction in Chapter Two.

C. Notary/Witness Requirements

Uniformed Services Voters: Stateside - Absentee ballot applications must be notarized by a notary public or other person authorized to administer an oath. Instead of a notarized signature, you may provide a photo copy of your valid ID. An acceptable ID is: A South Dakota Drivers License or non-driver ID card; a passport or other picture ID issued by the U.S. government; a tribal photo ID; a photo ID issued by a South Dakota postsecondary education institution.

Uniformed Services Voters: Overseas - If the absentee ballot request is from an overseas citizen, it does not need to be notarized or submitted with a copy of an ID.
