# I. APPLICATION INSTRUCTIONS FOR FPCA

The Federal Post Card Application (FPCA) is the primary form for requesting registration and/or an absentee ballot from your local election official. **Read all instructions printed below and on the FPCA before completing and signing your application.** Circled letters correspond to the circled letters on the sample form on the preceding page.

- A Block 2.d: Optional. You are requested to fill out this box. This information is requested from some states by the Department of Justice in its enforcement of the Voting Rights Act and the National Voter Registration Act. Enter the choice that best describes you from the following list: AI=American Indian or Alaskan Native; AP=Asian or Pacific Islander not Native Hawaiian; B=Black, not of Hispanic Origin; H=Hispanic; M=Multi-racial; NH=Native Hawaiian; W=White, not of Hispanic Origin; O=Other.
- **Block 2.f:** Your full Social Security number is required. Social Security number, if any, is required for purpose of identification and to avoid duplicate registration. If you do not have a Social Security number, write "none" in place of the Social Security number.
- Block 3.a through 3.e: Provide the complete street address of your Tennessee voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. For example: "on Highway \_\_\_\_\_\_, 2 miles past Highway \_\_\_\_\_\_, across the street from the \_\_\_\_\_\_ gas station." This address must be different from the one provided in Block 4 and must be within the county or township where you claim legal voting residence.
- **Block 4.a:** Print the complete address where you want your ballot sent usually your current mailing address. It must be different from the address you provided in Block 3.
- Block 4.c: This form acts as a request for a mailed absentee ballot only. Tennessee does not allow you to receive or return the absentee ballot electronically. See Section II.D. or III.D.
- Block 5: If you do not list a political party affiliation, you cannot vote in primary elections. You must indicate your political party affiliation when applying for a primary ballot (Example: Democrat, Republican) or write "none" in Block 5 of the FPCA. Political party choice is not required if only requesting absentee ballots for general elections.
- **Block 6:** Submission of this form serves as a request to receive ballots for all Federal elections held through the next two regularly scheduled general elections. If you do not wish to receive ballots for that length of time, you may request a ballot for each election for Federal office held in the next election year OR a ballot for only the next scheduled election for Federal office by noting your choice here.

- **Block 7:** Sign and date the FPCA. When signing, you are swearing or affirming under penalty of perjury that the information is true and correct.
- Block 7: If an absentee applicant or voter requires assistance, one person must witness the assistance given in completing the FPCA or ballot.

# II. UNIFORMED SERVICES

These procedures apply to persons who are U.S. citizens, residents of Tennessee and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

# A. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter Two).

To register temporarily and request an absentee ballot, send a completed FPCA to the county election commission during the same calendar year as the election(s), so that it arrives not earlier than January 1 (or 90 days before an election if the election is held less than 90 days after January 1) and not later than seven days before the election.

Alternatively, send a written request for temporary registration and an absentee ballot to the local county election commission. This written request must include your name, Social Security number, date of birth, the address you claim as your legal voting residence, and your current mailing address (where you want the ballot to be sent), and must be signed under penalty of perjury that the information is true, correct and that you are eligible to vote in the election.

**To register permanently,** submit a completed FPCA, along with a Federal Voter Registration Form or you may visit **tennessee.gov/sos/election/ss-3010.pdf** and download Tennessee's voter registration form. Have the form postmarked at least 30 days before the election and return it to the local county election commission.

If you are permanently registered and only wish to request an absentee ballot, send a completed FPCA to the county election commission so that it arrives not earlier than January 1 (or 90 days before an election if the election is held less than 90 days after January 1) and not later than seven days before the election. Or you may send a letter that contains your name, residential address, Social Security number, address where to mail ballot outside of the county, the election that you plan to participate in, the reason for

voting absentee and your signature to the county election commission office not later than seven days before the election.

## **B.** Casting Your Vote

**Ballot Return Deadline:** Voted ballot must arrive by the close of polls on election day.

Local election officials mail absentee ballots approximately 45 days before the election. Once a ballot is mailed to the voter, the voter must vote by mail.

If you have not received your requested state ballot in a timely manner, use the **Federal Write-In Absentee Ballot.** See instructions in Chapter Two.

# C. Notary/Witness Requirements

No registration or voting materials are notarized or witnessed. However, if the applicant required assistance, one person must witness the assistance given in completing the FPCA or ballot.

# D. Electronic Transmission of FPCAs and Ballots

- Tennessee allows you to send the FPCA to temporarily register and request an absentee ballot by fax. After faxing, submit the FPCA by mail.
- Tennessee does not allow you to receive the blank ballot by fax.
- Tennessee does not allow you to return the voted ballot by fax.

Please refer to Appendix B for specific instructions when transmitting election materials electronically. **Use the following numbers:** 

DSN 223-5527 (703) 693-5527

1-800-368-8683

(from U.S., Canada, Guam, Puerto Rico, Virgin Islands only)

International toll-free fax numbers (See inside back cover)

#### E. Special Write-In Absentee Ballot

State law generally provides that no later than forty-five (45) days before an election, the county election commission shall mail a special write-in absentee ballot and list of candidates to all Armed Forces personnel who as of that date have made a valid application for a ballot. This special write-in absentee ballot is sent when the regular absentee ballot has not been printed or is not ready for distribution. After requesting an official absentee ballot, Armed Forces personnel who feel that due to requirements of military service this may not be a sufficient amount of time to receive and then return the voted ballot may also use the Federal Write-In Absentee Ballot referred to in the last paragraph of Section II.B. above. If both ballots are

received prior to the close of the polls on election day, the county election commission will count the ballot it provided to the voter.

### F. Bars to Registration and Voting

Persons convicted of a felony may not register or vote unless voting rights have been reinstated.

# G. Cancellation of Registration

Temporary registration is canceled **after two November elections following the date** for which a ballot is requested.

Permanent registration is canceled for changing voting residence outside county of residence, changing name for reason other than marriage, or conviction of a felony.

### H. Moving to Different Address

Persons moving to a different address must provide the county election commission with the new address to assure prompt receipt of election materials.

## I. Action on Registration Requests

Upon denial of your voter registration application or absentee ballot request, Tennessee shall provide you with the reason(s) for the rejection.

### J. Action If Registration Is Denied

Persons denied registration may appeal to the county election commission within ten (10) days from the date of rejection. Consult a legal assistance officer or civilian counsel.

### K. Voting By Citizens Who Have Never Lived in the U.S.

A U.S. citizen who was born abroad and who is eligible to vote and who has never lived in the U.S. may register temporarily and vote in the county where a parent would be eligible to temporarily register and vote pursuant to this action.

# III. CIVILIANS OUTSIDE U.S.

These procedures apply to persons who are U.S. citizens, residents of Tennessee and overseas citizens. The term "overseas citizen" means a U.S. citizen who resides outside the U.S. and (but for such residence) would be qualified to vote in Tennessee.

- residents of Tennessee temporarily residing outside the U.S. (for local, state and Federal office ballots)
- overseas citizens
- U.S. citizens who have never resided in the U.S. but have a parent who is eligible to vote in Tennessee.
   These citizens are eligible to vote at the same voting

residence claimed by their parent

# A. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter Two).

To register temporarily and request an absentee ballot, send a completed FPCA to the county election commission during the same calendar year as the election(s), so that it arrives not earlier than January 1 (or 90 days before an election if the election is held less than 90 days after Jan. 1) and not later than seven days before the election.

Alternatively, send a written request for temporary registration and an absentee ballot to the local county election commission. This written request must include your name, Social Security number, date of birth, the address you claim as your legal voting residence, and your current mailing address (where you want the ballot to be sent), and must be signed under penalty of perjury that the information is true, correct and that you are eligible to vote in the election.

**To register permanently,** submit a completed FPCA, along with a Federal Voter Registration Form or you may visit **tennessee.gov/sos/election/ss-3010.pdf** and download Tennessee's voter registration form. Have the form postmarked at least 30 days before the election and return it to the local county election commission.

If you are already permanently registered and only wish to request an absentee ballot, send a completed FPCA to the county election commission so that it arrives not earlier than January 1 (or 90 days before an election if the election is held less than 90 days after January 1) and not later than seven days before the election. Or you may send a letter that contains your name, residential address, Social Security number, address where to mail ballot outside of the county, the election that you plan to participate in, the reason for voting absentee and your signature to the county election commission office no later than seven days before the elections.

## **B.** Casting Your Vote

**Ballot Return Deadline:** Voted ballot must arrive by **close of polls on election day.** 

Local election officials mail absentee ballots approximately 45 days before the election. Once a ballot is mailed to the voter, the voter must vote by mail.

If you have not received your requested state ballot in a timely manner, use the **Federal Write-In Absentee Ballot.** See instructions in Chapter Two.

# C. Notary/Witness Requirements

No registration or voting materials are notarized or witnessed. However, if the applicant required assistance, one person must witness the assistance given in completing the FPCA or ballot.

# D. Electronic Transmission of FPCAs and Ballots

- Tennessee allows you to send the FPCA to temporarily register and request an absentee ballot by fax. After faxing, submit the FPCA by mail.
- Tennessee does not allow you to receive the blank ballot by fax.
- Tennessee does not allow you to return the voted ballot by fax.

Please refer to Appendix B for specific instructions when transmitting election materials electronically. **Use the following numbers:** 

DSN 223-5527 (703) 693-5527

1-800-368-8683

(from U.S., Canada, Guam, Puerto Rico, Virgin Islands only)

International toll-free fax numbers (See inside back cover)

### E. Special Write-In Absentee Ballot

State law generally provides that no later than forty-five (45) days before an election, the county election commission shall mail a special write-in absentee ballot and list of candidates to all overseas citizens who as of that date have made a valid application for a ballot. This special write-in absentee ballot is sent when the regular absentee ballot has not been printed or is not ready for distribution. After requesting an official absentee ballot, overseas citizens who feel that there may not be a sufficient amount of time to receive and then return the voted ballot may also use the Federal Write-In Absentee Ballot referred to in the last paragraph of Section III.B. above. If both ballots are received prior to the close of the polls on election day, the county election commission will count the ballot it provided to the voter.

# F. Bars to Registration and Voting

Persons convicted of a felony may not register or vote unless voting rights have been reinstated.

#### G. Cancellation of Registration

Temporary registration is canceled **after two November elections following the date** for which a ballot is requested.

Permanent registration is canceled for changing voting residence outside county of residence, changing name for reason other than marriage, or conviction of a felony.

# **H. Moving to Different Address**

Persons moving to a different address must provide the county election commission with the new address to assure prompt receipt of election materials.

### I. Action on Registration Requests

Upon denial of your voter registration application or absentee ballot request, Tennessee shall provide you with the reason(s) for the rejection.

### J. Action If Registration Is Denied

Persons denied registration may appeal to the county election commission within ten (10) days from the date of rejection. Consult a legal assistance officer or civilian counsel.

# K. Voting By Citizens Who Have Never Lived in the U.S.

A U.S. citizen who was born abroad and who is eligible to vote and who has never lived in the U.S. may register temporarily and vote in the county where a parent would be eligible to temporarily register and vote pursuant to this action.

# IV. UNIFORMED SERVICES & CIVILIANS OUTSIDE U.S.

### Where To Send It

Mail the FPCA to the **County Election Commission**, county of voting residence, as listed below:
