

Subject: animal testing is not necessary!
Date: Tuesday, June 5, 2007 1:45 PM
From: Jennifer Plasch

Please know that cruelty inflicted on any living creature is not only inhumane, it is absolutely unnecessary in today's world. There are so many alternative and MORE reliable ways to test products and surgeries.

I urge you to embrace the alternatives and end this needless suffering. It is within your power.

Sincerely,

Jennifer L. Plasch

"We are what we think. All that we are arises with our thoughts. With our thoughts we make the world."

-The Buddah
