#### I. APPLICATION INSTRUCTIONS FOR FPCA

The Federal Post Card Application (FPCA) is the primary form for requesting registration and/or an absentee ballot from your local election official. **Read all instructions printed below and on the FPCA before completing and signing your application.** Circled letters correspond to the circled letters on the sample form on the preceding page.

- Block 2.f and 2.g: The last four digits of your Social Security number <u>OR</u> your Michigan Driver's License number is required for voter registration. If you do not possess either of these identifications, Michigan shall assign a number that will serve to identify you for voter registration purposes.
- **B** Block 2.h through 2.j: Provide an email address that you can access and/or a phone number (including all country and local prefixes) at which you can be reached for use in contacting you in a timely manner in the event that there is a question regarding your application.
- Block 3.a through 3.e: Provide the complete street address of your Michigan voting residence. A post office box is not sufficient. If your address includes a rural route number, describe its location in Block 6. For example: "on Highway \_\_\_\_\_\_, 2 miles past Highway \_\_\_\_\_\_, across the street from the \_\_\_\_\_ gas station." This address must be different from the one provided in Block 4 and must be within the city or township where you claim legal voting residence.
- **Block 4.a:** Print the complete address where you want your ballot sent usually your current mailing address. It must be different from the address you provided in Block 3.
- Block 4.c: This form acts as a request for a mailed absentee ballot only. Michigan does not allow you to receive or return the absentee ballot electronically. See Section II.D. or III.D.
- Block 6: Submission of this form serves as a request to receive ballots for all Federal elections held through the next two regularly scheduled general elections. If you do not wish to receive ballots for that length of time, you may request a ballot for each election for Federal office held in the next election year OR a ballot for only the next scheduled election for Federal office by noting your choice here.
- **G** Block 7: You must sign the FPCA. When signing, you are swearing or affirming the information is true and correct.

#### **II. UNIFORMED SERVICES**

These procedures apply to persons who are U.S. citizens, residents of Michigan and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

## A. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter Two).

**To request an absentee ballot if already registered,** send a completed FPCA or handwritten letter to the City or Township Clerk so that it arrives not later than the Saturday before the election.

To request an absentee ballot and you are not registered, send a completed FPCA or handwritten letter to the City or Township Clerk so that it arrives not later than the Saturday before the election. However, a completed FPCA or state registration form must be received by the City or Township Clerk by election day in order for the ballot to be counted.

You will receive ballots for all Federal elections held through the next two regularly scheduled general elections. Uniformed Service members overseas, in addition, will receive a ballot for every election in their jurisdiction through the balance of the calendar year the request was received unless otherwise noted on the application. Be sure to provide your election official with your up-to-date mailing address.

#### **B.** Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive at the City or Township Clerk **before the close of polls on election day.** 

Local election officials mail absentee ballots 45 days before the primary and general elections.

If you have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot.** See instructions in Chapter Two.

#### C. Notary/Witness Requirements

No registration or voting materials are notarized or witnessed.

## D. Electronic Transmission of FPCAs and Ballots

- Michigan allows you to send the FPCA for registration and absentee ballot by fax. After faxing, submit the FPCA by mail.
- Michigan does not allow you to receive the blank ballot by fax.
- Michigan does not allow you to return the voted ballot by fax.
