I. APPLICATION INSTRUCTIONS FOR FPCA

The Federal Post Card Application (FPCA) is the primary form for requesting registration and/or an absentee ballot from your local election official. **Read all instructions printed below and on the FPCA before completing and signing your application.** Circled letters correspond to the circled letters on the sample form on the preceding page.

- A Block 2.d: You are requested to fill out this box. This information is requested from some states by the Department of Justice in its enforcement of the Voting Rights Act and the National Voter Registration Act. Enter the choice that best describes you from the following list: AI = American Indian or Alaskan Native; AP = Asian or Pacific Islander not Native Hawaiian; B = Black, not of Hispanic Origin; H = Hispanic; M = Multi-racial; NH = Native Hawaiian; W = White, not of Hispanic Origin; O = Other.
- Block 2.f and 2.g: The last four digits of your Social Security number <u>OR</u> your Alabama Driver's License number is required for voter registration. If you do not possess either of these identifications, the state shall assign a number that will serve to identify you for voter registration purposes.
- **Block 3.a through 3.e:** Provide the complete street address of your Alabama voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. For example: "on Highway ______, 2 miles past Highway ______, across the street from the _____ gas station."
- **Block 4.a:** Print the complete address where you want your ballot sent usually your current mailing address.
- Block 4.c: This form acts as a request for a mailed absentee ballot only. Alabama does not allow you to receive or return the absentee ballot electronically. See Section II.D. or III.D.
- Block 5: If you do not list a party affiliation, you cannot vote in primary elections. You must indicate your political party affiliation when applying for a primary ballot (Example: Democrat, Republican) or write "none" in Block 5 of the FPCA. Political party affiliation is not required if only requesting absentee ballots for general elections.
- **©** Block 6: Submission of this form serves as a request to receive ballots for all Federal elections held through the next two regularly scheduled general elections. If you do not wish to receive ballots for that length of time, you may request a ballot for each election for Federal office held in the next election year OR a ballot for only the next

scheduled election for Federal office by noting your choice here

Block 7: You must sign and date the FPCA. When signing, you are swearing or affirming that the information is true and correct.

II. UNIFORMED SERVICES

These procedures apply to persons who are U.S. citizens, residents of Alabama and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

A. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter Two).

To register and apply for an absentee ballot, send a completed FPCA so that it arrives not later than ten days before the election.

If you are registered and only wish to request an absentee ballot, send a completed FPCA so that it arrives not less than five days before the election.

B. Casting Your Vote

Ballot Return Deadline: An absentee ballot returned by mail must be postmarked no later than the day prior to the election. The absentee ballot must be received by the absentee election manager by noon on election day if the ballot is mailed.

Absentee ballots in the primary runoff may be postmarked up to election day. These ballots may be accepted up to seven days after the election.

Local absentee election managers begin mailing ballots 40 days before an election.

If you have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot.** See instructions in Chapter Two.

C. Notary/Witness Requirements

FPCA: No notary or witness required.

Returning a Ballot: The absentee ballot return envelope contains an affidavit which must be sworn to before a commissioned officer, notary or other person authorized to administer oaths, or two witnesses (18 years or older).

D. Electronic Transmission of FPCAs and Ballots

Alabama does not allow electronic transmission of the FPCA, the blank absentee ballot or the voted absentee ballot.

E. Bars to Registration and Voting

Persons convicted of a disqualifying felony (unless civil rights restored), or judged mentally incompetent (unless disabilities removed) may not register or vote.

F. Cancellation of Registration

Persons may be stricken from the voter list if they no longer possess the qualifications for voting.

G. Action on Registration Requests

A registration certificate is sent.

H. Action Upon Denial of Registration or Absentee Ballot Request

Upon denial of your voter registration application or absentee ballot request, Alabama shall provide you with the reason(s) for the rejection. Persons denied registration may appeal to the circuit court. Consult a legal assistance officer or civilian counsel for assistance.

III. CIVILIANS OUTSIDE U.S.

These procedures apply to persons who are U.S. citizens and residents of Alabama, or overseas electors. The term "overseas elector" means a U.S. citizen who resides outside the U.S. and (but for such residence) would be qualified to vote in Alabama.

- persons employed or studying outside the U.S. (for local, state and Federal office ballots)
- spouses and dependents of the above (for local, state and Federal office ballots)
- overseas electors (for Federal office ballots only)
