I. APPLICATION INSTRUCTIONS FOR FPCA

The Federal Post Card Application (FPCA) is the primary form for requesting registration and/or an absentee ballot from your local election official. **Read all instructions printed below and on the FPCA before completing and signing your application.** Circled letters correspond to the circled letters on the sample form on the preceding page.

Block 2.f and 2.g: The last four digits of your Social Security number OR your Idaho Driver's License number is required for voter registration. If you do not possess either of these identifications, Idaho shall assign a number that will serve to identify you for voter registration purposes.

Block 3.a through 3.e: Provide the complete street address of your Idaho voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. For example: "on Highway _____, 2 miles past Highway _____, across the street from the _____ gas station." This address must be within the county or township where you claim legal voting residence.

Block 4.a: Print the complete address where you want your ballot sent — usually your current mailing address.

Block 4.c: See Section II.D. or III.D.

Block 6: List any place where you have been previously registered to vote or have voted. If none, write "I have never voted." Submission of this form serves as a request to receive ballots for all Federal elections held through the next two regularly scheduled general elections. If you do not wish to receive ballots for that length of time, you may request a ballot for each election for Federal office held in the next election year OR a ballot for only the next scheduled election for Federal office by noting your choice here.

Block 7: You must sign and date the FPCA. When signing, you are swearing or affirming that the information is true and correct.

II. UNIFORMED SERVICES

These procedures apply to persons who are U.S. citizens, residents of Idaho and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

A. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter Two). **To register and request an absentee ballot,** your FPCA must be postmarked by the 25th day before the election.

If you are already registered and only wish to request an absentee ballot, the County Clerk must receive your FPCA or a written application requesting a ballot by 5:00 p.m. on the 6th day before the election.

If you send a written application, you must provide your name as registered, your voting residence address, county, and the address to which the absentee ballot should be sent. The written application must be signed.

B. Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive at the local election office by **8:00 p.m. on election day.**

Local election officials mail ballots approximately 35-40 days before the primary election and 45 days before the general election.

If you have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot.** See instructions in Chapter Two.

C. Notary/Witness Requirements

No registration or voting materials are notarized or witnessed.

D. Electronic Transmission of FPCAs and Ballots

- Idaho allows you to send the FPCA or a written application for absentee ballot requests by fax or email. You may not submit the FPCA for registration by fax or email.
- Idaho allows you to receive the blank ballot by fax.
- In certain emergency situations, Idaho may allow you to return the blank ballot by fax or email.

F. Cancellation of Registration

Registration is canceled for failure to vote in at least one primary or general election in the past four years.

G. Action Upon Denial of Registration or Absentee Ballot Request

III. CIVILIANS OUTSIDE U.S.
