### I. APPLICATION INSTRUCTIONS FOR FPCA

The Federal Post Card Application (FPCA) is the primary form for requesting registration and/or an absentee ballot from your local election official. **Read all instructions printed below and on the FPCA before completing and signing your application.** Circled letters correspond to the circled letters on the sample form on the preceding page.

- A Block 2.f and 2.g: Provide your Indiana driver's license number as issued by the Indiana Bureau of Motor Vehicles. If you do not have an Indiana driver's license, provide the last four digits of your Social Security number. If you do not possess either of these identifications, the State shall assign a number that will serve to identify you for voter registration purposes.
- Block 3.a through 3.e: Provide the complete street address of your Indiana voting residence. A post office box is not sufficient. If your address includes a rural route or star route or if you were a homeless or mobile voter, describe the location of this address in Block 6. For example: "on Highway \_\_\_\_\_, 2 miles past Highway \_\_\_\_\_, across the street from the \_\_\_\_\_ gas station." This address must be different from the one provided in Block 4 and must be within the county where you claim legal voting residence.
- **Block 4.a:** Print the complete address where you want your ballot sent usually your current mailing address. It must be different from the address you provided in Block 3.
- **Block 4.c:** See Section II.D. or III.D.
- **B**lock 5: If you do not list a party affiliation, you cannot vote in primary elections. You must indicate your political party affiliation when applying for a primary ballot. (Example: Democrat, Republican) or write "none" in Block 5 of the FPCA. Political party affiliation is not required if you request absentee ballots only for general elections, school board elections or public questions voted the same day as the primary election. If you are currently registered and want to change your political party choice or you have previously declined to indicate a political party and you now want to vote in a primary election, you must submit a completed FPCA which includes your new political party choice to the local election official not later than 29 days before the election. Under some circumstances, your completed FPCA including a new political party choice may be processed if it arrives not later than 10 days before the primary election.
- Block 6: Submission of this form serves as a request to receive ballots for all Federal elections held through the next two regularly scheduled general elections. If you do not wish to receive ballots for that length of time, you may

request a ballot for each election for Federal office held in the next election year OR a ballot for only the next scheduled election for Federal office by noting your choice here.

**G** Block 7: You must sign and date the FPCA. When signing, you are swearing or affirming that the information is true and correct.

## **II. UNIFORMED SERVICES**

These procedures apply to persons who are U.S. citizens, residents of Indiana and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration. The provisions also apply to members of the Indiana National Guard deployed or on assignment outside Indiana and their family members.

## A. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter Two).

To register and request an absentee ballot, send a completed FPCA to the clerk of the local circuit court so that it arrives not later than 29 days before the election. Under some circumstances, your registration may be processed if it arrives not later than 10 days before the election.

If you are already registered and only wish to request an absentee ballot, send a completed FPCA to the clerk of the local circuit court so that it arrives not later than 8 days before the election.

#### **B.** Casting Your Vote

Ballot Return Deadline: A voted ballot must arrive at the local circuit court clerk in time for the clerk to deliver the ballot to the appropriate precinct election board (for counting) before the close of polls on election day. It is recommended that you return your voted ballot so that it arrives by the Saturday before the election.

Local election officials mail ballots beginning 45 days before primary and general elections, 38 days before presidential elections, and 32 days before special elections.

If you have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot.** See instructions in Chapter Two and Section II.E.

#### C. Notary/Witness Requirements

No registration or voting materials are sworn to or witnessed. By signing a registration form, you are swearing that "to the best of my belief and knowledge, I am a U.S. citizen, at least 18 years of age, and have resided in the precinct for 30 days."

## D. Electronic Transmission of FPCAs and Ballots

- Indiana allows you to send the FPCA for registration and absentee ballot by fax. After faxing, submit the FPCA by mail.
- Indiana allows you to receive the blank ballot by fax.
- Indiana allows you to return the voted ballot by fax.

Please refer to Appendix B for specific instructions when transmitting election materials electronically. Use the following numbers:

DSN 223-5527 (703) 693-5527

1-800-368-8683

(from U.S., Canada, Guam, Puerto Rico, Virgin Islands only)

International toll-free fax numbers (See inside back cover)

Indiana will allow you to receive and return an absentee ballot by electronic mail if:

- (1) you do so under a program authorized and administered by the Federal Voting Assistance Program, and
- (2) the message includes a scanned copy of your signature on a waiver of ballot secrecy.

#### E. Special Write-In Absentee Ballot

Indiana provides a state special write-in absentee ballot available not earlier than the first Monday in June and not later than 45 days before a general election if you are outside the U.S. on general election day. This ballot is available if you cannot vote and return a regular absentee ballot by normal mail delivery.

This ballot includes statewide offices and state public questions. Vote this ballot by writing in the name of a political party or the name of a candidate for each office and by checking "yes" or "no" on the public questions.

Use the FPCA to request this state special write-in absentee ballot. All normal deadlines apply. The regular absentee ballot will be mailed to you as soon as it is available. **Vote and return all ballots you receive.** The state special write-

in absentee ballot will be voided if local election officials timely receive your regular absentee ballot.

#### F. Bars to Registration and Voting

Persons currently imprisoned following conviction for a crime are prohibited from registering or voting.

#### G. Cancellation of Registration

Registration is canceled upon receipt of written request for cancellation by the voter.

#### H. Action on Registration Requests

Separate notice of registration is sent by the county voter registration officer following processing of your application.

#### I. Action If Registration Is Denied

Upon denial of your voter registration application or absentee ballot request, the county voter registration office shall provide you with the reason(s) for the rejection. Specific appeal procedures exist for denial of registration. Consult a legal assistance officer or civilian counsel.

#### J. Late Registration

An absent Uniform Services voter (or the voter's spouse or dependent) may apply to register to vote after registration closes and the poll list is printed until noon election day if the voter:

- is otherwise entitled to vote in Indiana;
- was absent from Indiana during the previous registration period;
- shows the county registration office a discharge dated on or after the beginning of the preceding registration period or a government movement order with a reporting date on or after the beginning of the preceding registration period;
- completes a registration application;
- signs an affidavit that the voter has not voted at any other precinct in the election.

This voter is then entitled to vote in the upcoming election at the office of the circuit court clerk any time after the voter registers but before noon election day.

## III. CIVILIANS OUTSIDE U.S.

These procedures apply to persons who are U.S. citizens, residents of Indiana and overseas citizens. The term "overseas citizen" means a U.S. citizen who resides outside

Indiana

the U.S. and (but for such residence) would be qualified to vote in Indiana.

- Indiana residents temporarily residing outside the U.S. (for local, state and Federal office ballots)
- overseas citizens (for Federal office ballots only)
