I. APPLICATION INSTRUCTIONS FOR FPCA

The Federal Post Card Application (FPCA) is the primary form for requesting registration and/or an absentee ballot from your local election official. **Read all instructions printed below and on the FPCA before completing and signing your application.** Circled letters correspond to the circled letters on the sample form on the preceding page.

- A Block 2.f and 2.g:** A Louisiana Driver's License number, if issued, or the last four digits of your Social Security number is required for voter registration, the full Social Security number may be provided on a voluntary basis. - B Blocks 3.a through 3.e:** Provide the complete street address of your Louisiana voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. For example: "on Highway _____, 2 miles past Highway _____, across the street from the _____ gas station." This address must be different from the one provided in Block 4 and must be within the parish where you claim legal voting residence.

If you are currently registered and want to change your political party affiliation or you have previously declined to indicate a political party affiliation and you now want to vote in a Presidential preference primary and party committee elections, you must submit a completed FPCA which includes your new political party affiliation to the local election official not later than 30 days before an election.

Indicate on Block 6 if your FPCA is being submitted only to change your party choice.

- F Block 6:** Submission of this form serves as a request to receive ballots for all Federal elections held through the next two regularly scheduled general elections. If you do not wish to receive ballots for that length of time, you may request a ballot for each election for Federal office held in the next election year OR a ballot for only the next scheduled election for Federal office by noting your choice here.
- G Block 7:** You must sign and date the FPCA. When signing, you are swearing or affirming that the information is true and correct.

II. UNIFORMED SERVICES

These procedures apply to persons who are U.S. citizens, residents of Louisiana and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

A. Registering and Requesting an Absentee Ballot

You may use a single FPCA to request ballots for all elections held during a period which extends from the date the request is received in the office of the registrar of voters through two subsequent Federal general elections (local, state and Federal offices).

To register and request an absentee ballot, the local registrar of voters must receive your FPCA not later than 30 days before the election.

To request an absentee ballot if you are currently registered, the local registrar of voters must receive your FPCA not later than 4:30p.m. on the day before the election for which it is requested. The request shall remain valid through two subsequent Federal general elections from the date of receipt of the application in the registrar's office.

B. Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive at the local elections office **no later than the day of the election.**

Louisiana elections, except the Presidential preference primary and party committee elections and congressional 1st and 2nd Party Primary elections, are entirely open. All parties appear on the same ballot and you may vote for any candidate on the ballot. If any candidate receives more than 50% of the votes cast in the primary election that candidate is declared the winner and that office is not voted upon in the general election.

Local election officials mail ballots not later than 20 days before the state primary election and 13 days before the general election. However, special ballots for the office of the President are available for mailing 45 days before the general election.

If you have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot**. See instructions in Chapter Two.

C. Notary/Witness Requirements

FPCA: No notary or witness required

Returning a Ballot: Sign the ballot return envelope certificate in the presence of two witnesses. These witnesses must also sign the envelope.

E. Special Absentee Ballot for General Election

If you request a primary ballot you will receive a special ballot for the general election along with the primary ballot.

The special ballot permits you to vote in the following general election by writing in numbers according to your choice of preference for each candidate. You put the number one next to the name of the candidate who is your first choice, the number two for your second choice, and so forth so that, in consecutive numerical order, you write a number indicating your preference next to each candidate's name on the ballot.

You shall not be required to number all of the candidates on the ballot if you so choose, but doing so will assure your having cast a ballot in the general election.

F. Bars to Registration and Voting

Persons under order of imprisonment for conviction of a felony or interdicted after being judicially declared to be mentally incompetent as a result of a full interdiction proceeding may not register to vote.

G. Cancellation of Registration

Upon denial of your voter registration application or absentee ballot request, Louisiana shall provide you with the reason(s) for the rejection.
