I. APPLICATION INSTRUCTIONS FOR FPCA

The Federal Post Card Application (FPCA) is the primary form for requesting registration and/or an absentee ballot from your local election official. **Read all instructions printed below and on the FPCA before completing and signing your application.** Circled letters correspond to the circled letters on the sample form on the preceding page.

- A Block 3.a through 3.e: Provide the complete street address of your Massachusetts voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. For example: "on Highway ______, 2 miles past Highway ______, across the street from the _____ gas station." This address must be different from the one provided in Block 4 and must be within the city or town where you claim legal voting residence. Enter the date you last lived at this address in block 6.
- **B** Block 4.a: Print the complete address where you want your ballot sent usually your current mailing address. Your current mailing address must be different from the address provided in Block 3.
- **Block 4.c:** This form acts as a request for a mailed absentee ballot only. Massachusetts does not allow you to receive or return the absentee ballot electronically. See Section II.D. or III.D.
- **Block 5:** If you are applying for an absentee ballot for a party primary, please indicate the party ballot you wish to receive. In Massachusetts, there are currently four political parties: Democratic, Republican, Green-Rainbow and Working Families.
- Block 6: Submission of this form serves as a request to receive ballots for all Federal elections held through the next two regularly scheduled general elections. If you do not wish to receive ballots for that length of time, you may request a ballot for each election for Federal office held in the next election year OR a ballot for only the next scheduled election for Federal office by noting your choice here.
- **Block 7:** You must sign the FPCA. By signing, you are swearing or affirming the information is true and correct.

II. UNIFORMED SERVICES

These procedures apply to persons who are U.S. citizens, residents of Massachusetts and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

A. Registering and Requesting an Absentee Ballot

You should send an FPCA, or any other form of written communication, to your local election official early every year and whenever you change your mailing address (see Chapter Two).

Registration is waived.

To request an absentee ballot, the local registrar of voters must receive your FPCA or any other form of written communication with your name, date of birth, former residence and present residence not later than noon the day before the election.

B. Casting Your Vote

Ballot Return Deadline: If you reside within the U.S., return your voted ballot to the local election official so that it arrives by the **close of polls on election day.**

If you reside outside the U.S., your voted ballot must be returned to your local election official so that it arrives by the close of polls on election day to be counted for local and primary elections. Your voted ballot must be postmarked by election day and returned to the local election official so that it arrives not later than 10 days after the election to be counted for Federal elections.

Local election officials mail ballots approximately 35 days before the primary and 21 days before a general election.

If you have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot.** See instructions in Chapter Two.

C. Notary/Witness Requirements

No registration or voting materials are notarized or witnessed.

D. Electronic Transmission of FPCAs and Ballots

- Massachusetts allows you to send the FPCA for absentee ballot requests by fax. After faxing, you must submit the FPCA by mail in order to have your ballot counted.
- Massachusetts does not allow you to receive the blank ballot by fax.
- Massachusetts does not allow you to return the voted ballot by fax.

Please refer to Appendix B for specific instructions when transmitting election materials electronically. **Use the following numbers:**

DSN 223-5527 (703) 693-5527

1-800-368-8683

(from U.S., Canada, Guam, Puerto Rico, Virgin Islands only)

E. Application for Ballot by Proxy

Your spouse, or person residing in the same household, parent, in-laws, brother, sister, son, daughter, stepparent, stepchild, half-sister, half-brother, uncle, aunt, niece, nephew, grandparent or grandchild may request that a ballot be sent to you. Necessary forms may be obtained at the clerk's office in the city or town of voting residence. Any form of written communication containing the required information may also be sent to the clerk's office.

F. Bars to Registration and Voting

Persons under a legal guardianship which specifically prohibits voting, persons temporarily or permanently disqualified by law from voting because of corrupt practices in respect to election, and persons currently incarcerated for a felony conviction may not register or vote.

G. Late Registration

Any of the above persons not in their city or town of residence during the 7 days before the last day to register (the last day to register is 20 days before the election) may register in person until 4 p.m. on the day before the election.

H. Action If Registration Is Denied

Written notice of denial is sent. You have the option to be heard and/or appeal.

Action Upon Denial of Registration or Absentee Ballot Request

Upon denial of your voter registration application or absentee ballot request, Massachusetts shall provide you with the reason(s) for the rejection.

J. Voting By Citizens Who Have Never Lived in the U.S.

U.S. citizens who have never resided in the U.S. but have a parent who is eligible to vote in Massachusetts are eligible to vote at the same voting residence claimed by their parent (for local, state and Federal office ballots).

III. CIVILIANS OUTSIDE U.S.

These procedures apply to persons who are U.S. citizens, residents of Massachusetts, and "specially qualified voters." The term "specially qualified voter" means a U.S. citizen who resides outside the U.S. and (but for such residence) would be qualified to vote in Massachusetts (for local, state and Federal office ballots).

A. Registering and Requesting an Absentee Ballot

You should send an FPCA, or any other form of written communication, to your local election official early every year and whenever you change your mailing address (see Chapter Two).

Registration is waived.

To request an absentee ballot, the local registrar of voters must receive your FPCA or any other form of written communication with your name, date of birth, former residence and present residence not later than noon the day before the election.

B. Casting Your Vote

Ballot Return Deadline: If you reside outside the U.S., your voted ballot must be returned to your local election official so that it arrives by the close of polls on election day to be counted for local and primary elections. Your voted ballot must be postmarked by election day and returned to the local election official so that it arrives not later than 10 days after the election to be counted for Federal elections.

Local election officials mail ballots approximately 35 days before the primary and 21 days before a general election.

If you have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot.** See instructions in Chapter Two.

C. Notary/Witness Requirements

No registration or voting materials are notarized or witnessed.

D. Electronic Transmission of FPCAs and Ballots

- Massachusetts allows you to send the FPCA for absentee ballot requests by fax. After faxing, you must submit the FPCA by mail in order to have your ballot counted.
- Massachusetts does not allow you to receive the blank ballot by fax.
- Massachusetts does not allow you to return the voted ballot by fax.

Please refer to Appendix B for specific instructions when transmitting election materials electronically. **Use the following numbers:**

DSN 223-5527 (703) 693-5527

1-800-368-8683

(from U.S., Canada, Guam, Puerto Rico, Virgin Islands only)

International toll-free fax numbers (See inside back cover)

E. Application for Ballot by Proxy

Your spouse, or person residing in the same household, parent, in-laws, brother, sister, son, daughter, stepparent, stepchild, half-sister, half-brother, uncle, aunt, niece, nephew, grandparent or grandchild may request that a ballot be sent to you. Necessary forms may be obtained at the

clerk's office in the city or town of voting residence. Any form of written communication containing the required information may also be sent to the clerk's office.

F. Bars to Registration and Voting

Persons under a legal guardianship which specifically prohibits voting, persons temporarily or permanently disqualified by law from voting because of corrupt practices in respect to election, and persons currently incarcerated for a felony conviction may not register or vote.

G. Late Registration

Any of the above persons not in their city or town of residence during the 7 days before the last day to register (the last day to register is 20 days before the election) may register in person until 4 p.m. on the day before the election.

H. Action If Registration Is Denied

Written notice of denial is sent. You have the option to be heard and/or appeal.

Action Upon Denial of Registration or Absentee Ballot Request

Upon denial of your voter registration application or absentee ballot request, Massachusetts shall provide you with the reason(s) for the rejection.

J. Voting By Citizens Who Have Never Lived in the U.S.

U.S. citizens who have never resided in the U.S. but have a parent who is eligible to vote in Massachusetts are eligible to vote at the same voting residence claimed by their parent (for local, state and Federal office ballots).

IV. UNIFORMED SERVICES & CIVILIANS OUTSIDE U.S.

Where To Send It

Mail the FPCA to the local election official in your city or town of voting residence.
