SAMPLE FORM

I. APPLICATION INSTRUCTIONS FOR FPCA

The Federal Post Card Application (FPCA) is the primary form for requesting registration and/or an absentee ballot from your local election official. **Read all instructions printed below and on the FPCA before completing and signing your application.** Circled letters correspond to the circled letters on the sample form on the preceding page.

- A Block 2.f and 2.g:** Your completed voter registration form must contain your Missouri issued driver's license number. Your completed voter registration form must also include the last four digits of your social security number. If you do not have a Missouri driver's license or a social security number, please write "NONE" on the form. A unique identifying number will be assigned by the State.
- B Block 3a through 3.e:** Provide the complete street address of your Missouri voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. For example: "on Highway _____, 2 miles past Highway _____, across the street from the _____ gas station." This address must be different from the one provided in Block 4 and must be within the county or city where you claim legal voting residence.
- C Block 4.a:** Print the complete address where you want your ballot sent - usually your current mailing address. It must be different from the address you provided in Block 3.
- D Block 4.c:** This form acts as a request for a mailed absentee ballot only. Missouri does not allow you to receive or return the absentee ballot electronically. See Section II.D. or III.D.
- E Block 5:** You must request a particular party's ballot to apply for a primary election ballot (Example: Democrat, Republican) or write "none" in Block 5 of the FPCA. If you do not respond to the request for a political party designation, the election authority is authorized to provide that part of the ballot for which no political party designation is required. Political party affiliation is not required if only requesting absentee ballots for general elections.
- F Block 6:** Submission of this form serves as a request to receive ballots for all elections held through the next two regularly scheduled general elections. If you do not wish to receive ballots for that length of time, you may request a ballot for each election for Federal office held in the next election year OR a ballot for only the next scheduled election for Federal office by noting your choice here.
See special instructions in Sections II.F. and III.F.
- G Block 7:** You must sign and date the FPCA. When signing, you are sharing or affirming the information is true and correct.

II. UNIFORMED SERVICES

These procedures apply to persons who are U.S. citizens, residents of Missouri and members of the Uniformed Services and their family members. Uniformed Services are defined as members of the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

A. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter Two).

You are not required to register, but you may register permanently and request an absentee ballot, by sending a completed FPCA to the local election official so that it arrives not later than the fourth Wednesday (27 days) before the election.

To request an absentee ballot only, send a completed FPCA to the local election official so that it arrives not later than the Wednesday before the election. All applications for absentee ballots received prior to the sixth Tuesday before an election will be stored by the local election official until such time as the applications are processed.

B. Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive at the local elections office **before 7:00 p.m. on election day.**

Absentee ballots are available beginning 42 days prior to the election.

If you have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot.** See instructions in Chapter Two.

C. Notary/Witness Requirements

No registration or voting materials are notarized or witnessed.

D. Electronic Transmission of FPCAs and Ballots

- Missouri counties allow you to send the FPCA application for an absentee ballot by fax or email. After faxing or emailing, submit the FPCA by mail.
- Missouri does not allow you to receive the blank ballot by fax.
- Missouri does not allow you to return the voted ballot by fax or electronic transmission unless a special declaration is made by the Secretary of State in advance of the election. Please refer to the State's website, www.sos.mo.gov, to see if a declaration has been made.

Please refer to Appendix B for specific instructions when transmitting election materials electronically. **Use the following numbers:**

E. Application for Ballot by Proxy

Your spouse, grandparent, parent, brother, sister, child or grandchild may request (in person to the local election official) that an absentee ballot be mailed to you.

F. Special Write-In Absentee Ballot

Missouri provides a state special write-in absentee ballot available 80 days before a general election if you will be unable to vote by any other means due to requirements of military service or due to living in an isolated or extremely remote area of the world.

You may use the FPCA to request this state special write-in absentee ballot. In **Block 6 of the FPCA** write "I am unable to vote by any other means due to requirements of military service or due to living in isolated or extremely remote areas of the world. I request a special write-in absentee ballot."

You must request the state special write-in ballot within 80 days of a general election. Vote this ballot by writing in a party preference or the names of specific candidates.

G. Bars to Registration and Voting

Persons imprisoned, on probation or parole for a felony, convicted of an election law violation, or found incapacitated (with loss of voting rights) may not register or vote.

H. Cancellation of Registration

Registration is canceled if a voter fails to respond to a confirmation notice and then fails to vote by the second general election occurring after the notice.

I. Late Registration

Members of the Armed Forces and merchant marine, civilian employees of the U.S. Government working outside the U.S. and members of religious or welfare organizations assisting Service members who have been honorably discharged or terminated from their service within sixty days of an election, are eligible to vote in that election.

J. Action on Registration Requests

Verification notices are sent within seven (7) working days of receipt of application. Upon denial of your voter

registration application or absentee ballot request, Missouri shall provide you with the reason(s) for the rejection. Rejection notices are sent within seven (7) working days of receipt of application.

III. CIVILIANS OUTSIDE U.S.

These procedures apply to persons who are U.S. citizens, residents of Missouri and overseas electors. The term "overseas elector" means a U.S. citizen who resides outside the U.S. and (but for such residence) would be qualified to vote in Missouri.

- civilian employees of the U.S. Government residing overseas and their spouses and dependents if registered, (for local, state and Federal office ballots)- if not registered (Federal ballots only)
- members of religious or welfare groups attached to the military overseas and their spouses and dependents, if registered, (for local, state and Federal office ballots)- if not registered (Federal ballots only)
- other Missouri residents temporarily outside the U.S., if registered (for local, state and Federal office ballots)
- overseas electors (for Federal office ballots only)

A. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter Two).

You are not required to register, but you may register permanently and request an absentee ballot, by sending a completed FPCA to the local election official so that it arrives not later than the fourth Wednesday (27 days) before the election.

If you are a **Missouri resident temporarily outside the U.S., are not affiliated with the U.S. Federal Government** and wish to receive a ballot for local, state and Federal offices (instead of a ballot for Federal offices only), you must permanently register to receive such ballot. Otherwise, you will be treated as an overseas elector and will be sent a ballot for Federal offices only.

To request an absentee ballot only, send a completed FPCA to the local election official so that it arrives not later than the Wednesday before the election. All applications for absentee ballots received prior to the sixth Tuesday before an election will be stored by the local election official until such time as the applications are processed.

If you are an overseas elector, you are eligible to vote for Federal offices only and your application for an absentee ballot must be received not later than 5 p.m. on the Wednesday prior to election day.

B. Casting Your Vote

Ballot Return Deadline: Return the voted ballot to the local election official so that it arrives before **7:00 p.m. on election day**.

Local election officials mail ballots beginning 42 days prior to the election. Local election officials will send ballots for Federal offices only to overseas electors, and to those temporarily overseas persons who did not timely complete the permanent registration procedure.

If you have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot**. See instructions in Chapter Two.
