New Jersey

I. APPLICATION INSTRUCTIONS FOR FPCA

The Federal Post Card Application (FPCA) is the primary form for requesting registration and/or an absentee ballot from your local election official. **Read all instructions printed below and on the FPCA before completing and signing your application.** Circled letters correspond to the circled letters on the sample form on the preceding page.

- A Block 2.f and 2.g: Your New Jersey Driver's License number is required for voter registration. If you do not have a New Jersey Driver's License, you must provide the last four digits of your Social Security Number. If you do not possess either of these identifications, the state shall assign a number that will serve to identify you for voter registration purposes.
- Block 3.a through 3.e: Provide the complete street address of your New Jersey voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. For example: "on Highway ______, 2 miles past Highway ______, across the street from the ______ gas station." This address must be different from the one provided in Block 4 and must be within the county where you claim legal voting residence.
- **⊙** Block 4.a: Print the complete address where you want your ballot sent usually your current mailing address. Your current mailing address must be different from the address you provided in Block 3.
- **Block 4.c:** See Section II.D. or III.D.
- Block 6: Submission of this form serves as a request to receive ballots for all Federal elections held through the next two regularly scheduled general elections. If you do not wish to receive ballots for that length of time, you may request a ballot for each election for Federal office held in the next election year OR a ballot for only the next scheduled election for Federal office by noting your choice here.
- **Block 7:** You must sign and date the FPCA. When signing, you are swearing or affirming that the information is true and correct.

II. UNIFORMED SERVICES

These procedures apply to persons who are U.S. citizens, residents of New Jersey and members of the Uniformed Services and their family members.
