I. APPLICATION INSTRUCTIONS FOR FPCA

The Federal Post Card Application (FPCA) is the primary form for requesting registration and/or an absentee ballot from your local election official. **Read all instructions printed below and on the FPCA before completing and signing your application.** Circled letters correspond to the circled letters on the sample form on the preceding page.

- A Block 2.g: Your current and valid Oklahoma driver's license number is required in 2.g.
- Block 3.a through 3.e: Provide the complete street address of your Oklahoma voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. For example: "on Highway ______, 2 miles past Highway ______, across the street from the ______ gas station." This address must be different from the one provided in Block 4 and must be within the county where you claim legal voting residence.
- **Block 4.a:** Print the complete address where you want your ballot sent usually your current mailing address. It must be different from the address you provided in Block 3.
- **Bock 4.c:** See Section II.D. or III.D.
- Block 5: If you do not list a party affiliation, you cannot vote in primary elections. You must indicate your political party affiliation when applying for a primary ballot (Example: Democrat, Republican) or write "none" in Block 5 of the FPCA. Political party choice is not required if only requesting absentee ballots for general elections. If you have previously submitted an FPCA and want to change your political party affiliation or you have previously declined to indicate a political party and you now want to vote in a primary election, you must submit a completed FPCA which includes your new political party choice to the local election official not later than the Wednesday before the election.
- Block 6: Submission of this form serves as a request to receive ballots for all Federal elections held through the next two regularly scheduled general elections. If you do not wish to receive ballots for that length of time, you may request a ballot for each election for Federal office held in the next election year OR a ballot for only the next scheduled election for Federal office by noting your choice here.

Refer to section II.E or III.E for additional instructions.

G Block 7: You must sign and date the FPCA. When signing, you are swearing or affirming that the information is true and correct.

II. UNIFORMED SERVICES

These procedures apply to persons who are U.S. citizens, residents of Oklahoma and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

A. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter Two).

Registration is not required.

To request an absentee ballot, send a completed FPCA to the County Election Board so that it arrives not later than 5 p.m. on the Wednesday before an election.

B. Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive not later than **7 p.m. on election day.** Special provision is made for Runoff Primary Election Ballots containing candidates for Federal office, which must be returned by 5 p.m. on the fourteenth day following the election.

Local election officials mail out ballots approximately 30 days before an election (as soon as the County Election Board receives them from the printer).

You may also use the **Federal Write-In Absentee Ballot.** See instructions below.

C. Notary/Witness Requirements

No registration or voting materials are notarized or witnessed.

D. Electronic Transmission of FPCAs and Ballots

- Oklahoma allows you to send the FPCA for absentee ballot request by fax. After faxing, submit the FPCA by mail.
- Under certain limited circumstances, Oklahoma allows you to receive the blank ballot by fax.
- Under certain limited circumstances, Oklahoma allows you to return the voted ballot by fax. You may return a voted ballot by fax to the State Election Board if your absentee ballot is received in the mail 30 days or less prior to the election day.

Please refer to Appendix B for specific instructions when transmitting election materials electronically. **Use the following numbers:**

DSN 223-5527 (703) 693-5527

1-800-368-8683

(from U.S., Canada, Guam, Puerto Rico, Virgin Islands only)

International toll-free fax numbers (See inside back cover)

E. Special Write-In Absentee Ballot

A state special write-in absentee ballot is available 90 days before an election if you will be unable to vote by regular absentee ballot, or in person due to military contingencies or due to living in an isolated or extremely remote area of the world.

You may use the FPCA or a written letter to request this state special write-in absentee ballot. In **Block 6 of the FPCA** or in your letter write: "Due to military contingencies or due to living in an isolated or extremely remote area of the world, I cannot follow the regular application procedure for an absentee ballot. I request a special write-in absentee ballot."

You must request the state special write-in absentee ballot within 90 days before an election. Vote for Federal candidates in a primary, run-off primary or general election by writing in the names of specific candidates from the list of candidates provided by the election board. In general elections, you may write in party preference for each office.

F. Federal Write-In Absentee Ballot

Oklahoma has expanded the use of the Federal Write-In Absentee Ballot (FWAB). The instructions described in Chapter Two of this guide remain the same except that Oklahoma allows *UOCAVA* citizens to vote and submit the FWAB for all Federal elections and even if the citizen has not requested the regular state ballot.

For further instructions on the FWAB see Chapter Two.

G. Bars to Registration and Voting

Persons convicted of a felony for which a period of time equal to the original sentence has not expired and those found to be incapacitated or partially incapacitated and prohibited from registering to vote shall be ineligible to register to vote.

H. Late Registration

If you are honorably discharged or on leave from the U.S. Uniformed Services or terminated in your service or employment overseas, and you are returning home to Oklahoma too late to register for the upcoming election, you may vote in that election only (in the precinct where you are a qualified voter) without being registered.

Action Upon Denial of Registration or Absentee Ballot Request

Upon denial of your voter registration application or absentee ballot request, Oklahoma shall provide you with the reason(s) for the rejection.

J. Voting By Citizens Who Have Never Resided In The U.S.

If a U.S. citizen outside the U.S. has never lived in the U.S. and either parent is a qualified Oklahoma voter, then he or she is eligible to register and vote where his or her parent is a qualified voter.

III. CIVILIANS OUTSIDE U.S.

These procedures apply to persons who are U.S. citizens, residents of Oklahoma and overseas electors. The term "overseas elector" means a U.S. citizen who resides outside the U.S. and (but for such residence) would be qualified to vote in Oklahoma.

- Oklahoma residents temporarily residing outside the U.S. (for local, state and Federal office ballots)
- overseas electors (for Federal office ballots only)
