I. APPLICATION INSTRUCTIONS FOR FPCA

The Federal Post Card Application (FPCA) is the primary form for requesting registration and/or an absentee ballot from your local election official. **Read all instructions printed below and on the FPCA before completing and signing your application.** Circled letters correspond to the circled letters on the sample form on the preceding page.

- A Block 2.d:** You are requested to fill out this box. This information is requested from some states by the Department of Justice in its enforcement of the Voting Rights Act and the National Voter Registration Act. Enter the choice that best describes you from the following list: W= White; B/AA= Black/African-American; A= Asian; H= Hispanic; N= Native American; O= Other.
- B Block 2.f:** Your Social Security number is required.
- C Block 3:** Provide the complete street address of your South Carolina voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. For example: "on Highway _____, 2 miles past Highway _____, across the street from the _____ gas station." This address must be different from the one provided in Block 4 and must be within the county or township where you claim legal voting residence.
- D Block 4.a:** Print the complete address where you want your ballot sent - usually your current mailing address. It must be different from the address you provided in Block 3.
- E Block 4.c:** See Section II.D. or III.D.
- F Block 5:** **If you do not list a party affiliation, you cannot vote in primary elections.** You must indicate your political party affiliation when applying for a primary ballot (Example: Democrat, Republican) or write "none" in Block 5 of the FPCA. Political party choice is not required if only requesting absentee ballots for general elections.
- G Block 6:** Submission of this form serves as a request to receive ballots for all Federal elections held through the next two regularly scheduled general elections. If you do not wish to receive ballots for that length of time, you may request a ballot for each election for Federal office held in the next election year OR a ballot for only the next scheduled election for Federal office by noting your choice here.
Refer to section II.E or III.E for additional instructions.
- H Block 7:** You must sign and date the FPCA. When signing, you are swearing or affirming that the information is true and correct.

II. UNIFORMED SERVICES

These procedures apply to persons who are U.S. citizens, residents of South Carolina and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine,

commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

A. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter Two).

To register and request an absentee ballot, send a completed FPCA to the Board of Voter Registration so that it arrives not later than 30 days before the election.

If you are already registered and only wish to request an absentee ballot, send a completed FPCA to the local county Board of Voter Registration so that it arrives not later than four days before the election. However, waiting too long may make it impossible for you to receive your blank ballot in time to return it by the deadline for receipt of voted ballots.

B. Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive by the **close of polls on election day.**

Local election officials mail out absentee ballots at least 45 days before the election. If you have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot.** See instruction in Chapter Two.

C. Notary/Witness Requirements

FPCA: No notary or witness required.

Returning a Ballot: The oath on the ballot return envelope must be witnessed.

D. Electronic Transmission of FPCAs and Ballots

- South Carolina allows you to send the FPCA for absentee ballot request and registration by fax or email.
- South Carolina allows you to receive the blank ballot by fax or email.
- South Carolina allows you to return the voted ballot by fax or email. The South Carolina State Election Commission prefers ballots to be faxed directly to County Election Commissions. Fax number for County Election Commissions are available from the South Carolina State Election Commission website at <http://www.scvotes.org/howtoregister>.

Please refer to Appendix B for specific instructions when transmitting election materials electronically. **Use the following numbers:**

E. Federal Write-In Absentee Ballot

South Carolina has expanded the use of the Federal Write-In Absentee Ballot (FWAB), SF 186. South Carolina allows eligible voters to use the FWAB for all general, primary, and special elections for Federal, state and local offices.

South Carolina also allows the FWAB Declaration/Affirmation to be used as an application for registration and/or ballot request form if the person is otherwise eligible to vote in South Carolina. When using the FWAB Declaration/Affirmation as a voter registration application, the full social security number is required on the form.

If you receive the regular ballot after returning the FWAB, you may also vote and return the regular ballot. If both ballots are properly executed and received before the close of polls on election day, only the first ballot received will be counted.

F. Special Write-In Absentee Ballot

South Carolina provides a state special write-in absentee ballot available 90 days before the election if you will be unable to vote by regular absentee ballot or in person due to requirements of military service or due to living in an isolated or extremely remote area of the world.

You may use the FPCA to request this state special write-in ballot. In **Block 6 of the FPCA** write: "I am unable to vote by regular absentee ballot or in person due to requirements of military service or due to living in isolated or extremely remote areas of the world. I request a special write-in absentee ballot."

You must request the state special write-in ballot not earlier than 90 days before an election and you may use it to vote for Federal offices, statewide offices, and members of the South Carolina General Assembly by writing in a political party choice or the names of specific candidates.

G. Late Registration

Any person eligible to register who has been discharged or separated from service in the Armed Forces of the U.S., and returned home too late to register at the time when registration is required, is entitled to register for the purpose of voting in the next ensuing election after discharge or separation from service, up to 5:00 p.m. on the day of the election. This application for registration must be made at the office of the Board of Voter Registration in the county in which the person wishes to register, and if qualified, the person must be issued a registration notification stating the precinct in which the person is entitled to vote and a certification to the managers of the precinct that the person is entitled to vote and should be placed on the registration rolls of the precinct.

H. Bars to Registration and Voting

A person is disqualified from being registered or voting if she/he: is mentally incompetent as adjudicated by a court of competent jurisdiction; is serving a term of imprisonment resulting from a conviction of a crime; or is convicted of a felony or offenses against the election laws, unless the

disqualification has been removed by service of the sentence, including probation and parole time unless sooner pardoned.

I. Cancellation of Registration

Permanent registration may be canceled if voting residence is changed to another South Carolina county or state or committing a crime as noted in Section B above.

J. Action on Registration Requests

Notice of acceptance or denial is sent.

K. Action Upon Denial of Registration or Absentee Ballot Request

Upon denial of your voter registration application or absentee ballot request, South Carolina shall provide you with the reason(s) for the rejection.

L. Action If Registration Is Denied

Persons denied registration should correct the defects noted in the denial notice. If a second denial is received, consult a legal assistance officer or civilian counsel.

III. CIVILIANS OUTSIDE U.S.

These procedures apply to persons who are U.S. citizens, residents of South Carolina and overseas citizens. The term "overseas citizen" means a U.S. citizen who resides outside the U.S. and (but for such residence) would be qualified to vote in South Carolina.

- members of the American Red Cross or service agencies serving with the Armed Forces (for local, state and Federal office ballots)
- employees of the U.S. Government serving overseas (for local, state and Federal office ballots)
- spouses and dependents who reside with the above persons (for local, state and Federal office ballots)
