I. APPLICATION INSTRUCTIONS FOR FPCA

The Federal Post Card Application (FPCA) is the primary form for requesting registration and/or an absentee ballot from your local election official. **Read all instructions printed below and on the FPCA before completing and signing your application.** Circled letters correspond to the circled letters on the sample form on the preceding page.

- A Block 2.f and 2.g: The last four digits of your Social Security number or your Utah Driver's License is required for voter registration. If you do not possess either of these identifications, the State shall assign a number that will serve to identify you for voter registration purposes.
- Block 3.a through 3.e: Provide the complete street address of your Utah voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. For example: "on Highway ______, 2 miles past Highway ______, across the street from the ______ gas station." This address must be different from the one provided in Block 4 and must be within the county where you claim legal voting residence.
- **⊙ Block 4.a:** Print the complete address where you want your ballot sent usually your current mailing address. Your current mailing address must be different from the address you provided in Block 3.
- **Block 4.c:** See Section II.D. or III.D.
- **Block 5:** Provide your political party affiliation.
- Block 6: Submission of this form serves as a request to receive ballots for all Federal elections held through the next two regularly scheduled general elections. If you do not wish to receive ballots for that length of time, you may request a ballot for each election for Federal office held in the next election year OR a ballot for only the next scheduled election for Federal office by noting your choice here.

Uniformed Service members refer to Section II.E for additional instructions.

G Block 7: You must sign and date the FPCA. By signing, you are swearing or affirming that the information is true and correct.

II. UNIFORMED SERVICES

These procedures apply to persons who are U.S. citizens, residents of Utah, military voters, and members of the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

Under Utah law, military voters are defined as:

- members of the U.S. Armed Forces or merchant marine,
- civilian employees of the U.S. Government serving overseas.
- members of religious groups or welfare agencies officially attached to the Armed Forces overseas,
- spouses and dependents of the above.

A. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter Two).

Registration is not required when using the FPCA to request ballots. When you return the voted ballot you will be registered.

If you are a member of the Armed Forces or merchant marine or a spouse or dependent of one of these and live in the U.S., the County Clerk must receive your FPCA not later than the Friday before the election.

If you are a voter as defined above and you live overseas, the County Clerk must receive your FPCA not later than 20 days before the election.

B. Casting Your Vote

Ballot Return Deadline: Voted ballot must be **postmarked by the day before the election** and received by the elections officer before noon on the day of the official canvass following the election.

Local election officials mail ballots to persons residing overseas not later than 30 days before the election.

If you have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot.** See instructions in Chapter Two.

C. Notary/Witness Requirements

No registration or voting materials are notarized or witnessed.

D. Electronic Transmission FPCAs and Ballots

- Utah allows you to send your FPCA for registration and ballot request by fax when you are in a hostile fire zone or other area where the mail service is unreliable and not sufficient to accommodate timely mail service. After faxing, submit the FPCA by mail.
- Utah allows you to receive the blank ballot by fax in the situations described above.
- Utah allows you to return the voted ballot by fax if you agree to waive the right to a secret ballot and affirm in

writing that you are currently deployed in a hostile fire zone or other area where the mail service is unreliable and not sufficient to accommodate timely mail service.

Please refer to Appendix B for specific instructions when transmitting election materials electronically. **Use the following numbers:**

E. Special Write-In Absentee Ballot

Utah provides a state special write-in absentee ballot to military voters who will be unable to vote by regular absentee ballot or in person because of military service. This special write-in ballot is only available for general elections.

The FPCA may be used to request this special write-in ballot. In **Block 6 of the FPCA** write: "I am unable to vote by regular absentee ballot or in person because of military service. I request a special write-in absentee ballot."

The special write-in ballot is available approximately 90 days before the general election but not later than 20 days before the election. It may be used to vote for Federal offices only. You may vote it by writing a party choice or the names of specific candidates.

F. Bars to Registration and Voting

Persons incarcerated for a felony conviction or persons found mentally incompetent may not register or vote, unless civil rights have been restored.

G. Action If Registration Is Denied

If registration is denied, consult a legal assistance officer or civilian counsel. Upon denial of your voter registration application or absentee ballot request, Utah shall provide you with the reason(s) for the rejection.

H. Late Registration

Any member of the Armed Forces, merchant marine or any civilian citizen who was discharged from overseas service or employment too late to meet the regular state registration deadline, may register to vote by filing an affidavit establishing his or her eligibility to vote with the County Clerk of his or her county of voting residence by noon on the day before the election.

III. CIVILIANS OUTSIDE U.S.

These procedures apply to persons who are U.S. citizens and residents of Utah, or overseas electors. The term

"overseas elector" means a U.S. citizen who resides outside the U.S. and (but for such residence) would be qualified to vote in Utah.

- Utah residents temporarily residing outside the U.S. (Consult Section B below for ballot type eligibility)
- Overseas citizens (for ballots for Federal offices only)
