The Federal Post Card Application (FPCA) is the primary form for requesting registration and/or an absentee ballot from your local election official. **Read all instructions printed below and on the FPCA before completing and signing your application.** Circled letters correspond to the circled letters on the sample form on the preceding page.

- A Block 2.f and 2.g: Your Washington Driver's License number is requested for voter registration. If you do not have a Washington Driver's License, enter the last four digits of your Social Security number.
- **B** Block 2.h through 2.j: Indicate your email address and a telephone number (including all country and local prefixes) where you can be reached.
- Block 3.a through 3.e: Provide the complete street address of your Washington voting residence. A post office box or rural route is not sufficient. If your address includes a rural route, describe its location in Block 6. For example: "on Highway ______, 2 miles past Highway ______, across the street from the _____ gas station." This address must be within the county or township where you claim legal voting residence.
- **Block 4.a:** Print the complete address where you want your ballot sent usually your current mailing address. Your current mailing address must be different from the address you provided in Block 3.
- Block 4.c: Please check the box corresponding to the manner in which you prefer to receive your ballot. If you want to receive it by fax or email, please be sure to include your fax number or email address in Block 2.i or 2.j. See Section II.A and D or Section III.A and D.
- **Block 5:** Designation of political party affiliation is not required.
- **Block 6:** Submission of this form serves as a request to receive ballots for all Federal elections held through the next two regularly scheduled general elections. If you do not wish to receive ballots for that length of time, you may request a ballot for each election for Federal office held in the next election year OR a ballot for only the next scheduled election for Federal office by noting your choice here.

You may also use this section to include any former name or address under which you may be registered.

Refer to Section II.E or III.E for additional instructions.

H Block 7: You must sign and date the FPCA. When signing, you are swearing or affirming that the information is true and correct.

II. UNIFORMED SERVICES

These procedures apply to persons who are U.S. citizens, residents of Washington and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

A. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address except if you are requesting a special write-in ballot (see Section E and also Chapter Two).

You may also request absentee ballots by telephone, fax, email or by filling out and mailing the request form printed from the Secretary of State website. Effective January 1, 2008, a person who has a valid Washington State Driver's License or state identification card may register to vote online on the secretary of state's website at **www.secstate.wa.gov**. Notifying the County Auditor of any mailing address changes is required for an individual to receive absentee ballots for all future elections.

FPCAs should be received by the County Auditor by 30 days before an election to ensure there is sufficient time for the voter to receive the ballot. However, FPCAs will be accepted up through election day. If you think there will not be enough time to receive your ballot by mail, make sure to include an email address or fax number on your FPCA so that the ballot can be sent electronically if necessary.

Washington allows *UOCAVA* voters to receive absentee ballots even if they are not currently registered. If you were not registered when you sent in your FPCA, Washington will automatically use your completed form to register you, as long as the hardcopy is received.

B. Casting Your Vote

Ballot Return Deadline: Your voted ballot must arrive at the County Auditor prior to certification of the election. Certification for primary and special elections is 15 days after election day; certification for general elections is 21 days after election day. The oath accompanying your voted ballot **must be signed and dated by election day.**

Counties begin mailing *UOCAVA* ballots 30 days before the election.

If you have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot.** See Section F and instructions in Chapter Two.

C. Notary/Witness Requirements

No requirements for registration or voting materials to be notarized or witnessed.

D. Electronic Transmission of FPCAs and Ballots

- Washington allows you to send your FPCA ballot request by fax or email. If you would like to use the FPCA to register to vote, the fax or email must be followed up with the original form.
- Effective January 1, 2008, a person who has a valid Washington State Driver's License or state identification card may register to vote online on the secretary of state's website at www.secstate.wa.gov.
- Washington allows you to receive a blank ballot by fax or email.

If you have questions about electronic transmission of your FPCA or ballots, contact your County Auditor. Visit **www.secstate.wa.gov/elections**, then select County Auditors for contact information.

Please refer to Appendix B for specific instructions when transmitting election materials electronically. **Use the following numbers:**

E. Special Write-In Absentee Ballot

Washington will provide a state special write-in absentee ballot upon request if you believe that you will be unable to vote and return a regular absentee ballot by normal mail delivery within the period provided for regular absentee ballots.

The FPCA may be used to request this state special write-in ballot. In **Block 6 of the FPCA** write: "I am unable to vote and return a regular absentee ballot by normal mail delivery within the time provided for regular absentee ballots. I request a special write-in absentee ballot." Candidate and issue information may not be available at the time of your request.

The state special write-in ballot must be requested not earlier than 90 days before the election. You may vote it by writing in the names of specific candidates.

F. Federal Write-In Absentee Ballot

Washington has expanded the use of the Federal Write-In Absentee Ballot (FWAB), SF 186. The instructions described in Chapter Two of this *Guide* remain the same, except that Washington allows eligible voters to use the FWAB to vote in any election (including state and local elections.) Washington also allows the FWAB Declaration/Affirmation to be used as an application for registration if the person is otherwise eligible to vote in Washington.

G. Ballot Application By Proxy

If you are currently registered, a member of your immediate family may request an absentee ballot for your use on your behalf. As a means of ensuring that the person who requests the absentee ballot is requesting the ballot for you, an auditor may require the person who requests the absentee ballot to identify your date of birth and deny a request that is not accompanied by this information.

H. Bars to Voting

Persons convicted of a felony must have voting rights restored prior to registering to vote. Persons judicially declared incompetent may not vote.

Action Upon Denial of Registration or Absentee Ballot Request

Should your voter registration application or absentee ballot request be denied, Washington shall provide you with the reason(s) for the rejection.

J. Transfer of Registration

If you change your residence to a different county, you must re-register. If you change your residence within the same county, you must notify the county elections department by phone or in writing. Both of these actions must be completed at least 30 days before the election to be eligible to vote in your new jurisdiction.

K. Late Registration

Qualified persons not registered anywhere in the state of Washington may register to vote in person at the office of the County Auditor or at a designated voter registration site in the county where the applicant resides. This may be done up until the fifteenth day before the election. These persons will be given an absentee ballot to vote.

III. CIVILIANS OUTSIDE U.S.

The following procedures apply to persons who are U.S. citizens, residents of Washington and overseas citizens. The term "overseas citizen(s)" means a U.S. citizen who resides outside the U.S. and (but for such residence) would be qualified to vote in Washington for local, state and Federal office ballots.
