Dear Consumer:

You are invited to become a member of the **Synovate Consumer Opinion Panel**, one of the largest consumer research panels that has been in existence for over 50 years. Many of the major consumer product and service companies use information provided by our Panel members to change and improve their products and services.

All information you provide is **strictly confidential**. This information is combined with other households to answer questions like these...

- What kinds of consumers buy a particular product?
- Are they large or small households?
- What product benefits are important to consumers?

As a member of **Consumer Opinion Panel** your household represents many other households similar to yours. The information collected here is used only to classify your household. Your answers become a part of general statistics. We will **never** try to sell you anything and will **never** sell your name, or any other information, to anyone else.

To become a panel member, simply fill out this questionnaire and return it to me in the enclosed postage-paid envelope. Won't you take a few minutes to complete this questionnaire and return it soon?

If you would like more information about **Synovate Consumer Opinion Panel**, please call **1-800-864-7956** or visit our Panelist website at <http://www.ConsumerOpinionPanel.com>.
