Partner Profiles: Description of Categories

Following is a description of a category profiled in the Partner Profiles section of this website. Each description includes a list of the organizations contained in the category and an overview of the organization's profile. To view a profile, return to the "Partner Profiles" section of the website and click on the link to the organization. The profile will contain program details such as the program objectives, target participants, eligibility requirements, features, costs, and contact information.

Special Accounts

This category contains profiles of programs offered by government agencies and foundations that provide resources to support specific types of accounts for consumers.

Organization Name Program Name	Overview
U.S. Department of Health & Human Services <i>Assets for Independence</i>	A program for financial institutions to assist low-income individuals and families to achieve economic self-sufficiency.
U.S. Department of the Treasury, Financial Management System <i>Electronic Transfer Account</i>	A program for financial institutions that serve or propose to serve recipients of Federal government benefits who do not have an account with the institution.
