

## Revision History

Publication Series and Series Number: Cooperative Investigations Report No. 47

Publication Title: Ground-Water Conditions in Utah, Spring of 2006

Publication Authorship: C.B. Burden and others

First Version and Date of Release: 1.0 October 2006

Current Version and Date of Current Release: 2.0 November 1, 2007

After publication, an error was found on Figure 5, the y-axis of hydrograph #6, Cache Valley, page 16, was incorrectly labeled “WATER LEVEL, IN FEET BELOW LAND SURFACE”. It should be labeled “WATER LEVEL, IN FEET ABOVE LAND SURFACE”.

We apologize for any inconvenience this error may have caused.

List of changes for version 2.0

**On Page 16, Figure 5, Hydrograph #6, y-axis label:**

Changed from:

“WATER LEVEL, IN FEET BELOW LAND SURFACE”

Changed to:

“WATER LEVEL, IN FEET ABOVE LAND SURFACE”
