

Tennessee Valley Authority, Bull Run Fossil Plant, 1265 Edgemoor Rd., Clinton, TN 37716-6270

The following lots are being offered for sale by TVA. Items are located at the Bull Run Fossil Plant in Clinton, Tennessee.

This pre-bid meeting and inspection is scheduled for **Tuesday, September 9, 2008, at 9:00 a.m. Eastern Time.**

Interested bidders must call Betty McPeck at 423-921-6756 or Sandy Rowe at 256-574-8701 by September 8, 2008, if you plan to attend this pre-bid meeting. Bidders are to assemble at the plant lobby. Betty will meet the bidders and escort them into the plant site beginning at 9:00 a.m. Due to access control requirements, bidders must be on time. All bidders will be required to sign a safety waiver prior to entering the plant.

Bids are due on **Monday, September 15, 2008, by 3:00 p.m. Central Time.** All bids should be submitted to Valley Wide Investment Recovery Bid Center by fax to 865-632-9473. It is the responsibility of the bidder to confirm the receipt of his/her bid.

Notes:

- Buyer is required to complete the removal before **September 30, 2008**.
- Copies of contract terms and conditions are available by contacting the Valley Wide Investment Recovery Bid Center via email address valleywide@tva.gov.
- TVA does not guarantee material description, quantity, or type, and therefore all bidders are encouraged to inspect the lots and to read and understand the terms and conditions of the sale prior to removal. Special site specific requirements may apply.
- Bidders and their employees are required to wear Personal Protective Equipment (PPE) during lot inspections. During removal the Buyer and employees are required to wear, at a minimum, hard hats, gloves, safety glasses, steel toe boots, and any other PPE required as specified in the safe removal plan.
- TVA requires a two day notice prior to start of removal work.
- Some items may require special rigging and crane operation. Rigging and Crane operation on a TVA site requires the Buyer to be certified by TVA prior to removal. Certification may be obtained only after attending a class with TVA. A copy of the certification is required prior to removal.
- See list of Bull Run Fossil Plant's site specific training requirements (**provided during pre-bid meeting**) which buyer employees will be required to complete before work begins. Additional special site specific requirements may also apply, such as burn permits.
- A Buyer's forklift operator must have a valid certification and the forklift must be inspected prior to operation on a TVA site. A copy of the certification is required prior to removal. TVA does not provide forklifts.
- TVA reserves the right to reject all bids.
- Removal will be at Buyer's expense.
- Item(s) are sold as is, where is, and all sales are final with no refunds.
- Anyone inspecting material or working on a TVA site must sign a safety waiver.
- Successful Bidder must be able to meet TVA's insurance requirement prior award.
- Buyer must abide by state, local, and federal requirements such as OSHA Regulations for employees.
- Buyers will be required to submit a "Safe Removal Plan" for review by TVA prior to the start of removal operations.
- In the event of any environmental incidents or issues, the Buyer should immediately contact the TCM or his representative and the site environmental contact as indicated on the list provided during pre-bid meeting.
- All work performed by the Buyer is subject to continuous inspection by TVA.
- TVA will not furnish dumpsters, lunch areas, utilities, vending areas and the like.

- Buyer is strongly encouraged to read and understand the terms and conditions of sale prior to beginning of removal operations. Buyer is required to clean-up the area prior to removal of the last load. This includes removal of all trash, pallets, dunnage, etc. unless otherwise noted in the lot description. If the area is a non-paved area, the Buyer is responsible for final grading of the area if removal is by the Buyer and not TVA. If the area is a paved surface the Buyer is responsible for sweeping the area regardless of who loads the material. All material and waste must be removed from the TVA site.
- **Removal will be allowed Monday through Friday from 7:00 a.m. through 3:30 p.m. unless otherwise a federal holiday. If Bidders need to work a schedule other than this, the Bidders must include the exception at the time of bid submittal.**
- Bidders must provide any exceptions to the requirements within this sales notice at the time of bid submittal.
