Employer Report Information

Report Information for EIN: 00-9999999, **Tax Year:** 2005

For the tax year you have selected, there are a total of 8 reports. Select the results displayed in the *Report Status* column for an explanation of status codes. Select *Details* to view detailed information for a particular report.

IMPORTANT: If the submission shows one or more reports in RETURN status, view and correct errors before resubmitting. When you resubmit a file, include any reports that show COMPLETE status also, but make NO changes in the COMPLETE reports. A COMPLETE report will be processed again if it contains changes. This can cause serious tax consequences for employees and the employer. Corrections after a report is COMPLETE can only be made by filing a W-2c report.

TIP: Use your browser menu *Save As* or *Print* feature if you wish to save or print this page for your records.

** Note: Detailed information is not available for reports with a status of IN PROCESS.*

Employer Report Information

Report Information for EIN: 00-9999999, Tax Year: 2003

For the tax year you have selected, there are a total of 7 reports. Select the results displayed in the *Report Status* column for an explanation of status codes. Select *Details* to view detailed information for a particular report.

IMPORTANT: If the submission shows one or more reports in RETURN status, view and correct errors before resubmitting. When you resubmit a file, include any reports that show COMPLETE status also, but make NO changes in the COMPLETE reports. A COMPLETE report will be processed again if it contains changes. This can cause serious tax consequences for employees and the employer. Corrections after a report is COMPLETE can only be made by filing a W-2c report.

TIP: Use your browser menu *Save As* or *Print* feature if you wish to save or print this page for your records.

** Note: Detailed information is not available for reports with a status of IN PROCESS.*

Error Description: Some Employee Wage Records in the wage report contain Names and/or Social Security Numbers (SSNs) that do not agree with our records. This may be due to a data processing error. Check the structure of the wage report to ensure that Names and SSNs are in the proper positions in the RW Records. Also, please check all names to ensure that: a) the first name and/or the last name fields are not blank; b) the name agrees with the individual's name exactly as it is shown on the individual's Social Security card; c) the first name, middle name and last name are provided in separate fields; d) the individual's title (Mr., Mrs., etc.) is not included in any of the name fields. Please check all SSNs to ensure that: a) the SSN agrees with the individual's SSN exactly as it is shown on the individual's Social Security card; b) the SSN is nine (9) numeric characters and does not contain letters, blanks, spaces, hyphens, prefixes or suffixes; c) the SSN does not contain "111111111", "333333333" or "123456789"; d) the SSN does not begin with "8" or "9"; and e) the SSN is not in reverse order.

When you resubmit a file, include any reports that show COMPLETE status also, but make NO changes in the COMPLETE reports. A COMPLETE report will be processed again if it contains changes. This can cause serious tax consequences for employees and the employer. Corrections after a report is COMPLETE can only be made by filing a W-2c report.

Error Description: Some Employee Wage Records in the wage report contain Names and/or Social Security Numbers (SSNs) that do not agree with our records. This may be due to a data processing error. Check the structure of the wage report to ensure that Names and SSNs are in the proper positions in the RW Records. Also, please check all names to ensure that: a) the first name and/or the last name fields are not blank; b) the name agrees with the individual's name exactly as it is shown on the individual's Social Security card; c) the first name, middle name and last name are provided in separate fields; d) the individual's title (Mr., Mrs., etc.) is not included in any of the name fields. Please check all SSNs to ensure that: a) the SSN agrees with the individual's SSN exactly as it is shown on the individual's Social Security card; b) the SSN is nine (9) numeric characters and does not contain letters, blanks, spaces, hyphens, prefixes or suffixes; c) the SSN does not contain "111111111", "333333333" or "123456789"; d) the SSN does not begin with "8" or "9"; and e) the SSN is not in reverse order.
