

The member

Members will log in to the system and create a request online for any of their available Segal AmeriCorps Education Award benefits. The system forwards the request to the Institution for approval.

The Institution

As a registered Institution user, you will log in to the system to view all pending requests. Once there, you will be able to review and process the member's request through the online system.

Trust Staff

Most requests will be processed without intervention, however Trust staff will provide support and respond to problems as necessary.

Approved requests will be sent to Treasury for payment.
