Facility	Facility Name	Application	Permit Engineer	City	County
B1887	Duke Energy Oakland, LLC	15963	X. Cai	Oakland	Alameda

The purpose of this administrative amendment is to change the facility name from Duke Energy Oakland, LLC to Dynegy Oakland, LLC in the Title V permit.

This name change is a result of a merger of Dynegy and LS Power corporate entities. It involves neither a change in ownership nor physical or operational changes at the facility.

This amendment is not subject to EPA review or public comment and is effective immediately.

The final permit can be viewed on the BAAQMD website at: http://www.baaqmd.gov/pmt/title_v/public_notices.htm. We will also send a copy of the final permit via the Electronic Permit Submittal System. If you have any questions regarding this project, please call Dennis T. Jang, Senior Air Quality Engineer, at (415) 749-4707.

Sincerely yours,

Signed by Jack P. Broadbent
