Dear Ms. Jordan:

This is to advise you that the Bay Area Air Quality Management District is issuing an administrative amendment to the Major Facility Review Permit for the following facility:

Mark DeSaulnier
Mark Ross
(Vice-Chair)
Michael Shimansky
Gayle B. Uilkema
(Chair)

Application Number	Facility Number	Facility Name	Address, City	Type of Operation
8915	B5574	Valero Logistics Operations, LP	3400 East Second Street Benicia, CA 94510	Petroleum Refinery

MARIN COUNTY

Harold C. Brown, Jr.

The District has created this Major Facility Review Permit pursuant to Application 8915. The purpose of this action is to transfer storage tank sources from facilities B2626 Valero Refining Company and A0901 Valero Benicia Asphalt Plant to facility B5574 Valero Logistics Operations, LP, which recently acquired the assets. This issuance is treated as an administrative amendment since the applicable requirements have been simply transferred to this B5574 permit. There are no changes to the requirements nor is there any change in facility emissions. The storage tank sources will be removed from the next revision of the B2626 and A0901 permits.
