³ Transportation Special Reports [this category includes all forms of Safety Studies (formerly titled Special Studies, and Safety Effectiveness Evaluations), Special Investigation Reports, and Railroad/Highway Accident Reports].

(2) Send publication orders for the above documents to the National Technical Information Service, 5285 Port Royal Road, Springfield, Virginia 22161, identifying each subscription by the NTSB Report Number or the NTIS accession number. Telephone (703) 487-4630 (annual subscriptions) or (703) 487-4650 (single copies or microfiche). The NTSB Report Number and the NTIS accession number can be obtained from the NTSB Public Inquiries Section.

B. Access to transportation accident files (all modes). All files dated prior to January 1, 1978, are in hard copy form and are maintained in the Federal Records Center. Files dated January 1, 1978, to present are maintained in microfiche at the NTSB headquarters. All documents in the Board's public files may be examined, without charge, in the Board's public reference room, located in the Public Inquiries Section, Room 805F, 800 Independence Avenue, SW., Washington, DC, telephone (202) 382-6735. A self-service duplicator in the reference room is available for use by the public at a nominal cost. Usually, two weeks' time is required to service a request for reproduction. Filing any request for reproduction of a file that must be retrieved from the Federal Records Center will require two additional weeks.

(1) Availability of accident files. All transportation mode accident files are retained in accordance with the following schedule:

- a. Air carrier accident files and all public hearing files are retained for a period of fifteen (15) years and then destroyed.
- b. All other transportation accident files are retained for a period of seven (7) years and then destroyed.

(2) Reproduction of accident files. Reproduction of accident files (statements, photographs, hearing transcripts, and other material contained in the Board's accident investigation files) is provided by commercial contractor. Reproduction of printed matter and photographs are made from the best copy available. Requests must be forwarded to the Public Inquiries Section, National Transportation Safety Board, Washington, DC 20594. The contractor may bill and/or require full payment before duplicating the requested documents. Fees are subject to change depending upon the terms of the Board's annual contract.
