

## **City of Albuquerque Aviation Department**

### **FY 2009 DBE OVERALL GOALS**

July 2008

ACDBELO – Cara MacNinch  
City of Albuquerque - Aviation Department  
Albuquerque International Sunport (ABQ)  
PO Box 9948  
Albuquerque, NM 87119-1048  
Telephone No: 505-244-7716  
Fax No: 505-244-7793  
Email Address: [cmacninch@cabq.gov](mailto:cmacninch@cabq.gov)

**FAA Overall Goals (\$26.45)**

**Name of Recipient:** City of Albuquerque – Aviation Department

**Goal Period:** October 1, 2008 through September 30, 2009

**DOT Assisted Contract Amount:** \$15,399,460      **DBE Goal:** 10.11%

**Total Dollar Amount to be Expended on DBE's:** \$15,399,460

**Number and Type of Projects for this FY:**

1. Albuquerque International Sunport – South General Apron Reconstruction
2. Double Eagle II Airport – Runway 4-22 and Taxiway A Reconstruction
3. Double Eagle II Airport – Taxiway B Reconstruction

**Market Area:** The market area was determined to be Market Area One. Market Area One consists of the Geographical area where the Albuquerque International Sunport and Double Eagle II Airport are located (Geographical Area One). Geographical Area One is comprised of the following counties: Sandoval, Santa Fe, Bernalillo, Los Alamos and Valencia. Market Area One was determined as the market area because a substantial majority of the contractors and subcontractors (at least 46%) are established within this area.

**Analysis**

**Project One: Albuquerque International Sunport – South General Apron Reconstruction**  
**Total Project Amount:** \$10,075,000

**Step One:** The method used to calculate the relative availability of the DBE's for step one in this process utilizes 26.45(c)(1) DBE Directories and Census Bureau Data. The base figure was determined by weighing each work item and multiplying that number by the total DBE firms in the local market area by the total of all firms in the market area.

**TABLE 1**  
**PROJECT ONE: ALBUQUERQUE INTERNATIONAL SUNPORT –SOUTH GENERAL APRON RECONSTRUCTION**

NAICS Code	Work Item	DBE's in Market Area	All Available Firms	Total Amount	Weight Factor
2381	Excavation	10	361	\$60,000	1%
23811	Concrete	9	87	\$628,000	6%
54138/54169	Inspection/Testing	1	92	\$1,350,000	13%
237/2373	Heavy Construction/Highway, Streets	13	237	\$1,950,000	19%
238	Markings, Other Specialty Contractors	17	1589	\$40,000	1%
48411	Trucking	6	39	\$6,047,000	60%
<b>TOTAL</b>		<b>56</b>	<b>2405</b>	<b>\$10,075,00</b>	<b>100.00%</b>

*Source: County Business Patterns and NMDOT DBE Directory*

The construction estimate for this project is \$10,075,000. Of that amount, \$60,000 or 1% is anticipated for excavation, \$628,000 or 6% is anticipated for concrete work, \$1,350,000 or 13% is anticipated for

testing/inspection, \$1,950,000 or 19% is anticipated for heavy construction, \$40,000 or 1% is anticipated for markings or other specialty contractors, and \$6,047,000 or 60% is anticipated for trucking.

Therefore, the baseline DBE goal for this contract was weighted so that it would more accurately reflect the potential DBE participation, as shown below.

E = Excavation  
HC = Heavy Construction

C = Concrete  
M = Markings

T/I = Inspection/Testing  
T = Trucking

$$\begin{aligned} \text{Project One Base Figure} &= \% E \times \frac{\# \text{ DBE in Local market (E)}}{\# \text{ All Firms (E)}} + \% C \frac{\# \text{ DBE in Local Market (C)}}{\# \text{ All Firms (C)}} + \\ &\quad \% M \times \frac{\# \text{ DBE in Local market (M)}}{\# \text{ All Firms (M)}} + \% T \times \frac{\# \text{ DBE in Local Market (T)}}{\# \text{ All Firms (T)}} + \\ &\quad \% I/T \frac{\# \text{ DBE in Local Market (I/T)}}{\# \text{ All Firms (I/T)}} + \% HC \times \frac{\# \text{ DBE in Local Market (HC)}}{\# \text{ All Firms (HC)}} + \end{aligned}$$

$$\text{Project One Base Figure} = .01(10/361) + .06 (9/87) + .01(17/1589) + .60(6/39) + .13(1/92) + .19(13/237)$$

$$\text{Project One Base Figure} = 11.07\%$$

**Project Two: Double Eagle II Airport - Runway 4-22 and Taxiway A Reconstruction**  
**Total Project Amount: \$4,525,791**

**Step One:** The method used to calculate the relative availability of the DBE's for step one in this process utilizes 26.45(c)(1) DBE Directories and Census Bureau Data. The base figure was determined by weighing each work item and multiplying that number by the total DBE firms in the local market area by the total of all firms in the market area.

**TABLE 2**  
**PROJECT TWO: ALBUQUERQUE INTERNATIONAL SUNPORT**  
**RUNWAY 4-22 AND TAXIWAY A RECONSTRUCTION**

NAICS Code	Work Item	DBE's in Market Area	All Available Firms	Total Amount	Weight Factor
2381	Excavation	10	361	\$ 393,599	9%
238	Markings, Other Specialty Contractors	17	1589	\$ 32,458	1%
54138/54169	Inspection/Testing	1	92	\$213,500	5%
48411	Trucking	6	39	\$ 2,707,920	59%
23821	Electrical	5	283	\$ 529,718	12%
237/2373	Heavy Construction/Highway, Streets	13	237	\$ 648,596	14%
<b>TOTAL</b>		<b>52</b>	<b>2601</b>	<b>\$ 4,525,791</b>	<b>100.00%</b>

Source: County Business Patterns and NMDOT DBE Directory

The construction estimate for this project is \$4,525,791. Of that amount, \$393,599 or 9% is anticipated for excavation, \$32,458 or 1 % is anticipated for markings or other specialty contractors, \$213,500 or 5% is anticipated for testing/inspection, \$2,707,920 or 59% is anticipated for trucking, \$529,718 or 12% is anticipated for electrical, and \$648,596 or 14% is anticipated for heavy construction.

Therefore, the baseline DBE goal for this contract was weighted so that it would more accurately reflect the potential DBE participation, as shown below.

E = Excavation                      M = Markings                      I/T = Inspection/Testing  
T = Trucking                          EL = Electrical                      HC = Heavy Construction

$$\begin{aligned}
 \text{Project Two Base Figure} = & \% E \times \frac{\# \text{ DBE in Local market (E)}}{\# \text{ All Firms (E)}} + \% M \times \frac{\# \text{ DBE in Local Market (M)}}{\# \text{ All Firms (M)}} + \\
 & \% I/T \times \frac{\# \text{ DBE in Local market (I/T)}}{\# \text{ All Firms (I/T)}} + \% T \times \frac{\# \text{ DBE in Local Market (T)}}{\# \text{ All Firms (T)}} + \\
 & \% EL \times \frac{\# \text{ DBE in Local Market (EL)}}{\# \text{ All Firms (EL)}} + \% HC \times \frac{\# \text{ DBE in Local Market (HC)}}{\# \text{ All Firms (HC)}}
 \end{aligned}$$

**Project Two Base Figure = .09(10/361)+.01(17/1589)+.05(1/92)+.59(6/39)+.12(5/283)+.14(13/237)**

**Project Two Base Figure = 10.37%**

**Project Three: Double Eagle II Airport – Taxiway B Extension**  
**Total Project Amount: \$798,669**

**Step One:** The method used to calculate the relative availability of the DBE's for step one in this process utilizes 26.45(c)(1) DBE Directories and Census Bureau Data. The base figure was determined by dividing the total DBE number firms in the local market area by the total of all firms in the market area.

**TABLE 3**  
**PROJECT THREE: DOUBLE EAGLE II AIRPORT – TAXIWAY B EXTENSION**

NAICS Code	Work Item	DBE's in Market Area	All Available Firms	Total Amount	Weight Factor
2381	Excavation	10	361	\$57,500	7%
238	Markings, Other Specialty Contractors	17	1589	\$8,000	1%
54138/54169	Inspection/Testing	1	92	\$ 30,000	4%
48411	Trucking	6	39	\$ 402,885	50%
44422	Lawn/Garden	2	35	\$ 10,000	1%
541330	Engineering Services	7	266	\$ 110,000	14%
237/2373	Heavy Construction/Highway, Streets	13	237	\$ 180,284	23%
<b>TOTAL</b>		<b>56</b>	<b>2619</b>	<b>\$ 798,669</b>	<b>100.00%</b>

*Source: County Business Patterns and NMDOT DBE Directory*

The construction estimate for this project is \$798,669. Of that amount, \$57,500 or 7% is anticipated for excavation, \$8,000 or 1 % is anticipated for markings or other specialty contractors, \$30,000 or 4% is anticipated for testing/inspection, \$402,885 or 50% is anticipated for trucking, \$10,000 or 1% is anticipated for lawn/garden, and \$180,284 or 23% is anticipated for heavy construction.

Therefore, the baseline DBE goal for this contract was weighted so that it would more accurately reflect the potential DBE participation, as shown below.

E = Excavation      M = Markings      I/T = Inspection/Testing      EN= Engineering  
T = Trucking      L/G= Lawn/Garden      HC = Heavy Construction

$$\text{Project Three Base Figure} = \% E \times \frac{\# \text{ DBE in Local market (E)}}{\# \text{ All Firms (E)}} + \% M \times \frac{\# \text{ DBE in Local Market (M)}}{\# \text{ All Firms (M)}} +$$

$$\% I/T \times \frac{\# \text{ DBE in Local market (I/T)}}{\# \text{ All Firms (I/T)}} + \% T \times \frac{\# \text{ DBE in Local Market (T)}}{\# \text{ All Firms (T)}} +$$

$$\% L/G \times \frac{\# \text{ DBE in Local Market (L/G)}}{\# \text{ All Firms (L/G)}} + \% EN \times \frac{\# \text{ DBE in Local Market (EN)}}{\# \text{ All Firms (EN)}} +$$

$$\% HC \times \frac{\# \text{ DBE in Local Market (HC)}}{\# \text{ All Firms (HC)}}$$

$$\text{Project Three Base Figure} = .07(10/361) + .01(17/1589) + .04(1/92) + .50(6/39) + .01(2/35) + .14(7/266) + .23(13/237)$$

$$\text{Project Three Base Figure} = 9.63\%$$

Following the procedures of calculating a base figure for each project, an additional weight factor will be applied to each project's base figure based on their preliminary project budget estimates. Those weight factors can be seen in the table below.

**TABLE 4  
CITY OF ALBUQUERQUE – AVIATION DEPARTMENT FY 2008 WEIGHT FACTORS**

Project (Contract)	Amount of Estimate	Project Base Figure	% of Total Estimate/Weight Factor
1 - Construction	\$10,075,000	11.07%	65%
2 - Construction	\$ 4,525,791	10.37%	29%
3 - Construction	\$ 798,669	9.63%	6%
<b>Total</b>	<b>\$ 15,399,460</b>	-	<b>100%</b>

The Overall Base Figure is calculated by multiplying each project's base figure by its weight factor, and adding them together.

$$\text{City of Albuquerque Aviation Base Figure} = (.65 * .1107) + (.29 * .1037) + (.06 * .0963)$$

$$\text{City of Albuquerque Aviation Base Figure} = 10.78\%$$

**Step Two:** This step is intended to adjust the base figure percentage calculated in Step One to reflect as accurately as possible the DBE participation that the City of Albuquerque – Aviation Department would expect in the absence of discrimination.

We have considered all of the other factors, which include the current capacity of DBE's to perform work in the DOT assisted program. We also considered the available evidence from related fields that affect the opportunities for DBE firms to form, grow, and compete and in our research, none of the previous mentioned factors require an adjustment to the base figure.

Our base figure is not the goal of another recipient, and therefore was not considered as an adjustment factor.

In our research, we discovered that a disparity study was done by B.B.C. Research, out of Denver, Colorado, for the State of New Mexico in 1995. This information is outdated and accordingly, it was not considered as an adjustment factor.

There have been projects within the City of Albuquerque – Aviation Department that are similar to the FY 2009 projects. Table 5 reflects the overall goal, and achieved goal for similar projects within the City of Albuquerque – Aviation Department.

**TABLE 5**  
**CITY OF ALBUQUERQUE – AVIATION DEPARTMENT PAST PARTICIPATION**

AIP Number	Description	Overall Goal	Achieved Goal
3-35-0002-009-2004	Runway Rehabilitation	7.75%	0.5%
3-35-0003-026-2002	Runway/Taxiway Rehabilitation	10%	1.30%
3-35-0003-027-2002			
3-35-0003-021-1998	Runway Rehabilitation	10%	94%
3-35-0003-020-1997			
3-35-0003-019-1996	Runway Rehabilitation	10%	20.24%

In the past six years, there have been projects that have similar contracting opportunities at Albuquerque Sunport and the Double Eagle II Airport. There have been four similar projects at both the Albuquerque Sunport and the Double Eagle II Airport over that past eleven years. Due to the similarity in contracting possibilities, past participation is going to be considered as an adjustment factor. Past participation will be accounted for by averaging the FY 2009 base figure with the historical median achieved goal and dividing by two.

$$\text{Overall Adjusted Goal} = \frac{10.78\% (\text{Base Figure}) + 9.44\% (\text{Historical Average})}{2}$$

$$\text{Overall Adjusted Goal} = 10.11\%$$

The proposed overall goal for the City of Albuquerque – Aviation Department can be seen below.

$$\text{City of Albuquerque - Aviation Department Proposed Overall Goal} = 10.11\%$$

Breakout of Estimated Race-Neutral & Race Conscious Participation (§26.51 (b) (1-9))

The City of Albuquerque – Aviation Department will meet the maximum feasible portion of its overall goal by using race-neutral means of facilitating DBE participation. The City of Albuquerque - Aviation Department uses the following race-neutral means to increase DBE participation: By arranging solicitations, times for the presentation of bids, quantities, specifications, and delivery schedules in a way to facilitate DBE, and other small businesses, participation (e.g., requiring and/or encouraging prime contractors to subcontract portions of work that they might otherwise perform with their own forces).

The following is a summary of the basis of our estimated breakout of race-neutral and race-conscious DBE participation. As can be seen from Table 5, with the exception of the runway rehabilitation projects in the late 1990s, where the prime contractor was a certified DBE, the DBE goals for similar projects within the City of Albuquerque – Aviation Department have not been achieved. Therefore, the City of Albuquerque – Aviation Department estimates that in meeting its overall goal of 10.11%, we will obtain 0% from race-neutral participation and 10.11% from race-conscious participation.

The City of Albuquerque – Aviation Department will adjust the estimated breakout of race-neutral and race-conscious DBE participation as needed to reflect actual DBE participation (see Section 26.51(f)) and track and report race-neutral and race-conscious participation separately. For reporting purposes, race-neutral DBE participation includes, but is not necessarily limited to, the following: DBE participation through a prime contract obtained through customary competitive procurement procedures; DBE participation through a subcontract on a prime contract that does not carry a DBE goal, DBE participation on a prime contract exceeding a contract goal and DBE participation through a subcontract from a prime contractor that did not consider a firm's DBE status in making the award.

**Public Participation**

Consultation

In an effort to establish a level playing field, the following organizations were contacted:

Albuquerque SCORE  
The Associated Contractors of New Mexico  
Albuquerque Small Business Development Center

The overall goal adopted for this year (FY 2009) was developed while consulting with the above named firms. Letters were sent out to the above named firms on July 11, 2008. Copies of the letters can be seen at the end of this attachment. All comments were due back by July 28, 2008. After this time, if any comments are received, they will be addressed and added to the attachments of the final copy of the DBE goals.

Public Notice

The proposed goal and rationale was advertised in the Albuquerque Journal, 7777 Jefferson NE, Albuquerque, NM 87109, 505-823-3800.

Sample Public Notice Language:

Disadvantaged Business Enterprise (DBE) Goals for Federal Fiscal Year 2009

The City of Albuquerque – Aviation Department hereby announces its fiscal year 2009 DBE Goal of 10.11% for airport construction projects. The proposed goal and goal setting methodology are available for inspection between 8:00 a.m. and 5:00 p.m. Monday through Friday for a period of 30 days following the date of this notice at the Albuquerque International Sunport, Aviation Department, 2200 Sunport Blvd. SE, Albuquerque, New Mexico 87106. The fiscal year 2009 DBE goals will also be available for viewing on the internet at <http://www.cabq.gov/airport/>.

The Aviation Department will accept comments on the DBE goals for 45 days from the date of this notice. Comments can be sent to either of the following:

DBELO  
Cara M. MacNinch  
Business Development  
City of Albuquerque - Aviation Department  
Albuquerque International Sunport  
P.O. Box 9948  
Albuquerque, NM 87119-1048

Federal Aviation Administration  
Civil Rights Staff, ASW-9C  
2601 Meacham Boulevard  
Fort Worth, TX 76137-4298

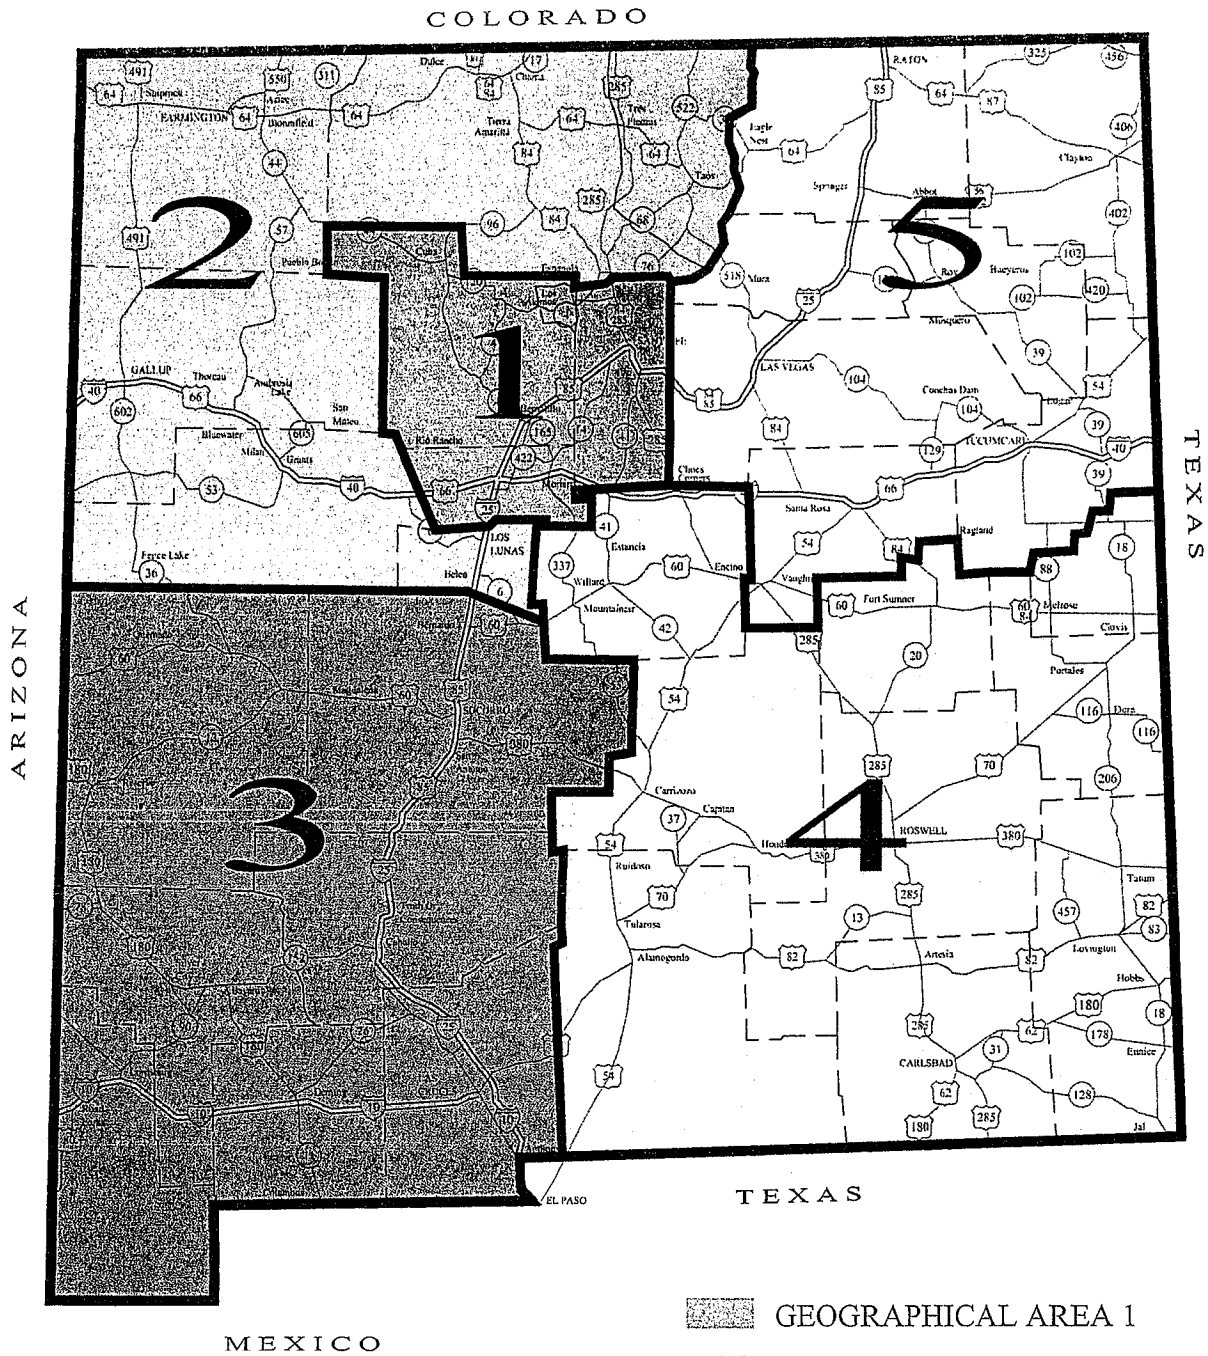

Contract Goals

The City of Albuquerque – Aviation Department will use contract goals to meet any portion of the overall goal that the recipient does not project being able to meet using race-neutral means. Contract goals are established so that, over the period to which the overall goal applies, they will cumulatively result in meeting any portion of the recipient's overall goal that is not projected to be met through the use of race-neutral means.

The City of Albuquerque – Aviation Department will establish contract goals only on those DOT-assisted contracts that have subcontracting possibilities. It need not establish a contract goal on every such contract, and the size of the contract goals will be adapted to the circumstances of each such contract (e.g., type and location of work and availability of DBE's to perform the particular type of work).

The City of Albuquerque – Aviation Department will express its contract goals as a percentage of the total amount of DBE-assisted contract.

**RE: City of Albuquerque-Aviation Department Disadvantaged  
Business Enterprise Program-FY 2009 Overall Goals**

SMP11-23.D20

Dear Sir or Madam:

We are in the process of completing the overall goal portion of the City of Albuquerque-Aviation Department Disadvantaged Business Enterprise (DBE) Plan. According to 49 CFR Parts 23 and 26, as part of our public participation process, we are requesting that you please review the enclosed overall goals for the City of Albuquerque-Aviation Department and fill out the enclosed sheet with your comments.

The City of Albuquerque-Aviation Department utilizes the DBE database of the New Mexico Department of Transportation. Encouraging minority-owned and women-owned businesses to participate in this program might increase the percentages for future projects. For information on how to participate in the DBE program through the NMDOT, please contact Mr. Lance Lalich at 505-827-1776.

Please send your comments no later than July 28, 2008. You can fax your comments to Ms. Jacquie Martinez at 505-242-0673 or e-mail your comments to [jmartinez@molzencorbin.com](mailto:jmartinez@molzencorbin.com), or mail your comments to Ms. Jacquie Martinez at 2701 Miles Road, SE, Albuquerque, New Mexico 87106. Additionally, if you have information of DBE businesses (contractors, material suppliers, etc.), please share with them the potential of work under these projects.

We would like to thank you in advance for your help. If you have any questions or need any additional information, please call me at 505-242-5700.

Sincerely,

MOLZEN-CORBIN & ASSOCIATES

**RE: City of Albuquerque-Aviation Department Disadvantaged  
Business Enterprise Program-FY 2009 Overall Goals**

SMP11-23.D20

Dear Sir or Madam:

We are in the process of completing the overall goal portion of the City of Albuquerque-Aviation Department Disadvantaged Business Enterprise (DBE) Plan. According to 49 CFR Parts 23 and 26, as part of our public participation process, we are requesting that you please review the enclosed overall goals for the City of Albuquerque-Aviation Department and fill out the enclosed sheet with your comments.

The City of Albuquerque-Aviation Department utilizes the DBE database of the New Mexico Department of Transportation. Encouraging minority-owned and women-owned businesses to participate in this program might increase the percentages for future projects. For information on how to participate in the DBE program through the NMDOT, please contact Mr. Lance Lalich at 505-827-1776.

Please send your comments no later than July 28, 2008. You can fax your comments to Ms. Jacquie Martinez at 505-242-0673 or e-mail your comments to [jmartinez@molzencorbin.com](mailto:jmartinez@molzencorbin.com), or mail your comments to Ms. Jacquie Martinez at 2701 Miles Road, SE, Albuquerque, New Mexico 87106. Additionally, if you have information of DBE businesses (contractors, material suppliers, etc.), please share with them the potential of work under these projects.

We would like to thank you in advance for your help. If you have any questions or need any additional information, please call me at 505-242-5700.

Sincerely,

MOLZEN-CORBIN & ASSOCIATES
