DEPARTMENT OF THE TREASURY**Fiscal Service****31 CFR Parts 351, 353, 359, 360, and 363****Offering and Governing Regulations for Series EE and Series I Savings Bonds, TreasuryDirect**

AGENCY: Bureau of the Public Debt, Fiscal Service, Treasury.

ACTION: Final rule.

SUMMARY: This rule lowers the annual purchase limitation per person for Series EE and Series I savings bonds, and eliminates the definitive \$10,000 denomination for Series I savings bonds.

DATES: Effective: January 1, 2008.

ADDRESSES: You can download this final rule at the following Internet addresses: <http://www.publicdebt.treas.gov> or <http://www.gpoaccess.gov/ecfr>.

FOR FURTHER INFORMATION CONTACT:

Elisha Whipkey, Director, Division of Program Administration, Office of Securities Operations, Bureau of the Public Debt, at (304) 480-6319 or elisha.whipkey@bpd.treas.gov.

Susan Sharp, Attorney-Adviser, Dean Adams, Assistant Chief Counsel, Edward Gronseth, Deputy Chief Counsel, Office of the Chief Counsel, Bureau of the Public Debt, at (304) 480-8692 or susan.sharp@bpd.treas.gov.

SUPPLEMENTARY INFORMATION: This rule lowers the annual purchase limitation for Series EE and Series I savings bonds. Prior to this rule, an investor could purchase \$30,000 each of definitive and book-entry Series EE savings bonds and \$30,000 each of definitive and book-entry Series I savings bonds per person, per calendar year. This rule will permit an investor to purchase a principal amount of \$5,000 each of definitive and book-entry Series EE savings bonds and \$5,000 each of definitive and book-entry Series I savings bonds per person, per calendar year. As a result of the change in the annual purchase limitation, we are withdrawing the \$10,000 Series I definitive savings bond denomination on original issue.

The change will permit Treasury to continue to offer savings options for investors with limited means and market opportunities, while encouraging those with greater financial resources to participate in marketable Treasury securities auctions, which are a more efficient means for Treasury to issue debt. Both savings bonds and marketable securities are offered to individuals through TreasuryDirect, which is an internet-accessed, book-entry system for purchasing, holding,

and conducting transactions in Treasury securities. Reducing the cap on yearly purchases will not affect the vast majority of current savings bond purchasers, approximately 98 percent of whom buy less than \$5,000, our new cap, annually.

Procedural Requirements

This final rule does not meet the criteria for a "significant regulatory action" as defined in Executive Order 12866. Therefore, a regulatory assessment is not required.

Because this final rule relates to matters of public contract and procedures for United States securities, notice and public procedure and delayed effective date requirements are inapplicable, pursuant to 5 U.S.C. 553(a)(2).

As no notice of proposed rulemaking is required, the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) does not apply.

We ask for no new collections of information in this final rule. Therefore, the Paperwork Reduction Act (44 U.S.C. 3507) does not apply.

Subpart B—Registration

§ 353.5 General rules.

(a) *Registration is conclusive of ownership.* Savings bonds are issued only in registered form. The registration must express the actual ownership of, and interest in, the bond. The registration is conclusive of ownership, except as provided in § 353.49.

The taxpayer identifying number of the second-named co-owner or beneficiary is not required but its inclusion is desirable. The registration of all bonds owned by the same person, organization, or fiduciary should be uniform with respect to the name of the owner and any description of the fiduciary capacity. An individual should be designated by the name he or she is ordinarily known by or uses in business, including at least one full given name. The name may be preceded or followed by any applicable title, such as *Miss, Mr., Mrs., Ms., Dr., Rev., M.D.,* or *D.D.* A suffix, such as *Sr.* or *Jr.*, must be included when ordinarily used or when necessary to distinguish the owner from another member of his family. Bonds so inscribed will not be associated with the purchaser's own holdings. Bonds so registered will not be associated with the purchaser's own holdings. If the purchaser so requests, a bond may be inscribed to provide a "Mail to" instruction, followed by a delivery name and address. No rights of ownership are conferred on such designee.

[44 FR 76441, Dec. 26, 1979, as amended at 55 FR 575, Jan. 5, 1990; 71 FR 46857, Aug. 15, 2006]

§ 353.6 Restrictions on registration.

(a) *Natural persons.* Only an individual in his or her own right may be designated as coowner or beneficiary along with any other individual, whether on original issue or reissue, except as provided in § 353.7(f).

(b) *Residence.* The designation of an owner or first-named coowner is restricted, on original issue only, to persons (whether individuals or others) who are:

(1) Residents of the United States, its territories or possessions, or the Commonwealth of Puerto Rico;

(2) Citizens of the United States residing abroad;

(3) Civilian employees of the United States or members of its armed forces, regardless of their residence or citizenship; and

(4) Residents of Canada or Mexico who work in the United States but only if the bonds are purchased on a payroll savings plan and the owner provides a taxpayer identifying number.

A nonresident alien may be designated coowner or beneficiary or, on authorized reissue, owner, unless the nonresident alien is a resident of an area with respect to which the Department of the Treasury restricts or regulates the delivery of checks drawn against funds of the United States or its agencies or instrumentalities. See Department of the Treasury Circular No. 655, current revision (31 CFR part 211). Reg-

istration is not permitted in any form which includes the name of any alien who is a resident of any restricted area.

(c) *Minors.* (1) Minors may purchase with their wages, earnings, or other funds belonging to them and under their control bonds registered in their names alone or with a coowner or beneficiary.

(2) Bonds purchased by another person with funds belonging to a minor not under legal guardianship or similar fiduciary estate must be registered, without a coowner or beneficiary, in the name of the minor or a natural guardian on behalf of a minor.

(3) Bonds purchased with funds of another may be registered to name the minor as owner, coowner, or beneficiary. If the minor is under legal guardianship or similar fiduciary estate, the registration must include an appropriate reference to it.

(4) Bonds purchased as a gift to a minor under a gift-to-minors statute must be registered as prescribed by the statute and no coowner or beneficiary may be named.

(5) Bonds purchased by a representative of a minor's estate must be registered in the name of the minor and must include in the registration an appropriate reference to the guardianship or similar fiduciary estate. Bonds purchased by a representative of the estates of two or more minors, even though appointed in a single proceeding, must be registered in the name of each minor separately with appropriate reference to the guardianship or similar fiduciary estate.

(d) *Incompetents.* Bonds may be registered to name as owner, coowner, or beneficiary an incompetent for whose estate a guardian or similar representative has been appointed, except that a coowner or beneficiary may not be named on bonds purchased with funds belonging to the incompetent. The registration must include appropriate reference to the guardianship or similar fiduciary estate. Bonds should not be registered in the name of an incompetent unless there is a representative for his or her estate, except as provided in § 353.64.

[44 FR 76441, Dec. 26, 1979, as amended at 63 FR 64551, Nov. 20, 1998]

§ 353.7 Authorized forms of registration.

Subject to any limitations or restrictions contained in these regulations on the right of any person to be named as owner, coowner, or beneficiary, bonds should be registered as indicated below. A savings bond registered in a form not substantially in agreement with one of the forms authorized by this subpart is not considered validly issued.

(a) *Natural persons.* A bond may be registered in the names of individuals in their own right, but only in one of the forms authorized by this paragraph.

(1) *Single ownership form.* A bond may be registered in the name of one individual. Example:

John A. Jones 123-45-6789 P.O.D. Ella S. Jones 987-65-4321.

(b) *Fiduciaries (including legal guardians and similar representatives, certain custodians, natural guardians, executors, administrators, and trustees)*—(1) *General.* A bond may be registered in the name of any person or persons or any organization acting as fiduciary of a single fiduciary estate, but not where the fiduciary will hold the bond merely or principally as security for the performance of a duty, obligation, or service. Registration should conform to a form authorized by this paragraph. A coowner or beneficiary may be named only in accordance with the applicable provisions of § 353.6 (c) and (d). A common trust fund established and main-

tained by a financial institution authorized to act as a fiduciary will be considered a single fiduciary estate within the meaning of these regulations.

(2) *Legal guardians, conservators, similar representatives, certain custodians.* A bond may be registered in the name and title or capacity of the legally appointed or authorized representative of the estate of a minor, incompetent, aged or infirm person, absentee, et al., or in the name of that individual followed by an appropriate reference to the estate. § 353.11 Computation of amount.

(a) *General*. The purchases of bonds in the name of any person in an individual capacity are computed separately from purchases in a fiduciary capacity. A pension or retirement fund, or an investment, insurance, annuity, or similar fund or trust is regarded as an entity, regardless of the number of beneficiaries or the manner in which their shares or interests are established, determined, or segregated.

(b) *Bonds included in computation*. In computing the purchases for each person, the following outstanding bonds are included:

(1) All bonds registered in the name of that person alone;

(2) All bonds registered in the name of the representative of the estate of that person; and

[68 FR 24805, May 8, 2003]

§ 353.13 Employee plans—Conditions of eligibility.

(a) *Definition of plan.* Employee thrift, savings, vacation and similar plans are contributory plans established by the employer for the exclusive and irrevocable benefit of its employees or their beneficiaries. Each plan must afford employees the means of making regular savings from their wages through payroll deductions and provide for employer contributions to be added to these savings.

(b) *Definition of terms used in this section.* (1) The term *assets* means all the employees' contributions and assets purchased with them and the employer's contributions and assets purchased with them, as well as accretions, such as dividends on stock, the increment in

value on bonds and all other income; but, notwithstanding any other provision of this section, the right to demand and receive *all assets* credited to the account of an employee shall not be construed to require the distribution of assets in kind when it would not be possible or practicable to make such a distribution; for example, Series EE bonds may not be reissued in unauthorized denominations.

(2) The word *beneficiary* means: (i) The person or persons, if any, designated by the employee in accordance with the terms of the plan to receive the benefits of the plan upon the employee's death or (ii) the estate of the employee.

(c) *Conditions of eligibility.* An employee plan must conform to the following rules in order to be eligible for the special limitation provided in § 353.10.

(1) *Crediting of assets.* All assets of a plan must be credited to the individual accounts of participating employees and may be distributed only to them or their beneficiaries, except as provided in paragraph (c)(3) of this section.

(2) *Purchase of bonds.* Bonds may be purchased only with assets credited to the accounts of participating employees and only if the amount taken from any account at any time for that purpose is equal to the purchase price of a bond or bonds in an authorized denomination or denominations, and shares in the bonds are credited to the accounts of the individuals from which the purchase price was derived, in amounts corresponding with their shares. For example, if \$50 credited to the account of John Jones is commingled with funds credited to the accounts of other employees to make a total of \$5,000 with which a Series EE bond in the denomination of \$10,000 (face amount) is purchased in December 1980 and registered in the name and title of the trustee, the plan must provide, in effect, that John Jones' account be credited to show that he is the owner of a Series EE bond in the denomination of \$100 (face amount) bearing an issue date of December 1, 1980.

(3) *Irrevocable right of withdrawal.* Each participating employee has an irrevocable right to request and receive from the trustee all assets credited to

§ 353.15

the employee's account (or their value, if the employee prefers) without regard to any conditions other than the loss or suspension of the privilege of participating further in the plan. A plan may limit or modify such right in any manner required for qualification of the plan under section 401 of the Internal Revenue Code of 1954, as amended (26 U.S.C. section 401).

(4) *Rights of beneficiary.* Upon the death of an employee, his or her beneficiary shall have the absolute and unconditional right to demand and receive from the trustee all assets credited to the account of the employee or their value, if he or she so prefers.

(5) *Reissue or payment upon distribution.* When settlement is made with an employee or his or her beneficiary with respect to any bond registered in the name and title of the plan trustee in which the employee has a share, the bond must be paid or reissued to the extent of the share. If an employee or the beneficiary is to receive distribution in kind, bonds bearing the same issue dates as those credited to the employee's account will be reissued in the name of the employee or the employee's beneficiary to the extent entitled, in authorized denominations, in any authorized form of registration, upon the request and certification of the trustee.

(d) *Application for special limitation.* A trustee of an employee plan who desires to purchase bonds under the special limitation should submit to the designated Federal Reserve Bank or Branch a copy of:

(1) The plan, (2) any instructions issued under the plan that concern Series EE bonds, and (3) the trust agreement, in order to establish the plan's eligibility.

(e) *Vacation plans.* Savings bonds may be purchased under certain vacation plans. Questions concerning the eligibility of these plans to purchase bonds in excess of the general limitation should be addressed to the Bureau of the Public Debt, Parkersburg, WV 26101.

Subpart D—Limitations on Transfer or Pledge

§ 353.15 Transfer.

Savings bonds are not transferable and are payable only to the owners named on the bonds, except as specifically provided in these regulations and then only in the manner and to the extent so provided.

§ 353.16 Pledge.

A savings bond may not be hypothecated, pledged, or used as security for the performance of an obligation.

Subpart E—Judicial Proceedings

§ 353.20 General.

(a) The Department of the Treasury will not recognize a judicial determination that gives effect to an attempted voluntary transfer inter vivos of a bond, or a judicial determination that impairs the rights of survivorship conferred by these regulations upon a co-owner or beneficiary. All provisions of this subpart are subject to these restrictions.

(b) The Department of the Treasury will recognize a claim against an owner of a savings bond and conflicting claims of ownership of, or interest in, a bond between coowners or between the registered owner and the beneficiary, if established by valid judicial proceedings, but only as specifically provided in this subpart. Section 353.23 specifies the evidence required to establish the validity of the judicial proceedings.

(c) The Department of the Treasury and the agencies that issue, reissue, or redeem savings bonds will not accept a notice of an adverse claim or notice of pending judicial proceedings, nor undertake to protect the interests of a litigant not in possession of a savings bond.

§ 353.21 Payment to judgment creditors.

(a) *Purchaser or officer under levy.* The Department of the Treasury will pay (but not reissue) a savings bond to the purchaser at a sale under a levy or to the officer authorized under appropriate process to levy upon property of

the registered owner or coowner to satisfy a money judgment. Payment will be made only to the extent necessary to satisfy the money judgment. The amount paid is limited to the redemption value 60 days after the termination of the judicial proceedings. Except in a case of a levy by the Internal Revenue Service, payment of a bond registered in coownership form pursuant to a judgment or a levy against only one coowner is limited to the extent of that coowner's interest in the bond. That interest must be established by an agreement between the coowners by judgment, decree, or order of a court in a proceeding to which both coowners are parties. Payment of a bond registered in coownership form pursuant to levy by the Internal Revenue Service will be made if the levy is against either coowner on the bond.

(b) *Trustee in bankruptcy, receiver, or similar court officer.* The Department of the Treasury will pay, at current redemption value, a savings bond to a trustee in bankruptcy, a receiver of an insolvent's estate, a receiver in equity, or a similar court officer under the provisions of paragraph (a) of this section.

[44 FR 76441, Dec. 26, 1979, as amended at 63 FR 64551, Nov. 20, 1998]

§ 353.22 Payment or reissue pursuant to judgment.

(a) *Divorce.* The Department of the Treasury will recognize a divorce decree that ratifies or confirms a property settlement agreement disposing of bonds or that otherwise settles the interests of the parties in a bond. Reissue of a savings bond may be made to eliminate the name of one spouse as owner, coowner, or beneficiary or to substitute the name of one spouse for that of the other spouse as owner, coowner, or beneficiary pursuant to the decree. However, if the bond is registered in the name of one spouse with another person as coowner, there must be submitted either:

(1) A request for reissue by the other person or (2) a certified copy of a judgment, decree, or court order entered in proceedings to which the other person and the spouse named on the bond are parties, determining the extent of the interest of that spouse in the bond. Reissue will be permitted only to the ex-

tent of that spouse's interest. The evidence required under § 353.23 must be submitted in every case. When the divorce decree does not set out the terms of the property settlement agreement, a certified copy of the agreement must be submitted. Payment, rather than reissue, will be made if requested.

(b) *Gift causa mortis.* A savings bond belonging solely to one individual will be paid or reissued at the request of the person found by a court to be entitled by reason of a gift causa mortis from the sole owner.

(c) *Date for determining rights.* When payment or reissue under this section is to be made, the rights of the parties will be those existing under the regulations current at the time of the entry of the final judgment, decree, or court order.

§ 353.23 Evidence.

(a) *General.* To establish the validity of judicial proceedings, certified copies of the final judgment, decree, or court order, and of any necessary supplementary proceedings, must be submitted. If the judgment, decree, or court order was rendered more than six months prior to the presentation of the bond, there must also be submitted a certification from the clerk of the court, under court seal, dated within six months of the presentation of the bond, showing that the judgment, decree, or court order is in full force.

(b) *Trustee in bankruptcy or receiver of an insolvent's estate.* A request for payment by a trustee in bankruptcy or a receiver of an insolvent's estate must be supported by appropriate evidence of appointment and qualification. The evidence must be certified by the clerk of the court, under court seal, as being in full force on a date that is not more than six months prior to the presentation of the bond.

(c) *Receiver in equity or similar court officer.* A request for payment by a receiver in equity or a similar court officer, other than a receiver of an insolvent's estate, must be supported by a copy of an order that authorizes the presentation of the bond for redemption, certified by the clerk of the court, under court seal, as being in full force on a date that is not more than

six months prior to the presentation of the bond.

§ 353.24 Payment pursuant to judicial or administrative forfeiture.

(a) *Definitions.* As used in this part:

(1) *Contact point* means the individual designated to receive referrals from the Bureau of the Public Debt, as provided for in this section, by the Federal investigative agency, United States Attorney's Office, or forfeiting agency specified in Public Debt Form 1522.

(2) *Forfeiting agency* means the federal law enforcement agency responsible for the forfeiture.

(4) *Public Debt Form 1522* means the written notification of the forfeiture provided by the forfeiting agency to the Bureau of the Public Debt on a Public Debt Form 1522 Special Form of Request for Payment of United States Savings and Retirement Securities Where Use of a Detached Request Is Authorized. Public Debt Form 1522 must specify: the contact point; the issue date of each bond; the serial number for each bond; the date of forfeiture; the forfeiture fund to which payment is to be made; and be signed by an individual authorized by the forfeiting agency. The forfeited bonds and the completed Public Debt Form 1522 are to be mailed to the Department of the Treasury, Bureau of the Public Debt, Parkersburg, WV 26106-1328.

(b) *Forfeiture of bond.* (1) Upon receipt and review of the Public Debt Form 1522, as described in (a)(4) above, the Bureau of the Public Debt will make payment to the forfeiture fund specified on the form.

(2) The Bureau of the Public Debt will record the forfeiture, the forfeiture fund into which the proceeds were paid, the contact point, and any related information.

(3) The Bureau of the Public Debt will rely exclusively upon the informa-

tion provided by the Federal agency in the Public Debt Form 1522 and will not make any independent evaluation of the validity of the forfeiture order, the request for payment, or the authority of the individual signing the request for payment.

(4) The amount paid is limited to the redemption value of the savings bonds as of the date of forfeiture specified in the Public Debt Form 1522.

(c) *Inquiry from previous owner.* (1) Upon payment made pursuant to (b), all inquiries from the previous owner, including requests for payment, re-issue, or applications for relief, related to forfeited savings bonds will be referred by the Bureau of the Public Debt to the contact point named in the Public Debt Form 1522.

(2) The Bureau of the Public Debt will notify the submitter of the inquiry of the referral to the contact point.

(3) The Bureau of the Public Debt will not investigate the inquiry and will defer to the forfeiting agency's determination of the appropriate course of action, including settlement where appropriate. Any settlement will be paid from the forfeiture fund into which the proceeds were deposited.

Subpart F—Relief for Loss, Theft, Destruction, Mutilation, Defacement, or Nonreceipt of Bonds

§ 353.25 General.

Relief, by the issue of a substitute bond or by payment, is authorized for the loss, theft, destruction, mutilation, or defacement of a bond after receipt by the owner or his or her representative. As a condition for granting relief, the Commissioner of the Public Debt, as designee of the Secretary of the Treasury, may require a bond of indemnity, in the form, and with the surety, or security, he considers necessary to protect the interests of the United States. In all cases the savings bond must be identified by serial number and the applicant must submit satisfactory evidence of the loss, theft, or destruction, or a satisfactory explanation of the mutilation or defacement.

Fiscal Service, Treasury

§ 353.31

§ 353.26 Application for relief—After receipt of bond.

(1) If the bond is in beneficiary form and the owner and beneficiary are both living, both will ordinarily be required to join in the application.

(2) If a minor named on a bond as owner, coowner, or beneficiary is not of sufficient competency and understanding to request payment, both parents will ordinarily be required to join in the application.

(e) If the application is approved, relief will be granted either by the issuance of a bond bearing the same issue date as the bond for which the claim was filed or by the issuance of a check in payment.

§ 353.27 Application for relief—Non-receipt of bond.

If a bond issued on any transaction is not received, the issuing agent must be notified as promptly as possible and given all information about the non-receipt. An appropriate form and instructions will be provided. If the application is approved, relief will be granted by the issuance of a bond bearing the same issue date as the bond that was not received. § 353.29 Adjudication of claims.

(a) *General.* The Bureau of the Public Debt will adjudicate claims for lost, stolen or destroyed bonds on the basis of records created and regularly maintained in the ordinary course of business.

(b) *Claims filed 10 years after payment.* A bond for which no claim has been filed within 10 years of the recorded date of redemption will be presumed to have been properly paid. If a claim is subsequently filed, a photographic copy of the bond will not be available to support the disallowance.

(c) *Claims filed six years after final maturity.* No claim filed six years or more after the final maturity of a savings bond will be entertained unless the claimant supplies the serial number of the bond.

Subpart G—Interest

§ 353.30 Series EE bonds.

Series EE bonds are issued at a discount. The accrued interest is added to the issue price at stated intervals and is payable only at redemption as part of the redemption value. Information regarding interest rates and redemption values is found in Department of the Treasury Circular, Public Debt Series No. 1-80 (31 CFR part 351).

§ 353.31 Series HH bonds.

(a) *General.* Series HH bonds are current income bonds issued at par (face amount). Interest on a Series HH bond

is paid semiannually beginning six months from the issue date. Interest ceases at final maturity, or, if the bond is redeemed prior to final maturity, as of the end of the interest period last preceding the date of redemption. For example, if a bond on which interest is payable on January 1 and July 1 is redeemed on September 1, interest ceases as of the preceding July 1, and no interest will be paid for the period from July 1 to September 1. However, if the redemption date falls on an interest payment date, interest ceases on that date. Information regarding interest rates is found in Department of the Treasury Circular, Public Debt Series No. 2-80, current revision (31 CFR part 352).

(b) *Payment of interest.* Series HH bond interest accounts are maintained by the Bureau of the Public Debt, Parkersburg, WV. Interest on bonds issued on or after October 1, 1989 will be paid on each interest due date by the Automated Clearing House (ACH) method to the owner or coowner's account at a financial institution, unless the Bureau determines that extraordinary circumstances warrant payment by check or other means. Interest on bonds issued prior to October 1, 1989, is payable by check drawn to the order of the owner or both coowners or, upon request, by the ACH method to the owner or coowner's account at a financial institution. Checks will be mailed to the delivery address provided to the Bureau. Deposit account information for ACH payments shall be provided on the form designated by the Bureau. Series H interest payments made by the ACH method are governed by the regulations at 31 CFR part 370.

(Approved by the Office of Management and Budget under control number 1535-0094)

(c) *Delivery of interest.* Notices affecting the delivery of interest payments. To ensure appropriate action, notices affecting the delivery of interest payments on Series HH bonds must be received by the Bureau of the Public Debt, Parkersburg, WV 26102-1328, at least one month prior to the interest payment date. Each notice must include the owner or coowner's name and the taxpayer identifying number ap-

pearing on the account under which records of the bonds are maintained.

(d) *Reissue during interest period.* Physical reissue of a Series HH bond may be made without regard to interest payment dates. The Series HH interest accounts maintained by the Bureau of the Public Debt will be closed in the first week of the month preceding each interest payment date, and payments will be made pursuant to the information contained in the accounts as of the date they are closed.

(e) *Endorsement of checks.* Interest checks must be endorsed in accordance with the regulations governing the payment of fiscal agency checks, as contained in 31 CFR part 355.

(f) *Payment of interest by the ACH method—(1) Submission of deposit account information.* Payments on all Series HH bonds assigned to the same account maintained by the Bureau must be made to the same deposit account at a financial institution.

(2) *Deposit account held by individuals in their own right.* Where the Series HH bonds are registered in the name of individual(s) as sole owner, or as owner and beneficiary, and the deposit account at the financial institution is held in the name of individual(s) in their own right, the owner's name must appear on the deposit account. Where the bonds are registered in the names of two individuals as coowners and the deposit account is held in the name of individual(s) in their own right, the registration of the bonds and the title of the account must contain at least one name that is common to both. The deposit account to which the interest payments are directed should preferably be established in a form identical to the registration of the bonds to ensure that rights of ownership and survivorship can be more easily identified and preserved. Neither the United States nor any Federal Reserve Bank shall be liable for any loss sustained because the interest of the holder(s) of a deposit account to which payments are made are not the same as the owner(s) of the bonds.

(3) *Deposit account held by organization.* Where the deposit account to which interest payments are to be directed is held in the name of the financial institution itself acting as sole

trustee, or as co-trustee, or is the name of a commercially-managed investment fund, the owner or coowner should inquire whether the financial institution is able to receive ACH payments; if not, the owner or coowner should make alternative arrangements.

(4) *Financial institution cannot accept ACH payments.* If after submission of deposit account information, it is determined that ACH payments cannot be accepted by the designated financial institution, pending receipt of new deposit account information, payment will be made by check drawn to the registered owner or both coowners and mailed to the address of record.

(5) *Cancellation of ACH arrangement.*

(i) Bonds issued on or after October 1, 1989. As set forth in paragraph (b) of this section and in the Series HH offering contained in Circular No. 2-80, interest on Series HH bonds issued on or after October 1, 1989, will be paid by the ACH method. In the absence of extraordinary circumstances, a request to discontinue payment by the ACH method in favor of payment by check will not be accepted.

(ii) Bonds issued prior to October 1, 1989. An ACH arrangement established for Series HH bonds issued prior to October 1, 1989, shall remain in effect until it is terminated by a request from the owner or coowner submitted to the Bureau of the Public Debt, Parkersburg, WV 26102-1328.

(6) *Rules.* Series HH interest payments made by the ACH method are governed by the regulations at 31 CFR part 370.

(7) *Nonreceipt or loss of interest payment.* The Bureau of the Public Debt, Parkersburg, WV 26102 should be notified if:

(i) An interest check is not received or is lost after receipt or

(ii) An ACH payment is not credited to the designated account and the financial institution has no record of receiving it. The notice should include the owner or coowner's name and taxpayer identifying number and the interest payment date.

Subpart H—General Provisions for Payment

§ 353.35 Payment (redemption).

(a) *General.* Payment of a savings bond will be made to the person or persons entitled under the provisions of these regulations, except that checks in payment will not be delivered to addresses in areas with respect to which the Department of the Treasury restricts or regulates the delivery of checks drawn against funds of the United States. See Department of the Treasury Circular No. 655, current revision (31 CFR part 211). Payment will be made without regard to any notice of adverse claims to a bond and no stoppage or caveat against payment of a bond will be entered.

(b) A Series EE bond issued on January 1, 2003, or earlier, will be paid at any time after 6 months from its issue date. A Series EE bond issued on February 1, 2003, or thereafter, will be paid at any time after 12 months from its issue date. Bonds will be paid at the current redemption value shown in Department of the Treasury Circular, Public Debt Series No. 1-80 (31 CFR part 351).

(c) *Series HH.* A Series HH bond will be paid at any time after six months from issue date. A Series HH bond issued in an authorized exchange or reinvestment transaction will be paid at face value. A Series HH bond issued for cash will be paid at the current redemption value shown in Department of the Treasury Circular, Public Debt Series No. 2-80, Second Revision (31 CFR part 352). If the bond is redeemed at less than face value, the difference represents an adjustment of interest. In any case where Series HH bonds are surrendered to a designated Federal Reserve Bank or Branch or the Bureau of the Public Debt, Parkersburg, WV 26106-1328, for redemption in the month prior to an interest payment date, redemption will not be deferred but will be made in regular course, unless the presenter specifically requests that the transaction be delayed until that date. A request to defer redemption made

§ 353.36

more than one month preceding the interest payment date will not be accepted.

[44 FR 76441, Dec. 26, 1979, as amended at 51 FR 23754, July 1, 1986; 59 FR 10541, Mar. 4, 1994; 68 FR 2667, Jan. 17, 2003; 68 FR 7427, Feb. 14, 2003]

§ 353.36 Payment during life of sole owner.

A savings bond registered in single ownership form (i.e., without a co-owner or beneficiary) will be paid to the owner during his or her lifetime upon surrender with an appropriate request.

§ 353.37 Payment during lives of both coowners.

A savings bond registered in co-ownership form will be paid to either coowner upon surrender with an appropriate request, and upon payment (as determined in § 353.43), the other co-owner will cease to have any interest in the bond. If both coowners request payment, payment will be made by check drawn in the form, "John A. Jones AND Mary C. Jones".

§ 353.38 Payment during lifetime of owner of beneficiary bond.

A savings bond registered in beneficiary form will be paid to the registered owner during his or her lifetime upon surrender with an appropriate request. Upon payment (as determined in § 353.43) the beneficiary will cease to have any interest in the bond.

§ 353.39 Surrender for payment.

(a) *Procedure for bonds of Series EE, in the names of individual owners or co-owners only.* An individual who is the owner or coowner of a Series EE bond may present the bond to an authorized paying agent for redemption. The presenter must be prepared to establish his or her identity in accordance with Treasury instructions and identification guidelines. The owner or coowner must sign the request for payment on the bond or, if authorized, on a separate detached request, and add his or her address. If the request for payment has been signed, or signed and certified, before presentation of the bond, the paying agent must be satisfied that the person presenting the bond for pay-

31 CFR Ch. II (7-1-07 Edition)

ment is the owner or coowner and may require the person to sign the request for payment again. If the bond is in order for payment, the paying agent will make immediate payment at the current redemption value without charge to the presenter. Paying agents are not authorized to process any case involving partial redemption or any case in which supporting evidence is required.

(b) *Procedure for all other cases.* In the case of bonds to which the procedure in paragraph (a) of this section, does not apply, or if otherwise preferred, the owner or coowner, or other person entitled to payment, should appear before an officer authorized to certify requests for payment, establish his or her identity, sign the request for payment, and provide information as to the address to which the check in payment is to be mailed. The bond must be forwarded to a designated Federal Reserve Bank or Branch or the Bureau of the Public Debt. Usually, payment will be expedited by submission to a designated Federal Reserve Bank or Branch. In all cases, the cost and risk of presentation of a bond will be borne by the owner. Payment will be made by check drawn to the order of the registered owner or other person entitled and will be mailed to the address requested.

(c) *Date of request.* Requests executed more than six months before the date of receipt of a bond for payment will not be accepted. Neither will a bond be accepted if payment is requested as of a date more than three months in the future.

[44 FR 76441, Dec. 26, 1979, as amended at 59 FR 10541, Mar. 4, 1994]

§ 353.40 Special provisions for payment.

(a) *Owner's signature not required.* A bond may be paid by a paying agent or a designated Federal Reserve Bank without the owner's signature to the request for payment, if the bond bears the special endorsement of a paying agent specifically qualified to place such an endorsement on savings bonds.

(b) *Signature by mark.* A signature by mark (X) must be witnessed by at least

one disinterested person and a certifying officer. See subpart J. The witness must attest to the signature by mark substantially as follows: "Witness to signature by mark", followed by his or her signature and address.

(c) *Name change.* If the name of the owner, coowner, or other person entitled to payment, as it appears in the registration or in evidence on file in the Bureau of the Public Debt, has been changed in any legal manner, the signature to the request for payment must show both names and the manner in which the change was made; for example, "Mary T. Jones Smith (Mary T. J. Smith or Mary T. Smith) changed by marriage from Mary T. Jones", or "John R. Young, changed by order of court from Hans R. Jung". See § 353.50.

(d) *Attorneys-in-fact.* A request for payment, reinvestment, or exchange executed by an attorney-in-fact will be recognized if it is accompanied by a copy of the power of attorney which meets the following requirements:

(1) The power of attorney must bear the grantor's signature, properly certified or notarized, in accordance with applicable State law;

(2) The power of attorney must grant, by its terms, authority for the attorney-in-fact to sell or redeem the grantor's securities, sell his or her personal property, or, otherwise contain similar authority; and

(3) In the case of a grantor who has become incapacitated, the power of attorney must conform with pertinent provisions of State law concerning its durability. Generally, in such circumstances, the power of attorney should provide that the authority granted will not be affected by the subsequent incompetence or incapacity of the grantor. Medical evidence or other proof of the grantor's condition may be required in any case.

[45 FR 64091, Sept. 26, 1980, as amended at 57 FR 39602, Sept. 1, 1992; 59 FR 10541, Mar. 4, 1994]

§ 353.41 Partial redemption.

A bond of Series EE or HH may be redeemed in part at current redemption value, but only in amounts corresponding to authorized denominations, upon surrender of the bond to a designated Federal Reserve Bank or

Branch or to the Bureau of the Public Debt in accordance with § 353.39(b). In any case in which partial redemption is requested, the phrase "to the extent of \$___ (face amount) and reissue of the remainder" should be added to the request. Upon partial redemption of the bond, the remainder will be reissued as of the original issue date, as provided in subpart I.

[44 FR 76441, Dec. 26, 1979, as amended at 59 FR 10541, Mar. 4, 1994]

§ 353.42 Nonreceipt or loss of check issued in payment.

If a check in payment of a bond surrendered for redemption is not received within a reasonable time or is lost after receipt, notice should be given to the same agency to which the bond was surrendered for payment. The notice should give the date the bond was surrendered for payment and describe the bond by series, denomination, serial number, and registration, including the taxpayer identifying number of the owner.

§ 353.43 Effective date of request for payment.

The Department of the Treasury will treat the receipt of a bond with an appropriate request for payment by:

(a) A Federal Reserve Bank or Branch, (b) the Bureau of the Public Debt, or (c) a paying agent authorized to pay that bond, as the date upon which the rights of the parties are fixed for the purpose of payment.

§ 353.44 Withdrawal of request for payment.

(a) *Withdrawal by owner or coowner.* An owner or coowner, who has surrendered a bond to a Federal Reserve Bank or Branch or to the Bureau of the Public Debt or to an authorized paying agent with an appropriate request for payment, may withdraw the request if notice of intent to withdraw is received by the same agency prior to payment either in cash or through the issuance of the redemption check.

(b) *Withdrawal on behalf of deceased owner or incompetent.* A request for payment may be withdrawn under the same conditions as in paragraph (a) of this section by the executor or administrator of the estate of a deceased

owner or by the person or persons who could have been entitled to the bond under Subpart L, or by the legal representative of the estate of a person under legal disability, unless surrender of the bond for payment has eliminated the interest of a surviving coowner or beneficiary. See § 353.70 (b) and (c).

Subpart I—Reissue and Denominational Exchange

§ 353.45 General.

Reissue of a bond may be made only under the conditions specified in these regulations, and only at:

- (a) A Federal Reserve Bank or Branch, or
- (b) The Bureau of the Public Debt.

Reissue will not be made if the request is received less than one full calendar month before the final maturity date of a bond. The request, however, will be effective to establish ownership as though the requested reissue had been made.

§ 353.46 Effective date of request for reissue.

The Department of the Treasury will treat the receipt by: (a) A Federal Reserve Bank or Branch or (b) the Bureau of the Public Debt of a bond and an acceptable request for reissue as determining the date upon which the rights of the parties are fixed for the purpose of reissue. For example, if the owner or either coowner of a bond dies after the bond has been surrendered for reissue, the bond will be regarded as having been reissued in the decedent's lifetime.

§ 353.47 Authorized reissue—during lifetime.

A bond belonging to an individual may be reissued in any authorized form of registration upon an appropriate request for the purposes outlined below.

(a) *Single ownership.* A bond registered in single ownership form may be reissued—

- (1) To add a coowner or beneficiary; or
- (2) To name a new owner, with or without a coowner or beneficiary, but only if:
 - (i) The new owner is related to the previous owner by blood (including

legal adoption) or marriage; (ii) the previous owner and the new owner are parties to a divorce or annulment; or (iii) the new sole owner is the trustee of a personal trust estate which was created by the previous owner or which designates as beneficiary either the previous owner or a person related to him or her by blood (including legal adoption) or marriage.

(b) *Coownership—(1) Reissue—to name a related individual as owner or coowner.* During the lifetime of both coowners, a coownership bond may be reissued in the name of another individual related by blood (including legal adoption) or marriage to either coowner:

- (i) As single owner,
- (ii) As owner with one of the original coowners as beneficiary, or
- (iii) As a new coowner with one of the original coowners.

(2) *Reissue—to name either coowner alone or with another individual as coowner or beneficiary.* During the lifetime of both coowners, a coownership bond may be reissued in the name of either coowner alone or with another individual as coowner or beneficiary if:

(i) After issue of the submitted bond, either coowner named thereon marries, or the coowners are divorced or legally separated from each other, or their marriage is annulled; or

(ii) Both coowners on the submitted bond are related by blood (including legal adoption) or marriage to each other.

(3) *Reissue—to name the trustee of a personal trust estate.* A bond registered in coownership form may be reissued to name a trustee of a personal trust estate created by either coowner or by some other person if:

(i) Either coowner is a beneficiary of the trust, or (ii) a beneficiary of the trust is related by blood or marriage to either coowner.

(c) *Beneficiary.* A bond registered in beneficiary form may be reissued:

- (1) To name the beneficiary as coowner;
- (2) To substitute another individual as beneficiary; or
- (3) To eliminate the beneficiary, and, if the beneficiary is eliminated, to effect any of the reissues authorized by paragraph (a) of this section.

Fiscal Service, Treasury

§ 353.55

§ 353.48 Restrictions on reissue.

(a) *Denominational exchange.* Reissue is not permitted solely to change denominations.

(b) *United States Treasury.* Reissue may not be made to eliminate the United States Treasury as coowner.

§ 353.49 Correction of errors.

A bond may be reissued to correct an error in registration upon appropriate request supported by satisfactory proof of the error.

§ 353.50 Change of name.

An owner, coowner, or beneficiary whose name is changed by marriage, divorce, annulment, order of court, or in any other legal manner after the issue of the bond should submit the bond with a request for reissue to substitute the new name for the name inscribed on the bond. Documentary evidence may be required in any appropriate case.

§ 353.51 Requests for reissue.

A request for reissue of bonds in coownership form must be signed by both coowners, except that a request solely to eliminate the name of one coowner may be signed by that coowner only. A bond registered in beneficiary form may be reissued upon the request of the owner, without the consent of the beneficiary. Public Debt forms are available for requesting reissue.

appointment or, if the representative is not appointed by a court, other proof of qualification. Except in the case of corporate fiduciaries, the evidence must show that the appointment is in full force and be dated not more than one year prior to the presentation of the bond for payment. The request for payment appearing on the back of a bond must be signed by the representative as such, for example, "John S. Jones, guardian (committee) of the estate of Henry W. Smith, a minor (an incompetent)".

§ 353.61 Payment after death.

After the death of the ward, and at any time prior to the representative's discharge, the representative of the estate will be entitled to obtain payment of a bond to which the ward was solely entitled.

§ 353.62 Payment to minors.

If the owner of a savings bond is a minor and the form of registration does not indicate that there is a representative of the minor's estate, payment will be made to the minor upon his or her request, provided the minor is of sufficient competency to sign the request for payment and to understand the nature of the transaction. In general, the fact that the request for payment has been signed by a minor and certified will be accepted as sufficient proof of competency and understanding.

§ 353.63 Payment to a parent or other person on behalf of a minor.

If the owner of a savings bond is a minor and the form of registration does not indicate that there is a representative of his or her estate, and if the minor is not of sufficient competency to sign the request for payment and to understand the nature of the transaction, payment will be made to either parent with whom the minor resides or to whom legal custody has been granted. If the minor does not reside with either parent, payment will be made to the person who furnishes the chief support for the minor. The request must appear on the back of the bond in one of the following forms:

(a) *Request by parent.*

I certify that I am the mother of John C. Jones (with whom he resides) (to whom legal custody has been granted). He is _____ years of age and is not of sufficient understanding to make this request.

Mary Jones on behalf of John C. Jones

(b) *Request by other person.*

On behalf of John C. Jones

§ 353.64 Payment, reinvestment, or exchange—voluntary guardian of an incapacitated person.

(a) Payment of bonds. When an adult owner of bonds is incapable of requesting payment as a result of incapacity and there is no other person legally qualified to do so, the relative, or other person, responsible for the owner's care and support may submit an application for recognition as voluntary guardian for the purpose of redeeming the owner's bonds, if the total redemption value of all of the owner's bonds does not exceed \$20,000. The redemption value of the bonds shall be determined as of the date the bonds are received, accompanied by an appropriate request for payment. If the total redemption value exceeds \$20,000, a legal representative must be appointed, as set forth in § 315.60.

(b) Reinvestment of bonds. If the bonds have finally matured and it is desired to redeem them and reinvest the proceeds in other savings bonds, the new bonds must be registered in the name of the incapacitated person, followed by words showing that he or she is under voluntary guardianship; for example, "John Jones 123-45-6789, under voluntary guardianship". A living coowner or beneficiary named on the matured bonds must be designated on the new bonds, unless such person furnishes a certified statement consenting to omission of his or her name. If an amount insufficient to purchase an additional bond of any authorized denomination of either series remains after the reinvestment, the voluntary guardian may furnish additional funds sufficient to purchase another bond of

§ 353.65

either series of the lowest available denomination. If additional funds are not furnished, the remaining amount will be paid to the voluntary guardian for the use and benefit of the incapacitated person.

(c) Exchange of bonds. The provisions for reinvestment of the proceeds of matured bonds are equally applicable to any authorized exchange of bonds of one series for those of another.

[57 FR 39602, Sept. 1, 1992]

(b) A bond on which a minor is named as beneficiary or coowner may be reissued in the name of a custodian for the minor under a statute authorizing gifts to minor upon the request of the adult whose name appears on the bond as owner or coowner.

(c) A minor coowner for whose estate no representative has been appointed, may be named sole owner upon the request of the competent coowner.

(d) Reissue to eliminate the name of a minor or incompetent for whose estate a legal representative has been appointed is permitted only if supported by evidence that a court has authorized the representative of the minor's or incompetent's estate to request the reissue. See § 353.23.

Except to the extent provided in paragraphs (a) through (d) of this section, reissue will be restricted to a form of registration which does not adversely affect the existing ownership or interest of a minor who is not of sufficient understanding to make a request, or other person under legal disability. Requests for reissue should be executed by the person authorized to request payment under §§ 353.60 and 353.63, or the person who may request

recognition as voluntary guardian under § 353.64.

Subpart L—Deceased Owner, Coowner or Beneficiary

§ 353.70 General rules governing entitlement.

The following rules govern ownership or entitlement where one or both of the persons named on a bond have died without the bond having been surrendered for payment or reissue:

(a) *Single owner bond.* If the owner of a bond registered in single ownership form has died, the bond becomes the property of that decedent's estate, and payment or reissue will be made as provided in this subpart.

(b) *Coowner bond*—(1) *One coowner deceased.* If one of the coowners named on a bond has died, the surviving coowner will be recognized as the sole and absolute owner, and payment or reissue will be made as though the bond were registered in the name of the survivor alone. Any request for reissue by the surviving coowner must be supported by proof of death of the other coowner.

(2) *Both coowners deceased.* If both coowners named on a bond have died, the bond becomes the property of the estate of the coowner who died last, and payment or reissue will be made as if the bond were registered in the name of the last deceased coowner alone. Proof of death of both coowners will be required to establish the order of death.

(3) *Simultaneously death of both coowners.* If both coowners die under conditions where it cannot be established, either by presumption of law or otherwise, which coowner died first, the bond becomes the property of both equally, and payment or reissue will be made accordingly.

(c) *Beneficiary bond*—(1) *Owner deceased.* If the owner of a bond registered in beneficiary form has died and is survived by the beneficiary, upon proof of death of the owner, the beneficiary will be recognized as the sole and absolute owner of the bond. Payment or reissue will be made as though the bond were registered in the survivor's name alone. A request for payment or reissue by the beneficiary

must be supported by proof of death of the owner.

(2) *Beneficiary deceased.* If the beneficiary's death occurs before, or simultaneously with, that of the registered owner, payment or reissue will be made as though the bond were registered in the owner's name alone. Proof of death of the owner and beneficiary is required to establish the order of death.

(d) *Nonresident aliens.* If the person who becomes entitled to a bond because of the death of an owner is an alien who is a resident of an area with respect to which the Department of the Treasury restricts or regulates the delivery of checks drawn against funds of the United States or its agencies or instrumentalities, delivery of the redemption check will not be made so long as the restriction applies. See Department of the Treasury Circular No. 655, current revision (31 CFR part 211).

§ 353.71 Decedent's estate.

(a) *Estate is being administered.* (1) A legal representative of a deceased owner's estate may request payment of savings bonds to the estate, or may distribute the savings bonds to the persons entitled.

(2) Appropriate proof of appointment for the legal representative of the estate is required. Letters of appointment must be dated not more than one year prior to the date of submission of the letters of appointment.

(b) *Estate has been settled previously.* If the estate has been settled previously through judicial proceedings, the persons entitled may request payment or reissue of savings bonds. A certified copy of the court-approved final accounting for the estate, the court's decree of distribution, or other appropriate evidence is required.

(c) *Special provisions under the law of the jurisdiction of the decedent's domicile.* If there is no formal or regular administration and no representative of the estate is to be appointed, the person appointed to receive or distribute the assets of a decedent's estate without regular administration under applicable local law summary or small estates procedures may request payment or reissue of savings bonds. Appropriate evidence is required.

(d) *When administration is required.* If the total redemption value of the Treasury securities and undelivered payments, if any, held directly on our records that are the property of the decedent's estate is greater than \$100,000, administration of the decedent's estate will be required. The redemption value of savings bonds and the principal amount of marketable securities will be used to determine the value of securities, and will be determined as of the date of death. Administration may also be required at the discretion of the Department for any case.

(e) *Voluntary representative for small estates that are not being otherwise administered—(1) General.* A voluntary representative is a person qualified according to paragraph (e)(3) of this section, to redeem or distribute a decedent's savings bonds. The voluntary representative procedures are for the convenience of the Department; entitlement to the decedent's savings bonds and held payments, if any, is determined by the law of the jurisdiction in which the decedent was domiciled at the date of death. Voluntary representative procedures may be used only if:

(i) There has been no administration, no administration is contemplated, and no summary or small estate procedures under applicable local law have been used;

(ii) The total redemption value of the Treasury securities and held payments, if any, held directly on our records that are the property of the decedent's estate is \$100,000 or less as of the date of death; and

(iii) There is a person eligible to serve as the voluntary representative according to paragraph (e)(3) of this section.

(2) *Authority of voluntary representative.* A voluntary representative may:

(i) Redeem the decedent's savings bonds that are eligible for redemption on behalf of the persons entitled by the law of the jurisdiction in which the decedent was domiciled at the date of death;

(ii) Distribute the decedent's savings bonds to the persons entitled by the law of the jurisdiction in which the decedent was domiciled at the date of death.

§ 353.72

(3) *Order of precedence for voluntary representative.* An individual eighteen years of age or older may act as a voluntary representative according to the following order of precedence: A surviving spouse; if there is no surviving spouse, then a child of the decedent; if there are none of the above, then a descendant of a deceased child of the decedent; if there are none of the above, then a parent of the decedent; if there are none of the above, then a brother or sister of the decedent; if there are none of the above, then a descendant of a deceased brother or sister of the decedent; if there are none of the above, then a next of kin of the decedent, as determined by the law of the jurisdiction in which the decedent was domiciled at the date of death. As used in this order of precedence, child means a natural or adopted child of the decedent.

(4) *Liability.* By serving, the voluntary representative warrants that the distribution of payments or savings bonds is to the persons entitled by the law of the jurisdiction in which the decedent was domiciled at the date of death. The United States is not liable to any person for the improper distribution of payments or securities. Upon payment or transfer of the securities at the request of the voluntary representative, the United States is released to the same extent as if it had paid or delivered to a representative of the estate appointed pursuant to the law of the jurisdiction in which the decedent was domiciled at the date of death. The voluntary representative shall indemnify and hold harmless the United States and all creditors and persons entitled to the estate of the decedent. The amount of the indemnification is limited to an amount no greater than the value received by the voluntary representative.

(f) *Creditor.* If there has been no administration, no administration is contemplated, no summary or small estate procedures under applicable local law have been used, and there is no person eligible to serve as a voluntary representative pursuant to paragraph (e) of this section, then a creditor may make a claim for the amount of the

31 CFR Ch. II (7–1–07 Edition)

debt, providing the debt has not been barred by applicable local law.

If the fiduciaries named in the registration are still acting, no further evidence will be required. In other cases, evidence to support the request will be required, as specified:

Ordinarily, a signed and certified request will be accepted without further evidence.
