

EXHIBIT “4”
(MCA Statement of Qualifications)

MCA FINANCIAL GROUP, LTD.

MCA Financial Group provides financial advisory services to businesses, financial institutions and investor groups in the areas of Financial Restructuring and Interim Management, Business Oversight/Monitoring, Litigation Support, M&A Advisory Services, Corporate Finance, and Capital Formation. MCA's professionals also serve as Court Appointed Receivers and Trustees in numerous matters. MCA is comprised of senior professionals with hands-on experience in finance, operations, and financial accounting and analysis. We provide consulting, interim management and advisory services in the following areas:

Financial Restructuring & Interim Management Services (Debtor-in-Possession Representation & Troubled Loan Workout)

- MCA will work with debtors throughout the reorganization process focusing on the areas of operational restructuring, financial restructuring, accounting and other business restructuring matters.
- MCA provides interim management services to creditors and debtors including chief restructuring officer, chief financial officer.
- MCA and its professionals serve as Court Appointed Receiverships and both Chapter 11 and Chapter 7 Trustees.
- MCA will assist creditors and stakeholders in evaluating business reorganizations, work-out solutions, and exit strategies.
- MCA provides management oversight, detailed financial analysis, and evaluation of management teams and business strategy.

Business Oversight/Monitoring Services

- MCA will monitor the portfolio companies of private equity and investment firms to ensure adherence to business plans, management accountability, and to provide financial oversight.
- MCA will assist portfolio companies in execution of business objectives. This service assists investor groups in maximizing returns, working through troubled situations, and staying current on all business developments, while reducing travel time and expense and providing more time to explore future transactions.

Commercial Litigation Support and Damage Analysis

- MCA professionals work with attorneys and their clients in commercial litigation matters and business disputes to quantify damages and provide expert testimony.
- MCA has extensive experience in forensic accounting, financial investigations and business valuations.

M&A Advisory Services

- MCA has provided strategic M&A analyses, evaluated transactional alternatives, due diligence services, negotiation and execution of acquisitions or mergers, including post-transaction integration. MCA also provides valuation analysis for prospective transactions.

Corporate Finance, Valuation and Capital Formation

- MCA will advise clients on organizational matters affecting a company's ability to raise capital and MCA will assist in identifying and negotiating financial transactions.
- MCA can prepare business valuations for transactional purposes, where appropriate.

For your review we have attached biographies of our professionals as well as a representative summary of MCA's recent engagements.

You have our personal commitment that MCA will provide high quality work to its clients in a timely manner. Confidentiality and trust are important ingredients in any business relationship and MCA is committed to these values.

Please contact us with any questions you may have. We look forward to speaking with you about potential opportunities to work together.

Sincerely,

Morrie Aaron
President / Senior Managing Director

Professional Biographies

Morrie Aaron President & Senior Managing Director

Morrie Aaron is the founder and president of MCA Financial Group, Ltd. He is nationally recognized and highly regarded as an expert in the business advisory industry with over 20 years of experience in restructuring, interim and crisis management, mergers and acquisitions, and capital formation in a wide range of industries. Morrie has consulted to companies with revenues ranging from \$5 million to \$1 billion. Prior to founding MCA Financial Group Morrie served as an executive officer of two public companies in the roles of chief financial officer, treasurer, and operations manager. He spent 10 years with an internationally recognized consulting firm in New York, where he specialized in turnaround consulting, corporate finance, and accounting. Morrie graduated from The Pennsylvania State University with a B.S. in Accounting and received an M.B.A. in Management and Finance from Columbia University. He lectured at the Wharton School and The Pennsylvania State University on business turnarounds, and he was an adjunct faculty member in the Graduate School of Business at Arizona State University, where he taught a course on business turnarounds. Morrie was a director of an Arizona-based public company and serves on the boards of non-for-profit organizations. He is a Certified Turnaround Professional by the Turnaround Management Association, and he is a licensed Certified Public Accountant.

Keith Bierman Managing Director

Keith Bierman has extensive experience in representing both debtors and creditors in the areas of business turnarounds, financial restructurings, Chapter 11 business reorganizations, divestures, mergers and acquisitions, business valuations, financial management, and performance improvement. Keith's skills in customer and product profitability analysis, supplier and customer negotiations, and team building enable clients to improve cash flow. His direct involvement in numerous client engagements and his prior work experience have allowed Keith to gain invaluable experience in a wide variety of industries including aviation, aerospace and defense, retail, homebuilding, construction, manufacturing, financial services, and information technology. Prior to joining MCA Financial Group, Keith served as the Controller for Homebid, a real estate technology services provider, where he managed all aspects of the finance and accounting organization. Prior to Homebid, Keith was a Supervising Senior at KPMG, LLP in the Assurance and Business Advisory Practice. Keith graduated Magna Cum Laude from the University of Arizona with a B.S. in Accounting. He is a Certified Public Accountant in the State of Arizona and a member of the American Institute of Certified Public Accountants.

Stacie Witten
Managing Director

Stacie is highly skilled in business analysis, accounting operations, cash management, and financial systems. She has extensive experience in establishing and managing complex financial systems. Stacie works with clients to identify operational strengths and weaknesses, to develop plans to improve cash flow, and to execute changes that lead to greater profitability. Prior joining MCA Financial Group, Stacie served as the V.P. of Financial Systems of Employee Solutions, Inc., a publicly traded company with revenues of \$900 million, where she oversaw all facets of accounting operations and financial systems including participation in mergers and acquisitions. Prior to Employee Solutions, Stacie held Corporate Controller positions for private companies in both the restaurant and the import/distribution industries where she managed all aspects of the financial and accounting operations including developing banking and auditor relationships, financial forecasting, and redesigning financial systems. Stacie holds a B.S. in Accounting from Bowling Green State University.

Jack Brungardt
Managing Director

Jack specializes in financial analysis, product and customer profitability studies, interim management, operational reviews, strategic market analysis, and systems integration. He has a strong background in business valuation and real estate appraisal, corporate finance and accounting, and cash and treasury management. Prior to joining MCA Financial Group, Jack served as the Senior V.P. of Financial Planning & Treasurer of Employee Solutions, Inc., a national publicly traded firm with revenues of \$900MM, where he oversaw all facets of financial planning, pricing and analysis as well as the cash management and treasury functions. Prior to Employee Solutions, Jack was a Manager in the Economic & Financial Consulting Division of an internationally recognized consulting firm where he was a Certified Public Accountant specializing in corporate recovery services and litigation support services. Jack also has worked internationally as a public auditor, for a predecessor firm of Ernst & Young, LLC, in Cambridge, England and he has experience with a commercial real estate valuation and appraisal firm in Phoenix, Arizona. Jack holds both a B.S. in Finance and an M.B.A. with an emphasis in Finance and Accounting from Arizona State University.

Paul Roberts
Director

Paul has twenty plus years experience in corporate finance, cash management and treasury management. Prior to joining MCA Financial Group, Paul was Chief Financial Officer of a \$400 million privately held national retailer of wireless phones and devises. Paul also has background in construction materials serving as a treasurer of a \$2 billion company. Paul has a BBA in finance from Texas A&M University and is a certified cash manager. Paul is currently working towards his masters in accountancy at Arizona State University.

Donald Hulke
Director

Don brings corporate restructuring and litigation experience in various industries to the firm. Don's corporate restructuring experience includes working with debtors, creditors and other parties in connection with both in and out-of-court restructurings, bankruptcies, turnarounds and liquidations, including the management of related litigation. Don has advised and assisted multiple companies with respect to: analyzing financial conditions and viability; evaluating restructuring alternatives; developing integrated financial statement projections; preparing confidential information memorandums for use in facilitating transactions involving the sale of company properties; liquidation analyses and other related services. Don's litigation services experience includes analysis of economic, financial and operational information in the assessment of damages and other issues in matters including breach of contract, intellectual property, securities fraud, personal injury litigation and other commercial litigation. Prior to joining MCA Financial Group, Ltd., Don worked for KPMG LLP in the Corporate Recovery Services practice. Don received his Bachelor of Science in Economics (Magna Cum Laude) and his Certificate in Statistical Quality Analysis from the Barrett Honors College of Business at Arizona State University.

Karrilyn Krahe
Director

Karrilyn has eight years of financial consulting and assurance services experience. Karrilyn worked with a National public accounting firm in Phoenix, Arizona for five years then with a regional consulting firm for one year prior to joining MCA. Karrilyn has provided professional audit and accounting services to various entities in industries including financial services, retail, manufacturing and distribution, real estate and construction. Karrilyn has been trained and designated as an Internal Control Specialist while in public accounting. Karrilyn graduated Magna Cum Laude from Northern Arizona University in 1999 with a Bachelor of Science degree in Accounting. Karrilyn is a Certified Public Accountant in the State of Arizona and is a member of the AICPA and Arizona Society of CPA's.

Robyn K. Cohen
Director

Robyn is a financial analyst with fifteen years of experience in financial modeling, planning and analysis. Robyn also has a strong background in accounting and financial reporting. Robyn has worked in the entertainment industry, serving in a number of financial planning and accounting and marketing roles. Robyn holds a BS in Management with concentrations in Accounting and Finance and has an MBA from Loyola Marymount University.

Mark Bandy
Director – Texas Office

Mark spent eighteen years with an independent supermarket chain based in West Texas in various financial positions including 7 years as its Chief Financial Officer. His responsibilities included financial and management reporting, budgeting, forecasting, cash management and corporate finance – including several major refinancing arrangements. Mark also led the company through several acquisitions including the acquisition of a competing chain of grocery stores operating under Bankruptcy protection. Mr. Bandy also played a key role in the sale of the company to a large regional competitor in July 2006. Mark has a bachelor's degree in accounting and a Masters of Business Administration from the University of Texas in Austin and he is a Certified Public Accountant in the State of Texas.

James Miller
Senior Advisor – Commercial Litigation / Financial Institutions

James Miller is a broadly experienced senior banking executive, consultant and OCC National Bank Examiner with over 25 years of diversified credit and regulatory experience with both large and smaller banks, including lending, administration, credit review, training, and problem loan administration. Mr. Miller joins MCA Financial as a Senior Advisor with a focus on commercial litigation regarding financial institutions. Mr. Miller has served as an Executive at various banks in the roles of Chief Risk Officer and Chief Credit Officer. In these roles, he was responsible for both corporate credit administration and overall risk management, worked with loan officers to develop business and structure loans, and directed the loan compliance and review functions. He also created the banks' corporate credit policy, and served as Chairman of the Loan Committee, the Risk Committee and the Special Assets and Reserve Adequacy Committees. Mr. Miller has also practiced as an independent consultant to a variety of financial institutions concentrating in all areas of risk management and credit administration, including loan and portfolio reviews, credit administration, regulatory law, lending policies/procedures, loss reserves, reporting and special projects – and has testified as an expert witness on such matters. Mr. Miller holds Bachelor of Science degree in Finance from the University of Oregon (1979) and received his Master of Business Administration degree from the University of Wyoming in 1990.

Dennis (Pat) Patrick
Senior Advisor

Pat has over twenty-five years of experience developing businesses and managing technology in manufacturing, repair and service industries, including profit and loss accountability for an international company. Pat has degrees in Business and Engineering combined with experience in design, manufacturing, sales and marketing. Pat has strong customer relations and administrative skills and extensive program management in the domestic and international arenas. Pat brings seasoned judgment along with broad technical capabilities to provide efficient, cost-effective management or development of organizations, programs, products and markets. Pat led an aerospace company turnaround to achieve positive cash flow and 50% inventory and receivables reduction, positioning the company for sale. He identified buyers and led the negotiating team in a divestiture.
