

## New Features for Attorney Users

The U. S. District Court, Southern District of California upgraded CM/ECF on Monday, April 14, 2008.

One of the new features is the Search Menus and Events function which can be found on the Main Menu tool bar.

Clicking on Search displays the Search Menus and Events window.

Search Menus and Events

 Search

In this window enter all or part of the name of the event you wish to use. For example, to find a Motion to Suppress, type “suppress” in the box and click the Search button.

**Search results for 'suppress'**  
*5 events found*

**Civil Events → Motions**

[Suppress](#)

**Criminal Events → Motions**

[Suppress](#)  
[Suppress Evidence](#)  
[Suppress Statements](#)  
[Suppress Wiretap Evidence](#)

CM/ECF will display a list of events which contain the Search string and the menu where the event can be found.

All of the Search results are hyperlinks. To start the process of e-filing, simply click on the appropriate event.
