**CS13 - TITLE AND ADMINISTRATION**

All property rights and interests resulting from this Agreement shall pass directly from the Seller to the Government.

**CS14 - ACCEPTANCE OF TERMS AND CONDITIONS**

Seller, by signing this Agreement and/or delivering Items or services ordered under this Agreement, agrees to comply with all the terms and conditions and all specifications and other documents that this Agreement incorporated by reference or attachment. Sandia hereby objects to any terms and conditions contained in any acknowledgment of this Agreement that are different from or in addition to those mentioned in this document. Failure of Sandia to enforce any of the provisions of this Agreement shall not be construed as evidence to interpret the requirements of this Agreement, nor a waiver of any requirement, nor of the right of Sandia to enforce each and every provision. All rights and obligations shall survive final performance of this Agreement.

### **CS15 - WARRANTY**

Seller expressly warrants that Items delivered under this Agreement shall be in accordance with Sandia's affirmation, description, sample, or model and compliant with all requirements of this Agreement. Seller expressly warrants that no counterfeit Items or components in Items shall be delivered to Sandia on this Agreement. Seller expressly warrants that all Items provided under this agreement shall have a rightful transfer of good title thereto and are delivered free of any rightful claims of any third person by way of infringement of any intellectual property right. The warranty shall begin upon receipt of conforming Items and extend for a period of: (1) the manufacturer's warranty period or six months, whichever is longer, if the Seller is not the manufacturer and has not modified the Item, or (2) one year or the manufacturer's warranty period, whichever is longer, if the Seller is the manufacturer of the Item or had modified it. If any nonconformity with Item appears within that time, Seller shall promptly repair, replace, or reperform such Items at Seller's election. Transportation of replacement Items and return of nonconforming Items and repeat performance of services shall be at Seller's expense. Sandia shall notify Seller of such nonconformity within a reasonable time after discovery, and Seller shall notify Sandia of whether it chooses to make repairs or replacements within three working days after Sandia's notice of nonconformity. If repair or replacement or reperformance of services is not timely, Sandia may elect to return the nonconforming Items or repair or replace them or reprocur the services at Seller's expense. Seller disclaims the implied warranties of merchantability or fitness for a particular purpose.

### **CS16 - ASSIGNMENT**

Seller shall not assign rights or obligations to third parties without the prior written consent of Sandia. However, the Seller may assign rights to be paid amounts due or to become due to a financing institution if Sandia is promptly furnished written notice and a signed copy of such assignment. Payments to an assignee shall be subject to setoff or recoupment for any present or future claims of Sandia against the Seller. Administration of this Agreement may be transferred from Sandia to DOE or its designee, and in case of such transfer and notice thereof to the Seller, Sandia shall have no further responsibilities hereunder.

### **CS17 - NEW MATERIALS**

Unless otherwise specified in this Agreement, all Items delivered shall consist of new materials. New is defined as previously unused which may include residual inventory or unused former Government surplus property.

### **CS18 - TRANSPORTATION**

If transportation is specified "FOB Origin,": (a) no insurance cost shall be allowed unless authorized in writing, and (b) the bill of lading shall indicate that transportation is for DOE and the actual total transportation charges paid to the carrier(s) shall be reimbursed by the Government pursuant to Contract No. DE-ACO4-94AL-85000. Confirmation will be made by Sandia National Laboratories.

### **CS19 - RISK OF LOSS**

If Sandia is responsible for the risk of loss during transportation of compliant Items, Sandia shall compensate Seller the lesser of: (1) the agreed price of such Items, or (2) the Seller's cost of replacing such Items; and such loss shall entitle the Seller to an equitable adjustment in delivery schedule obligations.

### **CS20 - PAYMENT**

(a) Firm Fixed-Price Contract. Unless otherwise provided, terms of payment shall be net 30 days from the latter of: (1) receipt of Seller's proper invoice, if required, or (2) delivery of Items/completion of work. Any offered discount shall be taken if payment is made within the discount period that the Seller indicates. Payments may be made either by check or electronic funds transfer, at the option of Sandia. Payment shall be deemed to have been made as of the date of mailing or the date on which an electronic funds transfer was made.

(b) Fixed-Rate Contract. Upon submittal of individual invoices or vouchers, and pursuant to the Allowable Charges Clause in Section 1 of the contract the Contractor shall be paid as follows:

(1) The amounts computed by multiplying the appropriate fixed-rate, or rates, set forth in Section I by the number units performed. The fixed rates shall include wages, indirect cost, general and administrative expense and profit; provided, however, that the fractional parts of a unit shall be payable on a prorated basis. Invoices or vouchers may be submitted once each month (or at more frequent intervals, if approved

by the SCR), to the SCR or SCR's designee. Unless otherwise specified in this Contract, the fixed rate only applies to employees of the Contractor and not to employees of subcontractors performing subcontracts. For the purposes of this Clause, employees of the Contractor are defined as individuals who are treated as its employees with respect to federal or state income or employment taxes to the extent such individuals are so employed and are so treated.

(2) Total time paid for Contractor's personnel chargeable to Sandia in those occupational classifications set forth in the Clause of Section I of this contract entitled "Allowable Charges," and shall be recorded on readily verifiable time records. Each time record shall bear the name of the individual, occupational classification, dates and hours worked, and shall segregate total hours worked between those hours worked hereunder, identified by reference to this Contract and each suborder, if any, issued hereunder, and those hours worked on all other contracts. In addition, when work is performed on Sandia-controlled premises, the time involved shall be recorded on Sandia's form (or equivalent Contractor-supplied form acceptable to the SCR) which shall be certified by Contractor's representative and approved by a delegated Sandia representative as authorized by the SCR.

(3) Unless provisions of Section I hereof otherwise specify, the fixed rates set forth in Section I shall not be varied by virtue of the Contractor having performed work on an overtime basis. If Section I provides rates for overtime work, the overtime work will be reimbursable at overtime rates only to the extent the overtime work is authorized in writing by the SCR and any nonauthorized overtime work will be reimbursable at the standard time rates.

(4) Notice of Cost Approaching Ceiling Price. It is estimated that the total cost to Sandia for the performance of this contract will not exceed the ceiling price set forth in Section I and the Contractor agrees to use its best efforts to perform the work specified in Section I and all obligations under this Contract within such ceiling price. If at any time the Contractor has reason to believe the hourly rate payments and material costs which will accrue in the performance of this contract in the next succeeding thirty (30) days, when added to all other payments and costs previously accrued, will exceed seventy-five percent (75%) of the ceiling price then set forth in Section I, the Contractor shall notify the SCR to that effect giving its revised estimate of the total price to Sandia for the performance of this contract, together with supporting reasons and documentation. If at any time during the performance of this Contract, the Contractor has reason to believe that the total price to Sandia for the performance of this contract will be substantially greater or less than the then-stated ceiling price, the Contractor shall so notify the SCR, giving its revised estimate of the total price for the performance of this Contract, together with supporting reasons and documentation. If at any time during the performance of this contract, Sandia has reason to believe that the work to be required in the performance of this Contract will be substantially greater or less than the stated ceiling price, the SCR will so advise the Contractor, giving the then-revised estimate of the total amount of effort to be required under the contract and the ceiling amount shall be revised accordingly.

(5) Limitation of Obligation. Sandia shall not be obligated to pay the Contractor any amount in excess of the ceiling price set forth in Section I and the Contractor shall not be obligated to continue performance if to do so would exceed the ceiling price set forth in Section I, unless and until the SCR shall have notified the Contractor in writing that such ceiling price has been increased and shall have specified in such notice a revised ceiling which shall thereupon constitute the ceiling price for performance under this Contract. When and to the extent that the ceiling price set forth in Section I has been increased, any hours expended and material costs incurred by the Contractor in excess of the ceiling price prior to the increase shall be allowable to the same extent as if such hours expended and material costs had been incurred after such increase in the ceiling price.

(6) Reports. The Contractor shall furnish such progress reports and schedules, and such other reports concerning the work under this contract as the SCR may from time to time require.

(7) Sandia may take Contract or invoice prompt payment discount.

(8) Discount time will be computed from the date correct invoice or voucher is received in the office specified in the contract, or date of completion of work under this Contract, whichever is later. Payment is deemed to be made, for the purpose of earning the discount, on the date of mailing of Sandia's check.

(9) Travel and Other Direct Costs. The Contractor shall be paid net invoice cost or charge for travel and other direct cost as provided in this contract subject to approval by the SCR of individual invoices or vouchers and pursuant to FAR Part 31 as supplemented by DEAR Part 931 in effect on the date of this Contract.

### **CS21 - COMPLIANCE WITH LAWS**

Seller shall comply with all applicable Federal, State, and Local laws and ordinances and all pertinent lawful orders, rules, and regulations and such compliance shall be a material requirement of this Agreement.

### **CS22 - CANCELLATION OR TERMINATION FOR CONVENIENCE**

(a) Sandia may cancel this Agreement, in whole or in part, if the Seller fails to comply with any of the terms of this Agreement, or fails to provide adequate assurance of future performance. In that event, Sandia shall not be liable for any amount for Items or services not yet accepted by Sandia.

(b) Sandia may terminate for the convenience of Sandia or the Government this Agreement, in whole or in part, for any Items or services not yet accepted by Sandia. In that event Sandia shall not be liable for the purchase price of Items or services already completed or identified to this Agreement but not yet accepted by Sandia.

(c) Seller shall not be liable for delays in performance occasioned by causes beyond Seller's reasonable control and without Seller's fault or negligence.

(d) The rights and remedies of Sandia in this clause are in addition to any other rights and remedies provided by law or under this Agreement.

### **CS23 - BANKRUPTCY**

If the Seller enters into any proceeding relating to bankruptcy, it shall give written notice via certified mail to the SCR responsible for this Agreement within five days of initiation of the proceedings. The notification shall include the date on which the proceeding was filed, the identity and location of the court and a listing of the agreement numbers for which final payments not been made.

### **CS24 - TAXES**

By reason of Sandia's Nontaxable Transaction Certificate, the Seller should not include in the price any state and local taxes except those which were paid by the Seller to third parties in acquiring the Items which are the subject matter of this Agreement. The price does include all applicable Federal taxes.

### **CS25 - CHANGES**

The SCR may at any time, by written notice, make changes within the general scope of this Agreement in any one or more of the following: (1) description of the services to be performed; (2) place of performance, and (3) the amount of services to be furnished. If any such change causes a difference in the cost of, or the time required for performance, an equitable adjustment shall be made in the price and/or delivery schedule and other affected provisions. Such adjustment shall be made by written amendment to this Agreement signed by both parties. Any claim for adjustment by Seller must be made within 20 days from the date of receipt of Sandia's change notice, although Sandia in its sole discretion may receive and act upon any claim for adjustment at any time before final payment. Nothing in this clause, including any disagreement with Sandia about the equitable adjustment, shall excuse Seller from proceeding with the Agreement as changed.

**CS26 - ADDITIONAL TERMS AND CONDITIONS** This contract incorporates Federal Acquisition Regulation (FAR) clauses found at 48 CFR 52. et seq. and Department of Energy Acquisition Regulation (DEAR) clauses found at 48 CFR 952. et seq. by reference with the same force and effect as if they were given in full text. Where the FAR/DEAR clauses refer to Government and Contracting Officer, substitute Sandia and Sandia Contracting Representative (SCR). Upon request the SCR will make the full text available.
