NC0590B2, Annex R (HSC/29 - Report)

1. At the conclusion of its 29th Session in April 2002, the Harmonized System Committee approved a list of 87 questions which might be examined by the Committee at a future session (Annex R to Doc. NC0590B2 - HSC/29 – Report).
2. Since then, almost all the questions listed have been placed either on the Agenda of the 26th Session of the Review Sub-Committee (September 2002), the 30th Session of the Harmonized System Committee (November 2002) or the 19th Session of the Scientific Sub-Committee (January 2003).
3. The other questions were deleted as a result of reservations which were entered under the Article 8 procedure.
4. The Committee is invited to take note of the above developments.
