

## Recipients of the 2008 Argonne Named Fellowships

**Elizabeth Ricard-McCutchan**, Ph.D., Yale University, was awarded the Ugo Fano Postdoctoral Fellowship. Dr. Ricard-McCutchan joined the Physics Division in April.

**Paul Podsiadlo**, Ph.D., University of Michigan, Ann Arbor, was awarded the Willard Frank Libby Postdoctoral Fellowship. Dr. Podsiadlo will join the Center for Nanoscale Materials Division in August.

## Recipients of the 2007 Director's Postdoctoral Fellowship

**Serguei Antipov**, Ph.D., Illinois Institute of Technology, Chicago. Dr. Antipov joined the High Energy Physics Division.

**Gergely Gidofalvi**, Ph.D., University of Chicago. Dr. Gidofalvi joined the Chemical Sciences and Engineering Division.

**Phay Ho**, Ph.D., University of Rochester, New York. Dr. Ho joined the Chemical Sciences and Engineering Division.

**Jay Hubisz**, Ph.D., Cornell University, Ithaca, New York. Dr. Hubisz joined the High Energy Physics Division.

**Elizabeth Mader**, Ph.D., University of Washington, Seattle. Dr. Mader joined the Chemical Sciences and Engineering Division.

**Charles David Martin**, Ph.D., State University of New York at Stony Brook. Dr. Martin joined the X-Ray Research Division.

**Sanghyun Park**, Ph.D., University of Illinois at Urbana-Champaign. Dr. Park joined the Mathematics and Computing Science Division.

## Postdoctoral Activities

### Reception Hosted by Laboratory Director

Annually, the Laboratory Director holds an event where all postdocs can meet informally. This provides postdocs with an opportunity to discuss matters with Laboratory management.

### Social Gatherings

The Postdoctoral Office organizes pizza lunches with supervisors, postdoctoral committee members, and Argonne management. These social events allow young researchers to meet and interact with Argonne staff in an informal setting.

Announcements of the date and location of these activities, and other events, are made available on the Postdoctoral Office Activities website at [www.dep.anl.gov/Postdocs](http://www.dep.anl.gov/Postdocs).

Argonne is an equal opportunity employer.

## Named Postdoctoral Fellowship Program

Argonne offers Named Postdoctoral Fellowships on an annual basis to outstanding doctoral scientists and engineers who are at early points in promising careers. The fellowships are named after scientific and technical luminaries who have been associated with the laboratory, its predecessors and the University of Chicago since the 1940s, including:

- George W. Beadle, biologist
- Arthur Holly Compton, high energy particle physicist
- Ugo Fano, atomic physicist
- James Wallace Givens, mathematician and computer scientist
- Joseph Katz, nuclear organic inorganic chemist
- Maria Goeppert Mayer, nuclear physicist
- Aneesur Rahman, computational physicist
- David Schramm, astrophysicist
- Glenn Seaborg, chemist
- Harold Urey, nuclear chemist
- Eugene Wigner, theoretical physicist
- Walter H. Zinn, nuclear reactor physicist

### 2009 Argonne Named Fellowships

Candidates for the Argonne National Laboratory Named Fellowships must display superb ability in scientific or engineering research and must show definite promise of becoming outstanding leaders in the research they pursue.

Fellowships are awarded for a two-year term, with possible renewal for a third year. The 2009 Fellowship carries a stipend of \$72,000 minimum per annum with an additional allocation of up to \$20,000 per year for research support and travel. The Fellows, who will be competitively selected by a special fellowship committee, are given the opportunity to interact with Argonne scientists in a research area of common interest.

### How to Apply

The application package requires the following documents:

- Nomination memo ( $\leq 2$  pages) from Argonne sponsor (with copy to Division Director).
- Research proposal ( $\leq 2$  pages).
- Three letters of recommendation from other than Argonne staff.
- CV.
- List of publications, abstracts, and significant presentations.
- Graduate school and undergraduate transcripts.

The sponsor could be someone who is already familiar with your research work and accomplishments through previous collaborations or professional societies. If you have not yet identified an Argonne sponsor, visit the detailed websites of the various Research Programs and Research Divisions at [www.anl.gov](http://www.anl.gov).

### Send all application material to:

Named-Postdoc@anl.gov by November 5, 2008. In the subject line, please include the name of the candidate.

## Director's Postdoctoral Fellowships

Candidates for the Director's Postdoctoral Fellowships are selected quarterly based on their research and academic accomplishments and the strength of their research proposals. Postdocs collaborate with Argonne scientists and engineers on existing programs and on new initiatives. All applicants must identify an Argonne sponsor. The sponsor should ideally be someone who is already familiar with your research work and accomplishments through previous collaborations or professional societies. If you have not yet identified an Argonne sponsor, visit the detailed websites of the various Research Programs and Research Divisions at [www.anl.gov](http://www.anl.gov).

The candidates' application packages are reviewed by the Postdoctoral Committee and are considered three times per year. Deadlines are February 5, June 2, and October 5, 2008. Fellowships are awarded for a two-year term. The 2009 Fellowship carries a stipend of \$70,000 per annum.

### Candidate Eligibility

PhD requirements have to be completed by commencement of appointment. Candidates must have received their PhD recently.

### How to Apply

The application package requires the following documents:

- Nomination memo ( $\leq 2$  pages) from Argonne sponsor (with copy to Division Director).
- Research proposal ( $\leq 2$  pages).
- Three letters of recommendation from other than Argonne staff.
- CV.
- List of publications, abstracts, and significant presentations.
- Graduate school and undergraduate transcripts.

### Send all application material to:

Director-Postdoc@anl.gov. In the subject line, please include the name of the candidate.

## Division Postdoctoral Appointments

Division Postdoctoral Associates typically conduct research in existing Argonne science and technology programs. Candidates are selected based on their academic background and possible input to the research program as described in their proposal. Appointments are awarded for a one-year term, with possible renewal for up to two additional years. The candidates' application packages are reviewed by the Postdoctoral Committee and selection is ongoing.

A list of Division Postdoctoral openings can be found at [www.anl.gov/jobsearch](http://www.anl.gov/jobsearch). Alternatively, you can identify Argonne staff (sponsor) and inquire about future postdoctoral opportunities. The sponsor, who writes the nomination memo, could be someone already familiar with your research work and accomplishments through previous collaborations or professional societies. Also, you can visit the detailed websites of the various Research Programs and Research Divisions at [www.anl.gov](http://www.anl.gov).
