DECISION:

The Commission voted (3-0) to approve with changes the draft *Federal Register* notice that revises the Statement of Commission Organization and Functions that appears in the Code of Federal Regulation at 16 C.F.R. part 1000. The primary changes made to the Statement include the descriptions of the new Office of Financial Management, Planning and Evaluation (16 C.F.R. § 1000.18), Office of Compliance and Field Operations (16 C.F.R. § 1000.20), and Office of Information and Technology Services (16 C.F.R. § 1000.22). The descriptions of the various offices that do not exist in the new organizational structure have been deleted. Section 1000.10 provides that the Commission will annually elect a vice chairman for a term beginning on June 1 and running until such time as another vice chairman were elected. The address of the Commission has been changed to 4330 East West Highway, Bethesda, Maryland 20814-4408 for consistency.
