TO: DIRECTOR

EYES ONLY OGC FOR JOHN GREANEY FROM HELMS

1. Have asked that Director  be shown to you. When you have seen it, would appreciate your showing it to Tom Karamessines since at this distance I have no way of knowing whether the statements are correct factually or not. Tom may be able to make some helpful suggestions before the draft is returned to the Senate Select Committee.
2. If there is anything specific you want out of me in this connection, please advise. Warm regards.
