## General Instructions

**The Information Practices Act Notice.** – Information collected on this is for administering the Personal Income Tax Law, Section 13028.6 of the California Unemployment Insurance Code.

**Purpose of Form.** – To request State Income Tax withholding from sick pay. File this form ONLY if the sick pay is received from a third party, such as an insurance company or trust. You do not have to file this form if you receive sick pay from your employer as you have previously submitted a withholding form.

You may not want to use Form DE 4S if you already have all your tax liability covered by estimated tax payments or other withholding.

**Definition.** – Sick pay is a payment you receive:

- under a plan your employer takes part in, and

- in place of wages for any period when you are temporarily absent from work because of sickness or injury.

**Amount to Be Withheld.** – Enter on this form the amount you want withheld from each payment. You can use the worksheet accompanying Form DE 4 to estimate the amount of income tax you want withheld from each sick-pay payment.

**Statement of Income Tax Withheld.** – After the end of the year, you will receive a Form W-2 reporting the taxable sick pay paid and income tax withheld during the prior year. These amounts may be included on your W-2 with your other wages and withholding.

**Changing Your Withholding.** – Form DE 4S remains in effect until you change or cancel it. You can do this by giving a new DE 4S or a written notice to the payer of your sick pay.
