MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Army Installation Action Plan (IAP) Guidance for Active Installations

1. Reference: Army Defense Environmental Restoration Program Management Guidance for Active Installations, November 2004.
2. The reference provides supplemental guidance to incorporate installation level planning requirements of the Environmental Cleanup Strategic Plan. The enclosed IAP guidance provides more specific direction for planning cleanup activities to include programming, budgeting, cleanup priorities, regulatory and public involvement, and project development.
3. The guidance should be widely distributed to individuals conducting or supporting program management of the Army DERP and Compliance Related Cleanup programs. Additionally, the electronic files will be available at the U.S. Army Environmental Center web site at <http://aec.army.mil/usaec/cleanup/> The ACSIM POCs can be reached at 703-601-1597 or 703-601-1550,
