## HOUSE RESOLUTION

REQUESTING THE WILLIAM S. RICHARDSON SCHOOL OF LAW TO CONDUCT A STUDY ON LEGISLATIVE SOLUTIONS TO ADDRESS THE IMPACT OF ADULT RESIDENTIAL CARE HOME FACILITIES IN RESIDENTIAL NEIGHBORHOODS.

1 WHEREAS, the Legislature finds that adult residential care  
2 facilities provide a valuable and much needed service to  
3 Hawaii's elderly and disabled populations; and  
4

5 WHEREAS, in certain neighborhoods, the strong demand for  
6 these facilities have resulted in their placement in close  
7 proximity to each other, thereby generating additional traffic,  
8 noise, and other concerns that have affected the residents  
9 living in these areas; and  
10

11 WHEREAS, the impact on these neighborhoods appears to  
12 differ between the homes operated by single proprietors who live  
13 in the care home and those commercial enterprises operating  
14 multiple residences with rotating care providers; and  
15

16 WHEREAS, the Department of Health is the agency responsible  
17 for overseeing the licensing of these adult residential care  
18 home facilities, which is limited to determining whether the  
19 health, welfare and safety of these patients are provided for;  
20 and  
21

22 WHEREAS, each of the four counties issue building permits  
23 as a ministerial function based solely on whether or not a  
24 proposed adult residential care home complies with the  
25 applicable county building code; and  
26

27 WHEREAS, there is currently no informational notice or  
28 hearing for those living in these areas to be informed that a  
29 adult residential care home facility is proposed for their  
30 neighborhood, nor is there any process for public comment or  
31 exchange of information between the affected community and the  
32 adult residential care home provider; and  
33

34 WHEREAS, the federal Fair Housing Act, Americans with  
35 Disabilities Act, and Religious Land Use and Institutionalized

1 Persons Act all have an impact in varying degrees on local  
2 zoning and land use laws relating to these kinds of group  
3 assisted living facilities; and  
4

5 WHEREAS, the objective of these federal laws is to  
6 integrate persons with disabilities into the community, and  
7 there is some latitude in considering neighborhood impacts, as  
8 long as any restriction is applied equally to similar groups of  
9 unrelated persons without disabilities; now, therefore,  
10

11 BE IT RESOLVED by the House of Representatives of the  
12 Twenty-fourth Legislature of the State of Hawaii, Regular  
13 Session of 2008, that the William S. Richardson School of Law is  
14 requested to conduct a study of the federal, state, and county  
15 statutes and laws relating to adult residential care home  
16 facilities; and  
17

18 BE IT FURTHER RESOLVED that this study consider the  
19 appropriate forum to provide residents with the opportunity to  
20 provide public comment and discussion concerning the impact that  
21 adult residential care home facilities have on their  
22 neighborhoods; and  
23

24 BE IT FURTHER RESOLVED that this study include any  
25 recommendations to address issues such as traffic, noise, and  
26 other concerns relating to the impact these adult residential  
27 care facilities have on residents and the community, including  
28 any proposed legislation that would allow public comment and  
29 possible mitigation measures on those adult care facilities that  
30 are in close proximity to each other; and  
31

32 BE IT FURTHER RESOLVED that the William S. Richardson  
33 School of Law is requested to submit a report with its findings  
34 and recommendations to the Legislature no later than twenty days  
35 prior to the convening of the 2009 legislative session; and  
36

37 BE IT FURTHER RESOLVED that certified copies of this  
38 Resolution be transmitted to the Dean of the William S.  
39 Richardson School of Law, President of the University of

# H.R. NO. 255
