## HOUSE RESOLUTION

REQUESTING THE UNITED STATES DEPARTMENT OF HOMELAND SECURITY,  
CUSTOMS AND BORDER PROTECTION, TO RECONSIDER THE PROPOSED  
RULE AMENDMENT USCBP-2007-0098, HAWAII COASTWISE CRUISES.

1           WHEREAS, the State of Hawaii has benefitted greatly from  
2 the international cruise lines that call on our shores and from  
3 the U.S. cruise ships operating within the islands; and  
4

5           WHEREAS, 100,012 visitors entered Hawaii by cruise ships  
6 and another 315,955 visitors came by air to board cruise ships  
7 touring the islands in 2006, resulting in a 31.4 percent  
8 increase over 2005; and  
9

10           WHEREAS, cruise visitors in 2006 spent \$854.6 million in  
11 Hawaii, which was an increase of 58.9 percent over the previous  
12 year; and  
13

14           WHEREAS, preliminary 2007 cruise ship arrival statistics  
15 indicate an additional 20.6 percent growth over 2006; and  
16

17           WHEREAS, based on the 2006 data, the estimated direct  
18 impact of the loss of international cruise ships in Hawaii would  
19 be a reduction in expenditures on Hawaii-produced goods and  
20 services of about \$80 million and the total economic impacts on  
21 Hawaii include: 1) reduction in output (total sales) by about  
22 \$155 million; 2) reduction in total earnings (labor income) by  
23 about \$44 million; and 3) reduction in employment by 1,447 jobs;  
24 and  
25

26           WHEREAS, the intent of Customs and Border Protection to  
27 protect U.S. flagged cruise ships by clarifying the Passenger  
28 Vessel Services Act (PVSA) is valid, the proposed rule amendment  
29 will adversely impact our state's economy by significantly  
30 affecting the international cruise lines that visit Hawaii; and  
31

1           WHEREAS, the proposed rule amendment would require the  
2 following from foreign cruise ships: 1) spend at least 48 hours  
3 in a foreign port; 2) the amount of time at the foreign port is  
4 more than 50 percent of the total amount of time at the U.S.  
5 ports of call; and 3) passengers are permitted to go ashore  
6 temporarily at the foreign port; and  
7

8           WHEREAS, the proposed rule amendment is being opposed from  
9 businesses, labor and government officials from Maine, Florida,  
10 California, and Alaska; and  
11

12           WHEREAS, it is our belief that any change made in the  
13 interpretation and application of the PVSA should be undertaken  
14 in a manner that balances the need to protect the U.S. flagged  
15 cruise ships operating in Hawaii, while continuing to allow  
16 foreign cruise ships the opportunity to offer Hawaii cruises;  
17 now, therefore,  
18

19           BE IT RESOLVED by the House of Representatives of the  
20 Twenty-fourth Legislature of the State of Hawaii, Regular  
21 Session of 2008, that the House of Representatives respectfully  
22 requests that the Department of Homeland Security, U.S. Customs  
23 and Border Protection, reconsider the new proposed rule  
24 amendment; and  
25

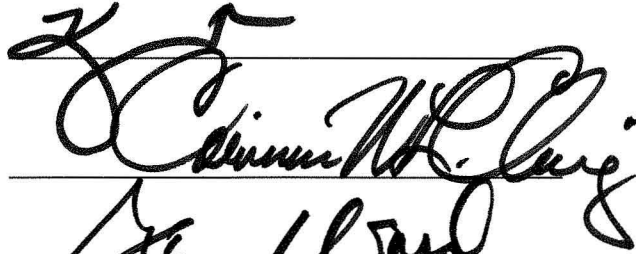

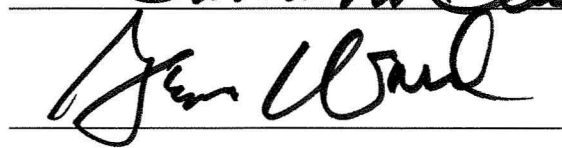

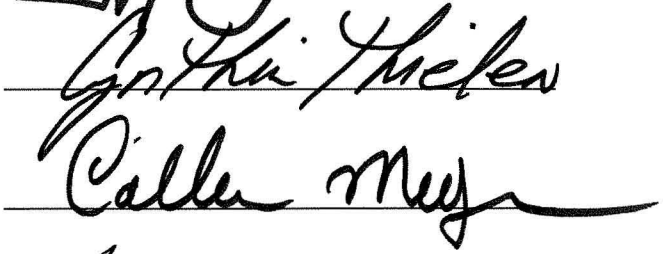

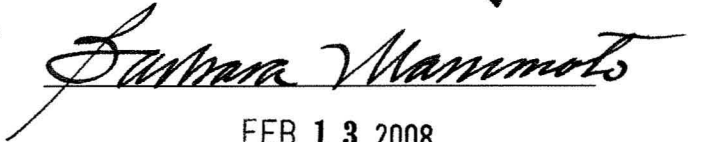

26           BE IT FURTHER RESOLVED that we believe there should no  
27 minimum port-of-call time at an international destination as  
28 part of the cruise itinerary and no mandated percentage of stops  
29 that restrict or affect the manner in which ships are scheduling  
30 calls to Hawaii; and  
31

32           BE IT FURTHER RESOLVED that certified copies of this  
33 Resolution be transmitted to the Director of Customs and Border  
34 Protection, U.S. Department of Homeland Security, the Hawaii
