GOVERNOR

May 28, 2008

The Honorable Colleen Hanabusa, President
and Members of the Senate
Twenty-Fourth State Legislature
State Capitol, Room 409
Honolulu, Hawaii 96813

Dear Madam President and Members of the Senate:

This is to inform you that on May 28, 2008, the following bill was signed into law:

SB1491 SD1 HD2

A BILL FOR AN ACT RELATING TO CONTROLLED
SUBSTANCES.
(ACT 119)

Sincerely,

A handwritten signature in black ink, appearing to read "Linda Lingle".

LINDA LINGLE

2 MAY 28 2008

A BILL FOR AN ACT

RELATING TO CONTROLLED SUBSTANCES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 PART I

2 SECTION 1. The legislature finds that the department of
3 public safety charges fees relating to the registration and
4 control of the manufacture, distribution, prescription, and
5 dispensing of controlled substances within this state. The
6 department also collects fees from manufacturers, wholesalers,
7 retailers, and other persons who sell, transfer, or otherwise
8 furnish certain chemicals that are precursors to controlled
9 substances. Fees are also collected from patients qualified for
10 the medical use of marijuana. All of these fees are deposited
11 into the controlled substance registration revolving fund
12 established under section 329-59, Hawaii Revised Statutes.

13 The legislature also finds that one of the criteria used by
14 the auditor in evaluating special or revolving funds is the
15 extent to which the fund reflects a clear link between the
16 benefit sought and charges made upon the users or beneficiaries
17 of the program, as opposed to serving primarily as a means to
18 provide the program or users with an automatic means of support

1 that is removed from the normal budget and appropriations
2 process. Use of the controlled substance registration revolving
3 fund to offset the cost of regulating those who make payments
4 into the fund meets the criterion used by the auditor to
5 evaluate special and revolving funds.

6 The purpose of this part is to authorize the director of
7 public safety to offset the cost of investigating violations of
8 chapter 329, Hawaii Revised Statutes, the Uniform Controlled
9 Substances Act, including funding operations of the narcotics
10 enforcement division's forensic drug laboratory facility, with
11 money appropriated from the controlled substance registration
12 revolving fund.

13 SECTION 2. Section 329-59, Hawaii Revised Statutes, is
14 amended by amending subsection (a) to read as follows:

15 "(a) There is established within the state treasury the
16 controlled substance registration revolving fund. The fund
17 shall be expended at the discretion of the director of public
18 safety for the purpose of:

19 (1) Offsetting the cost of the electronic prescription
20 accountability system, investigation of violations of
21 this chapter, the registration and control of the
22 manufacture, distribution, prescription, and

1 dispensation of controlled substances and regulated
2 chemicals listed under section 329-61, within the
3 [~~State~~] state and the processing and issuance of a
4 patient registry identification certificate designated
5 under part IX; [~~and~~]

6 (2) Funding positions authorized by the legislature by
7 law[~~-~~]; and

8 (3) Funding the narcotics enforcement division's forensic
9 drug laboratory facility."

10 PART II
