## A BILL FOR AN ACT

RELATING TO UNMARRIED COUPLES.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that there are many  
2 individuals living in Hawaii who have significant personal,  
3 emotional, and economic relationships with another individual,  
4 yet are prohibited from marrying. Therefore, in 1997, the  
5 legislature passed legislation that recognizes that the benefits  
6 and rights hither to available only to married couples should be  
7 made available to couples in a reciprocal beneficiary  
8 relationship.

9           The State's employees' retirement system has since  
10 recognized the rights of state employees in reciprocal  
11 beneficiary relationships. However, when the State's Hawaii  
12 employer-union health benefits trust fund was created in 2001,  
13 the law omitted reference to reciprocal beneficiaries.

14           The purpose of this Act is to ensure parity between  
15 unmarried couples and married couples by extending the benefits  
16 provided under the State's employer-union health benefits trust  
17 fund to reciprocal beneficiaries.

1 SECTION 2. Section 87A-1, Hawaii Revised Statutes, is  
2 amended by adding a new definition to be appropriately inserted  
3 and to read as follows:

4 ""Reciprocal beneficiaries" or "reciprocal beneficiary"  
5 shall have the meaning ascribed to them in section 572C-3."

6 SECTION 3. Section 87A-1, Hawaii Revised Statutes, is  
7 amended by amending the definitions of "dependent-beneficiary",  
8 "employee-beneficiary", and "qualified-beneficiary" to read as  
9 follows:

10 ""Dependent-beneficiary" means an employee-beneficiary's:

- 11 (1) Spouse~~[+]~~ or reciprocal beneficiary;  
12 (2) Unmarried child deemed eligible by the board,  
13 including a legally adopted child, stepchild, foster  
14 child, or recognized natural child who lives with the  
15 employee-beneficiary; and  
16 (3) Unmarried child regardless of age who is incapable of  
17 self-support because of a mental or physical  
18 incapacity, which existed prior to the unmarried  
19 child's reaching the age of nineteen years.

20 "Employee-beneficiary" means:

5 retirement system; a county pension system; or a  
6 police, firefighters, or bandsmen pension system of  
7 the State or a county, upon the death of the retired  
8 member;
- 9 (5) The surviving child of a deceased retired employee, if  
10 the child is unmarried and under the age of nineteen;  
11 or
- 12 (6) The surviving spouse or reciprocal beneficiary of a  
13 deceased retired employee, if the surviving spouse or  
14 reciprocal beneficiary does not subsequently  
15 remarry[+] or enter into a new reciprocal beneficiary  
16 relationship;

17 provided that the employee, the employee's beneficiary, or the  
18 beneficiary of the deceased retired employee is deemed eligible  
19 by the board to participate in a health benefits plan or long-  
20 term care benefits plan under this chapter.

21 "Qualified-beneficiary" means, for purposes of the long-  
22 term care benefits plan, a former employee or an employee who is

1 not eligible for benefits due to a reduction in work hours,  
2 including the spouse[7] or reciprocal beneficiary, divorced  
3 spouse, parents, grandparents, in-law parents, and in-law  
4 grandparents of an employee or retiree; provided that the  
5 beneficiary was enrolled in the plan before the employee or  
6 former employee became ineligible for benefits."

7 SECTION 4. Section 87A-18, Hawaii Revised Statutes, is  
8 amended by amending subsections (a) and (b) to read as follows:

9 "(a) The board may establish a long-term care benefits  
10 plan or plans for employee-beneficiaries; the spouses[7] or  
11 reciprocal beneficiaries, parents, grandparents, in-law parents,

4 amended to read as follows:

5 **"§87A-23 Health benefits plan supplemental to medicare.**

6 The board shall establish a health benefits plan, which takes  
7 into account benefits available to an employee-beneficiary and  
8 spouse or reciprocal beneficiary under medicare, subject to the  
9 following conditions:

10 (1) There shall be no duplication of benefits payable  
11 under medicare. The plan under this section, which  
12 shall be secondary to medicare, when combined with  
13 medicare and any other plan to which the health  
14 benefits plan is subordinate under the National  
15 Association of Insurance Commissioners' coordination  
16 of benefit rules, shall provide benefits that  
17 approximate those provided to a similarly situated  
18 beneficiary not eligible for medicare;

19 (2) The State, through the department of budget and  
20 finance, and the counties, through their respective  
21 departments of finance, shall pay to the fund a

17 insurance plan due to an increase in the medicare part  
18 B medical insurance plan rate, the fund shall  
19 reimburse each employee-beneficiary and employee-  
20 beneficiary's spouse or reciprocal beneficiary for the  
21 cost increase within thirty days of the rate change.  
22 Each employee-beneficiary and employee-beneficiary's

1 spouse or reciprocal beneficiary who becomes entitled  
2 to reimbursement from the fund for medicare part B  
3 premiums after July 1, 2006, shall designate a  
4 financial institution account into which the fund  
5 shall be authorized to deposit reimbursements. This  
6 method of payment may be waived by the fund if another  
7 method is determined to be more appropriate;

8 (3) The benefits available under this plan, when combined  
9 with benefits available under medicare or any other  
10 coverage or plan to which this plan is subordinate  
11 under the National Association of Insurance  
12 Commissioners' coordination of benefit rules, shall  
13 approximate the benefits that would be provided to a  
14 similarly situated employee-beneficiary not eligible  
15 for medicare;

16 (4) All employee-beneficiaries or dependent-beneficiaries  
17 who are eligible to enroll in the medicare part B

 20           amount;

 22           cost of a health benefits plan;

3           the State or the county shall not exceed the monthly  
4           contribution for a family plan; and
- 5           (4) If the State or any of the counties establish  
6           cafeteria plans in accordance with Title 26, United  
7           States Code section 125, the Internal Revenue Code of  
8           1986, as amended, and [~~part II of chapter 78,~~] section  
9           78-30, the monthly contribution for those employee-  
10          beneficiaries who participate in a cafeteria plan
