

SmartBUY – Top Federal IT Acquisition Program

GSA’s SmartBUY Program finished first in the 1105 Government Information Group’s ranking of Government Information Technology acquisition contracts. The survey results, published in Federal Computer Week (10/15/07, Vol. 21 No. 34), reflect the “most-used Government IT contracts” according to subscribers of Federal Computer Week and Government Computer News.

The 1105 Government Information Group, a subsidiary of 1105 Media, is a leading provider of integrated information and media for the Government IT market.
