DEPARTMENT OF ENERGY
DELEGATION ORDER NO. 0204-114
TO THE ADMINISTRATOR OF THE
ECONOMIC REGULATORY ADMINISTRATION

Pursuant to the authority vested in me as Secretary of Energy ("Secretary") and by Section 642 of the Department of Energy Organization Act (Pub. L. 95-91), notwithstanding any previous Delegation Order, with respect to any Entitlements exception order there is hereby delegated to the Administrator of the Economic Regulatory Administration the authority to prescribe the policies and procedures which shall govern the issuance, the modification, the rescission, and the effectuation of any such exception order, including orders issued prior to this Order. An Entitlements exception order is an exception order which relates to the Entitlements Program, 10 C.F.R. Part 211.

Any policy and procedure established pursuant to the authority delegated to the Administrator by this Order shall be considered a policy or procedure prescribed by the Secretary or his delegate for purposes of Delegation Order No. 0204-24, but shall not otherwise impair or supplant the authority previously delegated to the Director of Hearings and Appeals.

Nothing in this Order shall preclude the Secretary from exercising any of the authorities so delegated whenever in his judgment his exercise of such authority is necessary or appropriate to administer the functions vested in him.

This Order is effective December 20, 1984.
